The Ongoing Moment Geoff Dyer,2012-11-08 Great photographs change the way we see the world; The Ongoing Moment changes the way we look at both. With characteristic perversity – and trademark originality - The Ongoing Moment is Dyer's unique and idiosyncratic history of photography. Seeking to identify their signature styles Dyer looks at the ways that canonical figures such as Alfred Stieglitz, Paul Strand, Walker Evans, Kertesz, Dorothea Lange, Diane Arbus and William Eggleston have photographed the same scenes and objects (benches, hats, hands, roads). In doing so Dyer constructs a narrative in which those photographers – many of whom never met in their lives – constantly come into contact with each other. It is the most ambitious example to date of a form of writing that Dyer has made his own: the non-fiction work of art.

But Beautiful Geoff Dyer,2014-06-24 May be the best book ever written about jazz.—David Thomson, Los Angeles Times In eight poetically charged vignettes, Geoff Dyer skillfully evokes the music and the men who shaped modern jazz. Drawing on photos, anecdotes, and, most important, the way he hears the music, Dyer imaginatively reconstructs scenes from the embattled lives of some of the greats: Lester Young fading away in a hotel room; Charles Mingus storming down the streets of New York on a too-small bicycle; Thelonious Monk creating his own private language on the piano. However, music is the driving force of *But Beautiful*, and wildly metaphoric prose that mirrors the quirks, eccentricity, and brilliance of each musician's style.
