The Yellow Wall-Paper Charlotte Perkins Gilman,2024-03-21 She has just given birth to their child. He labels her postpartum depression as »hysteria.« He rents the attic in an old country house. Here, she is to rest alone – forbidden to leave her room. Instead of improving, she starts hallucinating, imagining herself crawling with other women behind the room's yellow wallpaper. And secretly, she records her experiences. The Yellow Wall-Paper [1892] is the short but intense, Gothic horror story, written as a diary, about a woman in an attic – imprisoned in her gender; by the story. Charlotte Perkins Gilman's feminist novella was long overlooked in American literary history. Nowadays, it is counted among the classics. CHARLOTTE PERKINS GILMAN (1860–1935), born in Hartford, Connecticut, was an American feminist theorist, sociologist, novelist, short story writer, poet, and playwright. Her writings are precursors to many later feminist theories. With her radical life attitude, Perkins Gilman has been an inspiration for many generations of feminists in the USA. Her most famous work is the short story The Yellow Wall-Paper [1892], written when she suffered from postpartum psychosis.

Small Favors Erin A. Craig,2024-04-02 THE INSTANT NEW YORK TIMES BESTSELLER • From the critically-acclaimed author of House of Salt and Sorrows comes a mesmerizing and chilling fairy-talesque novel about Ellerie Downing, a young woman in a small town with monsters lurking in the trees and dark desires hidden in the shadows—in Amity Falls, nothing is more dangerous than a wish come true. Ellerie Downing is waiting for something to happen. Life in isolated Amity Falls, surrounded by an impenetrable forest, has a predictable sameness. Her days are filled with tending to her family's beehives, chasing after her sisters, and dreaming of bigger things while her twin, Samuel, is free to roam as he wishes. Early town settlers fought off monstrous creatures in the woods, and whispers that the creatures still exist keep the Downings and their neighbors from venturing too far. When some townsfolk go missing on a trip to fetch supplies, a heavy unease settles over the Falls. Strange activities begin to plague the town, and as the seasons change, it's clear that something is terribly wrong. The creatures are real, and they're offering to fulfill the residents' deepest desires, however grand, for just a small favor. These seemingly trifling demands, however, hide sinister intentions. Soon Ellerie finds herself in a race against time to stop Amity Falls, her family, and the boy she loves from going up in flames. Unique, enchanting, and haunting.—Brigid Kemmerer, New York Times bestselling author of the Cursebreaker series “Sweet, dark, and complex as wildflower honey.”—Hannah Whitten, New York Times bestselling author of For the Wolf “Small Favors is an eerie fairytale that I couldn’t put down.”—Alexis Henderson, author of The Year of the Witching

Big Apple Diaries Alyssa Bermudez,2021-08-17 In Big Apple Diaries, a heartfelt diary-style graphic memoir by Alyssa Bermudez, a young New Yorker doodles her way through middle school—until the September 11, 2001, terrorist attack leaves her wondering if she can ever be a kid again. It's the year 2000 in New York City. For 12-year old Alyssa, a biracial Puerto Rican girl, this means all kinds of new challenges: splitting time between her dad's apartment in Manhattan and her mom's new place in Queens, navigating the ups and downs of middle school, harboring an epic crush on a new classmate, and figuring out how to be a real Puerto Rican. The only way to make sense of it all is to write and draw her thoughts and worries into her diary. Then life abruptly changes on September 11, 2001. After the Twin Towers fall and so many lives are lost, her concerns about gossip, crushes, and fashion feel distant and insignificant. Alyssa must find a new sense of self and purpose amidst all of the chaos, and find strength to move forward with hope. This moving graphic memoir is based on Alyssa Bermudez's own middle school diaries.

Hope Heals Katherine Wolf,Jay Wolf,2016-04-26 When all seems lost, where can you find hope? Katherine and Jay Wolf married right after college and sought adventure far from home in Los Angeles, CA. As they pursued their dreams--she as a model and he as a lawyer--they planted their lives in the city and their church community. Their son, James, came along unexpectedly in the fall of 2007, and just six months later, everything changed in a moment for this young family. On April 21, 2008, as James slept in the other room, Katherine collapsed, suffering a massive brain stem stroke without warning. Miraculously, Jay came home in time and called for help. Katherine was immediately rushed into brain surgery, though her chance of survival was slim. As the sun rose the next morning, the surgeon proclaimed that Katherine had survived the removal of part of her brain, though her future recovery was uncertain. Yet in that moment, there was a spark of hope. Through forty days on life support in the ICU and nearly two years in full-time brain rehab, that small spark of hope was fanned into flame. Hope Heals documents Katherine and Jay's journey as they struggled to regain Katherine's quality of life and as she relearned to talk, eat, and walk. As Katherine returned home with a severely disabled body but a completely renewed purpose, she and Jay committed to celebrating this gift of a second chance by embracing life fully, even though that life looked very different than they could have ever imagined. As you uncover Katherine and Jay's remarkable story, you'll be encouraged to: Find lasting hope in the midst of struggle Embrace the unexpected Welcome God's miracles into your everyday life In the midst of continuing hardships, both in body and mind, Katherine and Jay found what we all long to find: a hope that heals the most broken place--our souls. Let Hope Heals be your guide along the way. Praise for Hope Heals: As I read this book, tears streamed from my eyes even as joy flooded my heart. Jay and Katherine are a raw yet refreshing testimony to the unshakable trustworthiness of God amidst the unimaginable trials of life. This book reminds all of us where hope can be found in a world where none of us know what the next day holds. --David Platt, author of the New York Times bestseller Radical and president of the International Mission Board Hope Heals is a beautiful, true story that illustrates the love and protection God has for us even in the darkest times of our lives. Katherine and Jay's dedication to each other and the Lord through their most devastating season is inspiring. This book will help your heart believe that He sees, He knows, He cares, and He is still working miracles today! --Lysa TerKeurst, New York Times bestselling author and president of Proverbs 31 Ministries
