Cat and Nat's Mom Truths Catherine Belknap,Natalie Telfer,2019-03-12 THE NATIONAL BESTSELLER Hilarious best friends Cat and Nat created a massive online community of moms by sharing their ultra-real and just a bit R-rated dispatches from the

mom trenches. From what not to eat a few days after giving birth (chicken wings) to the most effective ways to dodge post-partum sex, Cat & Nat's Mom Truths shares everything no one will tell you about having kids. Mixing memoir, humor, and advice, Cat and Nat tell never-before-told stories about the stress, guilt, joy, and laundry (oh the laundry!) of being a mom in their first book. With seven kids between them and millions of fans on social media, they get real about the parts of parenting that somehow don't make the Instagram feed. Sharing their outrageous humor, fearless myth-busting, and genuine comfort on every page, they walk you from pregnancy to the toddler years and beyond. And they dole out ridiculously honest advice, like what you think you need at the hospital when you have your first baby (lip gloss) versus what you actually need (hemorrhoid pillow), and how worried you should really be about germs (less than you are). Fearless crusaders against the perfection myth and all the gluten-free, sugar-free baking it entails, Cat and Nat assure you that you're already doing a great job, making this an essential companion for moms everywhere.

Cat and Nat's Mom Secrets Catherine Belknap, Natalie Telfer, 2022-03-29 The bestselling authors of Cat and Nat's Mom Truths go deeper than ever before with outrageous revelations and relatable stories that let every mom know she's not alone. Remember when you were first expecting, and it seemed like every woman on the planet who had ever given birth felt the need to warn you? Your life is about to change forever! With seven kids between them, Cat and Nat know a thing or two about the way motherhood turns your life upside down. Fiercely committed to dismantling the pressure to be perfect, they've connected with their audience by sharing their completely real take on the stress, guilt, and joy of being a mom. One might even say they've made a brand of oversharing. In their first book, they shared short dispatches and advice from the trenches. Now, Cat and Nat have invited the legion of moms who love them to share their own deepest darkest parenting secrets, and use those to kick off their own stories, going deeper about big topics like guilt, balancing career with motherhood, and body image. Cat dives into the Bachelor-inspired trend of taking your kids on "one-on-one's" and shakes off the guilt when she doesn't have the time/energy/helicopter to pull it off. Nat explains why her husband is completely off base when he "romantically" refers to her as his best friend (obviously, Cat already fills that role!). And Cat and Nat finally share the skincare routine that a lot of you have been asking about (it involves the car mirror and severely delayed deodorant application). These moments of truth are wildly funny, but also universal and oh-so-relatable. Grab a weighted blanket and curl up with this book for the comfort and

camaraderie every mom needs.
