10,000 Wallpapers Matt Shears,2011 Poetry. Matt Shears's new chapbook of poems, 10,000 WALLPAPERS, is a phenomenal hybrid that borrows from many genres and operates on many levels. It's fun, experimental, mythic, mealy-mouthed and unprotected. Sonically, it's flabbergasting, but never flabby. Thematically it's indefinable but refined, self-reflexive and aware but awkward as a first kiss, or a first kill. It operates almost as a misheard fable traveling from ice age to Ave C, a place where Masque meets Western, where the Renaissance slips into its finest Greek to watch a dreamy commedia dell'arte production. It's a place where heroes come unhinged, their singing severed from our fullest judgment by lost or destroyed pages, or who perhaps are being unsung themselves by a culture separating itself at its seams. In the end it's a joyride. Or an open letter to a mastodon from an endangered element. Or each of us, emptied on an open page like some beautiful thing.

The Boy who Painted Wallpaper Mark Rubin,1974-01-01 When his unusual hobby overwhelms him with fame and fortune, a little boy is desperate for a hiding place from his demanding admirers.

Real World Windows 10 Development Edward Moemeka,Elizabeth Moemeka,2015-12-29 Emphasizing XAML and C#, this book provides readers with all the tools, ideas, and inspiration to begin Windows Universal App development for Windows 10. Real World Windows 10 Development addresses developers who want to break into this market by providing detailed explanations of the various aspects of Universal App development. Written by authors with deep knowledge in Windows 10 universal app development, you will learn how to make the most of the Windows 10 SDK to build applications that can be published on IoT devices, phones, tablets, laptops, desktops, Xbox, HoloLens, and the Surface Hub. Readers will learn how to: Extend the appeal of their native, web-based, or universal apps with media, shell integration, and inter-app communications Build adaptive user interfaces that scale to the screen dimensions they are displayed on Monitize your apps Introduce mapping What if you already have pre-existing software in the form of native win32 applications or a website? Real World Windows 10 Development tackles this by providing detailed tutorials on the approaches used to leverage your existing code investment. Finally, Real World Windows 10 Development provides a step-by-step walk through of the various approaches developers can use to distribute their universal apps. In this book, you'll get: Detailed descriptions of Windows 10 app development Samples emphasizing the use of XAML/C# Adherence to Windows 10 guidelines for successful app acceptance

Performing Resilience for Systemic Pain Meghan Moe Beitiks,2021-12-30 How might performance serve as a means for facing ubiquitous trauma and pain, in humans and ecologies? While reflecting on her multidisciplinary work Systems of Pain/Networks of Resilience, artist Meghan Moe Beitiks considers bodies of knowledge in Trauma Theory, Intersectional Feminist Philosophy, Ecology, Disability Studies, New Materialism, Object-Oriented Ontology, Gender Studies, Artistic Research, Psychology, Performance Studies, Social Justice, Performance Philosophy, Performance Art, and a series of first-person interviews in an attempt to answer that question. Beitiks brings us through the first-person process of making the work and the real-life, embodied encounters with the theories explored within it as an expansion of the work itself. Facing down difficult issues like trauma, discrimination, and the vulnerability of the body, Beitiks looks to commonalities across species and disciplines as means of developing resilience and cultivating communities. Rather than paint a picture of glorious potential utopias, Beitiks takes a hard look at herself as an embodiment of the values explored in the work, and stays with the difficult, sucky, troubling, work to be done. Performing Resilience for Systemic Pain is a vulnerable book about the quiet presence and hard looking needed to shift systems away from their oppressive, destructive realities.

Stooges Among Us Lon Davis,Debra Davis,2008-07-14 In this paparazzi-inundated world, it's hard to imagine that there was a time when genuine movie stars were accessible to members of the public. That was certainly the case in the 1970s with surviving members of the Three Stooges comedy team. Moe Howard, Larry Fine, Curly-Joe DeRita and Joe Besser routinely corresponded with their young admirers, invited them into their homes, and forged genuine friendships. Stooges Among Us is a record of these unique relationships told in the words of the fans themselves. Also sharing their insights are Stooges' family members, colleagues and close personal friends. Leonard Maltin, the renowned film critic and historian, provides the foreword to this often candid, always affectionate tribute. Here you will gain a back-stage pass to vaudeville theatres, movie sets, television studios and even a high school auditorium which featured performances by The Boys. You will be there for touching, personal moments, as well as hilarious antics in which life mirrors the on-screen Stooge personas. Containing never-before published photographs and interviews with the Stooges, this is an unexpected treasure that will be read and re-read by classic comedy fans of all ages.

Discovering Vintage New York Mitch Broder,2013-06-18 As Manhattan succumbs to the big chain stores and tourist traps that come with the modern age, it struggles to maintain its storied identity. Fortunately for locals and visitors alike, a number of classic restaurants, shops and other establishments still thrive today that evoke the unique charm of the city. From The Four Seasons to Serendipity 3, from Katz's Deli to Café Carlyle, from the Oyster Bar to The Donut Pub, all the landmarks are here in the first and only book to collect all the best of Manhattan's timeless spots. Discovering Vintage New York is your guide to 50 profiled restaurants, shops, delis, nightspots, bars, and cafés that have lasted half a century or more. But they're not merely old. Or historical. Or old and historical. These spots evoke a bygone metropolis. They are lost in time, yet compellingly timely. Whether they span decades or centuries, they are vibrant, quirky, and just plain fun to explore.

Discovering Vintage New York takes you to a city of egg creams and knishes, of record stores and hat shops, of bohemian basements and candlelit clubs. Start reading, and start your discovering now!

Look ,1956

The Three Stooges Scrapbook John Howard Maurer,Jeff Lenburg,Joan Howard Maurer,Greg Lenburg,Norman Maurer,2000-06 Dour-faced Moe Howard with his sugar-bowl haircut, his bald, chubby brother Curly and frizzy-haired Larry have poked, slapped, ear-yanked and nose-twisted their way into people's hearts across the world - and into film history. Their nearly 200 two-reel comedies, made between 1933 and 1958, have been translated into over 25 languages, entertained nearly six generations of fans and are seen somewhere in the world every single day. The Three Stooges Scrapbook is a historical overview of their time in showbusiness.

Scientific Canadian Mechanics' Magazine and Patent Office Record Canada. Patent Office,1944

The Funniest Decade: A Celebration of American Comedy in the 1930s Garry Berman, Author Garry Berman gives readers a history lesson in comparing and overlapping the mediums of radio artists and film comedies during the decade of the 1930s. In doing so, he has not only created a new format, he has brought in fresh perspectives of the people that made the magic. – Bill Cassara, author of Nobody’s Stoooge and Edgar Kennedy: Master of the Slow Burn. “It is a thorough and fascinating study, filled with interesting details.” – James Neibaur, author of Arbuckle & Keaton and The Charley Chase Talkies. “Garry Berman has done a stellar job.” – Michelle Morgan, author of The Ice Cream Blonde: The Whirlwind Life and Mysterious Death of Screwball Comedienne Thelma Todd. If there was ever a “Golden Decade” of American comedy, it was the 1930s. At the dawn of that remarkable, laugh-filled era, comedians had, for the first time, three performing venues available to them: the stage, radio, and talking films (plus, in the final year of the decade, the arrival of television), resulting in this ten-year span producing the finest performances by the greatest comedians ever to make audiences laugh. In film, comedy titans Laurel & Hardy, The Marx Brothers, and W. C. Fields all reached their creative peaks, as did Mae West, Our Gang (a.k.a. The Little Rascals), the Three Stooges, and less-remembered teams such as Wheeler & Woolsey, Clark & McCullough, and the Ritz Brothers. At the same time, radio became a major entertainment force, allowing vaudevillians Jack Benny, Eddie Cantor, Fred Allen, Ed Wynn, George Burns & Gracie Allen, Edgar Bergen, Bob Hope, and Abbott & Costello to become national stars. On the stage, comedians including Bert Lahr, Fannie Brice, Jimmy Durante, and Wynn all thrived, while expanding their respective careers into films and radio. The Funniest Decade devotes one chapter to each calendar year of the 1930s, covering the landmark comedy films, radio programs, and stage performances of each year, while focusing on the individual comedians and comedy teams at key moments in their professional careers, including their first major creative and popular breakthroughs. Dozens of photos, too! Entertainment historian Garry Berman has been writing about pop culture—especially television, music, and films—for over twenty years. He has contributed to Nostalgia Digest magazine, History magazine, and Beatlefan. He has also written and/or published several comedy scripts and humorous short pieces. This is his sixth non-fiction book.

Columbia Pictures Horror, Science Fiction and Fantasy Films, 1928-1982 Michael R. Pitts,2010-10-12 From 1928 through 1982, when Columbia Pictures Corporation was a traded stock company, the studio released some of the most famous and popular films dealing with horror, science fiction and fantasy. This volume covers more than 200 Columbia feature films within these genres, among them Close Encounters of the Third Kind, The 7th Voyage of Sinbad, Earth vs. the Flying Saucers and The Revenge of Frankenstein. Also discussed in depth are the vehicles of such horror icons as Boris Karloff, Bela Lugosi, and John Carradine. Additionally highlighted are several of Columbia’s lesser known genre efforts, including the Boston Blackie and Crime Doctor series, such individual features as By Whose Hand?, Cry of the Werewolf, Devil Goddess, Terror of the Tongs and The Creeping Flesh, and dozens of the studio’s short subjects, serials and made-for-television movies.
