66 Days to Change Your Life Dan Desmarques, 2019-09-25 Are you tired of feeling stuck and held back by limiting beliefs? Do you want to unlock your full potential and become a magnet for abundance and success? Look no further than 66 Days to Change Your Life: 12 Steps to Effortlessly Remove Mental Blocks, Reprogram Your Brain and Become a Money Magnet. In this groundbreaking book, I share my personal journey of overcoming the beliefs and influences that were holding me back from achieving my goals. I understand the frustration of constantly losing money and failing in businesses due to the beliefs of others. That's why I created a system that can rearrange the patterns of our existence, focusing specifically on the material aspect of money. Based on the premise that our thoughts shape our destiny, this book explores how the thoughts of others can have a powerful impact on our lives. Have you ever noticed the happiness some people exude when you fail? Or the sympathy they show when you're in a financial rut? These individuals are the same ones who resent your success later in life and try to discredit your accomplishments. But there is another paradigm, one that contradicts this common behavior. I found it, and I've created a system to help you apply it. Through the step-by-step process outlined in this book, you'll learn how to remove mental blocks, reprogram your brain, and become a money magnet. As you read the exercises and implement the techniques, you'll start seeing immediate results manifest in your own life. I've witnessed the power of this system firsthand, experiencing positive changes even as I was writing this book. So if you're ready to break free from the limitations others impose on you, and truly change your life, 66 Days to Change Your Life is your guide. It speaks to those who are tired of feeling held back, those who want to rewrite their story and create a future filled with abundance and success. Don't wait another day to take control of your destiny. Start your journey to becoming a money magnet today!

**How to Develop the Money Magnet in Your Mind** Victor Dunstan, 1984

*Mind Over Money: How to Program Your Mind For Wealth* ,

**Money Magnet** Eric Campbell, 2019-09 From the book: There is only one thing you need to know when it comes to making money. Money is energy. The amount of money you have in your life is a direct reflection of the energy you hold within yourself. This is why there is no point trying to force things outside of yourself to happen so that you make more money. It's true that the actions you take in your world are what's going to be the bridge for money to enter your bank account, but you must realize the actions you take are just bridges. In order to make the money you desire, you must energetically become a magnet to the energy of abundance. If you are in alignment and magnetized to that energy you will attract more than you could ever ask for once you build those bridges. What you need to know is how to bring in and manifest that energy inside of yourself. Building bridges is easy, unique to each individual, and will be something you're able to do intuitively. Too many of my children have the opposite approach. They see really successful people that have built nice bridges to bring in wealth and they try and build a similar bridge with no success. Don't get distracted by bridges. Just because it's something tangible the eyes can see doesn't mean it's your source. Focus instead on getting yourself to an energetic state where you become a magnet to abundance.

**Millionaire Money Mindset** Drew McArthur, 2019-12-17 Are you tired of feeling stuck financially while you see other people succeed? Have you ever wondered why the rich seem to get richer and the poor seem to get poorer? It's frustrating to feel like you're doing all the right things, but still not seeing the results you want, as your financial dreams seem to get farther and farther away and less and less possible as time goes on. Every time you make a step forward that seems financially promising, the car breaks down, the deal falls through, or something else happens to get you right back where you started. Have you ever felt like you can't get past a certain income level no matter what you do? In the book *Secrets of Successful Selling*, the author uses the example of a real salesman who always made nearly the same exact amount of money every year. Whether he was given a more lucrative territory, a more challenging territory, whether commissions were increased, or decreased, he always managed to make the same amount of money regardless of changes in outside conditions. Why? The way he thought about himself (whether consciously or unconsciously) was the reason for his stagnation. He thought of himself as the kind of person who made that particular amount of money, so his actions always found a way to subconsciously align with his thoughts. We are all hypnotized whether we realize it or not, whether for good or for bad. We are hypnotized by our beliefs about ourselves and our environment. And there lies the biggest difference between the wealthy and the not so wealthy. Your mindset makes all the difference. Negative thoughts about money, programmed into our heads all our lives, repel wealth and it is these very negative thoughts and beliefs that ultimately lead to unproductive or self-sabotaging behavior, that keeps you from being successful. Wealth is available to everyone, including you. You just have to tap into it. And re-programming yourself with optimistic thoughts about yourself, positive thoughts about money, and strategies of the wealthy in order to adopt a millionaire mindset is the first and most important step in financial advancement. Without it, nothing can improve. This book contains over 1100 powerful positive affirmations to help you reprogram your mind in various categories. It will help you: Overcome limiting beliefs, see your worth, and expect good things to happen to you Change your relationship to money and develop an abundance mindset Take accountability and become an action taker Become a confident leader of yourself and others Unlock the keys to building and growing wealth And more... You can use this book in a multitude of ways: Read through and speak aloud the affirmations. Choose one of the affirmations to meditate on or use as a mantra in a meditation session. Get the audiobook, set to music, for best results and the flexibility to use this as call and response affirmations, a meditation background track, or subliminal hypnosis while you sleep, drive, or conduct everyday tasks. A 2019 survey found that despite living in one of the richest countries on earth, 64% of Americans will retire broke. Don't be one of them. Even if you've always been negative, are in a slump, or currently feel trapped under the weight of your disempowering thoughts, you can change your mind to ultimately change your life. Affirmations are not just new age platitudes. Their efficacy is rooted in neuroscientific principles that prove we can rewire our brains based on our thoughts. You can then use the positive energy behind those thoughts to give you the motivation to create what you want in your life. Take action now.
