Grammatical Profiles Martin J. Ball, Paul Fletcher, David Crystal, 2019-07-15 This book brings together 12 previously unpublished language profiles based on the original Language Assessment, Remediation and Screening Procedure (LARSP). The languages featured are: Bangla, Croatian, Colombian Spanish, Inuktitut, Norwegian, Portuguese, Russian, Slovak, Slovenian, Swahili, Tamil and Turkish. Some of these languages are included as they are likely to be encountered as home languages of clients by speech-language therapists and pathologists working in the UK, the US, Australia and elsewhere. Others are included because they are languages found where speech-language pathology services are provided, but where no grammatical profile already exists. The collection will be an invaluable resource book for speech-language pathologists who wish to analyse and assess the grammatical abilities of their clients who speak one of these languages. This new collection complements previous books in this series on the same theme and together they cover 34 languages of the world.

Kosovo Gail Warrander, Verena Knaus, 2010 Ringed by high mountains and once ravaged by ethnic tensions, Kosovo is enjoying a tourism renaissance. Welcoming Kosovars have rebuilt their country and now is the perfect time to discover the potential of this once-unknown region. Fully updated and revised by two Kosovo experts, who both lived in the newly independent state for many years, Bradt's Kosovo explores a land rich in cultural heritage and stunning scenery. From hip urban hotspots to remote mosques and monasteries, Kosovo offers up delights for every type of traveller. With detailed descriptions of the lively café culture as well as the burgeoning restaurant, bar and shopping scene, plus accommodation to suit all budgets, this second edition to a ground-breaking guide is the ideal companion for tourists, NGOs and long-term visitors.

confidently and effectively in Croatian in a broad range of situations. No prior knowledge of the language is required. Heaven Can't Wait Jai Ellis, 2014-06-01 My name is Heaven. Don't ask me why my mama named me that cuz I couldn't tell you. It seems like my life has been one hellish event after another, but I'm a fighter so I know I get through anything.

Kosovo Verena Knaus, Gail Warrander, Larissa Olenicoff, Bridget Nurre Jennions, 2017-10-05 This new fully updated 3rd edition of Bradt's Kosovo is the only full-length English guidebook to this land rich in cultural heritage, generous hospitality and stunning scenery which is celebrating its 10th anniversary of unilateral

independence from Serbia. Updated by two resident tourism experts, this new edition is an ideal companion for all visitors, offering maps, contacts and detailed information not easily accessible online, insider knowledge of one of Europe's last unspoiled destinations, and comprehensive detail on sites, attractions and practical information. What was once a hub for adventurous backpackers and international organisations has become an outdoor adventure destination in its own right with a compelling buzz thanks in part to a vibrant and dynamic young population: the average age here is 26. Mega-hiking trails like the Via Dinarica and Peaks of the Balkans have brought attention to the country's unmatched scenery and multitude of 2,500+ metre peaks. New via ferratas - climbing routes - in the country's north and west appeal to the adventurous set, while newly restored archaeological sites offer a haven for history buffs as well. This third edition contains a wealth of new tour operators and fully updated maps to key cities and regions that make it easier than ever to explore Europe's youngest country. Ringed by high mountains and recovering from a turbulent past, Kosovo is enjoying a tourism renaissance. Following this guide, visitors can ski over pristine snowfields and hike among saw-toothed mountains, explore the ebb and flow of Islam and of Orthodox Christianity at beautiful shrines such as Gracanica Monastery or Prizren's Sinan Pasha Mosque, sample raki at one of the vineyards, visit a traditional stone kulla, and be initiated into Prishtina's coffee-drinking

culture. Bradt's Kosovo caters for all travellers. With detailed descriptions of the country's lively cafés and wide-ranging restaurants, as well as the thriving outdoor adventure scene, plus accommodation to suit all budgets, this new edition is the ideal companion for tourists, NGOs and long-term visitors.

Eco-Effectiveness of Modular Products and Fleets within the Automotive Industry Chris David Gabrisch,2023-02-04 The automotive industry is facing the challenge of reducing its environmental impact to comply with stricter fleet emission regulations. Still, an OEM's contribution to the targets of the Paris Agreement must consider the entire life cycle of a vehicle, surpassing the targets of the current legislations which focusses on the use stage only. This work presents a concept that identifies the ideal configuration of

a modular product system like a vehicle to meet a limited environmental impact at the lowest life cycle costs along the entire life cycle. This optimization is based on the ideal combination of modular product components which are selected by an algorithm based on graph theory.
