Waiting for Lefty & Other Plays Clifford Odets,1993 Six plays deal with unions, an anti-Nazi group, work, loneliness, the depression, and the American obsession with success.

Summer's House Eric Gabriel Lehman,2000-06-09 One hot New York City summer in the 1970s, the lives of three very different people - each uncomfortable with their surrounds and struggling to find a place where they can feel a sense of belonging - are forever changed. Raymond, an overly cerebral 17 year old, lives in the Bronx with his increasingly estranged parents. He's decided that the time has come for him to fall in love even if he is unsure why or with which gender and grapples with the conflicting directions in which he is pulled by his desires and fears. As his parents become increasingly estranged, his mother leaves for a trip to Israel leaving Raymond and his father housemates in an apartment in which neither feels at home. Jerome, one of the legion of unrecognized poets marginally employed as a delivery man Seven Wonders Gourmet Foods, cannot rid himself of his obsession for the woman he loved and lived with - until she threw him out when he uncovered her secret past. His mentor - and sole friend - is the aging, erudite Maurice Rose, who - like Jerome - is about to be thrown out of his home. Lester, Raymond's maternal uncle, is the middle aged owner of Seven Wonders Gourmet Foods and an unsuccessful suburbanite living on the edges of New York City. In a family and area where success and status are everything, he must confront the miseries of his failing business, a tense home life, and a persistent obscene caller who knows a bit too much about his wife. Drawn together by chance, circumstance, and a mysterious woman with a secret in her past, their lives intersect, collide, pull apart, and irreversibly change.

One Bright Summer Morning James Hadley Chase,2013-06-14 Successful dramatist Victor Dermott rents an isolated ranch-house in the Nevada Desert. For two months all is ideal, then one bright summer morning he wakes to find his dog, his guns, his servant vanished - and the telephone dead. The terror has begun ... 'Agonising tension sustained throughout a first-rate story' Evening Standard

Living the Dream Jim McArdle,2009-03-01 Legendary broadcaster Jack Brickhouse once said any team can have a bad century. He was joking, of course, but the Chicago Cubs franchise, whose games he worked for decades, entered 2008 on the brink of making his words come painfully true. A number of expansion teams in the four major sports never have won a World Series, Super Bowl, Stanley Cup, or NBA title in their brief histories. But no team ever has gone 100 years without winning a championship. Following the Cubs' quest to avert that infamous distinction is the backdrop for *Living the Dream*, which, for author Jim McArdle, it truly was. McArdle, a former Cubs employee as editor of the official team magazine *Vine Line*, quit his job to devote himself completely to the 2008 Cubs' season. Thanks to clubhouse access generously offered by the team and an apartment located just beyond Wrigley's left-field fence, McArdle was uniquely positioned to compile this fascinating story.

The Profit of Her Fellowship Celia Crotteau,2013-12-30 In 1971, Sister Martha Louise acts as headmistress at Our Lady of the Perpetual Covenant Academy, a down-on-its luck boarding school for girls, one of them seventeen-year-old Petranella Funk. In alternating accounts, the fiery nun and timid teenage girl recall that pivotal year, when Lila Rupert arrives at the school. Where Lila goes, chaos follows, and soon the orderly boredom of Covenant Academy is forever disrupted. Love simultaneously beckons and threatens, friendships offer redemption and ruin, and long buried secrets emerge which hold the power to heal or to destroy. Caught up in the whirlwind of social changes sweeping through American society during a turbulent decade, and wrestling with the mercurial

personality who is Lila, Sister Martha Louise and Petranella must, in separate but intersecting scenarios, reevaluate long accepted traditions and beliefs as each struggles to come to terms with what she holds sacred. Not just the young doubt and are capable of change, and even the most daunting and sober individual may hide a delightfully rebellious streak and painful regrets, as this poignant and often humorous tale of days gone by reveals.

Seeing the Light Rob Jovanovic,2012-03-27 An account of the rock group Velvet Underground, tracing the band's history from its formation by John Cale and Lou Reed in the mid-1960s to its notoriety after being adopted by Andy Warhol to its ignominious end.

A Likely Story Glenn Arthur Adams,2000-06-09 A Likely Story is an extraordinary series of tales that will capture your heart and imagination. It is told with wonderful humor and profound poignancy. Dr. Adams is a master at crafting word pictures that anyone who has been alive during their lifetime can identify with. It is a delightful and emotional blend of reminiscences, victories and defeats that all those who read it will want to share with those they love. It is a book you won't soon forget.

Circle of Winners Denise Von Glahn,2023-08-01 An essential high culture institution, the John Simon Guggenheim Memorial Foundation has both supported and molded American musical culture. Denise Von Glahn examines the Foundation and its immense influence from the organization's prehistory and origins through the onset of World War II. Funded by the Guggenheim mining fortune, the Foundation took early shape from the efforts of Carroll Wilson, Frank Aydelotte, and Henry Allen Moe--three Rhodes Scholars who initially struggled to envision and implement the organization's ambitious goals. Von Glahn also examines the career of the longtime musical advisor Thomas Whitney Surette while profiling early awardees Aaron Copland, Ruth Crawford Seeger, William Grant Still, Roger Sessions, George Antheil, and Carlos Chàvez. She examines the processes behind their selection, their values and aesthetics, and their relationships with the insiders and others who championed their work.

Hey, White Girl! Susan Gregory,1970 This book relates the story of a young white student - not a teacher - in a ghetto school. The viewpoint is significant because it is a white student speaking from a seat in the classroom, not a teacher speaking from his position of authority - a white student witnessing the shaping (both destructive and constructive) of the self-images of her friends. Susan Gregory's account is simple, honest, young. But its message - a call for greater understanding between the races - has no age barrier. She is now a student at Kalamazoo College in Michigan.

Granite and Bones Moe Claire,2021-06-07 The summer season on Pyke Island typically kicks off with a traditional Fourth of July celebration both for the locals and the many tourists who come to sample a taste of Downeast Maine. But it's no picnic for Del Corriveau after she finds human skeletal remains in a remote area of Granite Coast Park in a slab cave with more than one secret. What begins as research into a granite peak instead uncovers a mountain of lies, betrayal, and revenge. Del and her sleuthing friends, Ty and Marco, find themselves caught in the crossfire of an old feud between long-time island neighbors. Meanwhile, their friendship is strained by a new kind of rivalry and rescue is far from certain.

The Summer Sisters Sara Richardson,2021-07-06 Three sisters search to reunite their family and find love along the way in this heartwarming, multi-generational novel—fans of Lori Foster and Maisey Yates won't be able to resist this author's unputdownable,

unforgettable stories from the heart (Jill Shalvis, New York Times bestselling author). The Buchanan sisters share everything—including their inherited Juniper Inn. But when their mother won't let go of a decades-long feud with their Aunt Sassy to attend the inn's grand re-opening, the sisters decide a family reunion is long overdue. Youngest sister Rose is determined to put together an extravagant celebration. Only she needs to convince a certain surly hardware store owner to help finish the inn's renovations. After a heartbreaking end to her marriage, Dahlia and her kids are just starting to rebuild their lives. Dahlia's even considering opening herself up to love again, but will that upset the stability she's worked so hard to give her children? Sassy McGrath has never stopped missing her sister, Lillian, and though they've both been too stubborn to reconcile, some shocking news might finally change everything. As family bonds are tested, will these two very different generations of women find the strength to believe in themselves and each other?

Curly Joan Howard Maurer, 2013-09-01 While the Three Stooges were the longest active and most productive comedy team in Hollywood, their artistic height coincided with the years Curly was with them, from 1932 to 1946. Famous for his high-pitched voice, his "nyuk-nyuk-nyuk" and "why, soitenly," and his astonishing athleticism, Curly was a true natural, an untrained actor with a knack for improvisation. Yet for decades, little information about him was available. Then, in 1985, Joan Howard Maurer, the daughter of Moe Howard and the niece of Curly and Shemp, published this definitive biography. In addition to speaking at length with his relatives, friends, and colleagues, she amassed a wealth of Curly memorabilia, a mixture of written material and rare photographs of Curly's family, films, and personal life. In *Curly*, she put it all together to come up with the first and only in-depth look at this crazy comedic genius. She included plenty of intimate details about his astonishing relationship with his mother, his three marriages, and his interactions with his daughters and friends. The result was a well-rounded portrait of the most unpredictable—and most popular—Stooge. Joan Howard Maurer is the daughter of Moe Howard, the leader of the Three Stooges. Her books include *The Three Stooges Scrapbook* (with Jeff and Greg Lenburg) and *The Three Stooges Book of Scripts*. Michael Jackson, now recognized as the most successful entertainer of all time, often spoke of his love for the Three Stooges.

Uncensored Zachary R. Wood, 2019-04-16 Drawing upon his own powerful personal story, Zachary R. Wood shares his perspective on free speech, race, and dissenting opinions—in a world that sorely needs to learn to listen. As the former president of the student group Uncomfortable Learning at his alma mater, Williams College, Zachary Wood knows from experience about intellectual controversy. At school and beyond, there's no one Zach refuses to engage with simply because he disagrees with their beliefs—sometimes vehemently so—and this view has given him a unique platform in the media. But Zach has never shared the details of his own personal story. In *Uncensored*, he reveals for the first time how he grew up poor and black in Washington, DC, where the only way to survive was by resisting the urge to write people off because of their backgrounds and perspectives. By sharing his troubled upbringing—from a difficult early childhood to the struggles of code switching between his home and his elite private school—Zach makes a compelling argument for a new way of interacting with others and presents a new outlook on society's most difficult conversations.

Melissa's Medley Sandra Love, 1978 A fourteen-year-old girl deals with the pressures, rivalries, sacrifices, and rewards of competitive swimming.

Home in the Morning Mary Glickman, 2010-12-01 A Southern family confronts the tumult of the 1960s, and the secrets that bind

its members together, in a novel by a National Jewish Book Award finalist. Jackson Sassaport is a man who often finds himself in the middle. Whether torn between Stella, his beloved and opinionated Yankee wife, and Katherine Marie, the African American girl who first stole his teenage heart; or between standing up for his beliefs and acquiescing to his prominent Jewish family's imperative to not stand out in the segregated South, Jackson learns to balance the secrets and deceptions of those around him. But one fateful night in 1960 will make the man in the middle reconsider his obligations to propriety and family, and will start a chain of events that will change his life and the lives of those around him forever. *Home in the Morning* follows Jackson's journey from his childhood as a coddled son of the Old South to his struggle as a young man eager to find his place in the civil rights movement while protecting his family. Flashing back between his adult life as a successful lawyer and his youth, Mary Glickman's riveting novel traces the ways that race and prejudice, family and love intertwine to shape our lives. This ebook features rare photos and never-before-seen documents from the author's personal collection.

The Jazz Palace Mary Morris, 2016-03-08 Winner of the Anisfield-Wolf Book Award Boomtown Chicago, 1920s—a world of gangsters, musicians, and clubs. Young Benny Lehrman, born into a Jewish hat-making family, is expected to take over his father's business, but his true passion is piano—especially jazz. After dark, he sneaks down to the South Side to hear the bands play. One night he is asked to sit in with a group. His playing is first-rate. The trumpeter, a black man named Napoleon, becomes Benny's friend and musical collaborator. They are asked to play at a saloon Napoleon has christened *The Jazz Palace*. But Napoleon's main gig is at a mob establishment, which doesn't take kindly to their musicians freelancing. As Benny and Napoleon navigate the highs and the lows of the Jazz Age, a bond is forged between them that is as memorable as it is lasting. Morris brilliantly captures the dynamic atmosphere and dazzling music of an exceptional era.
