Monster Hunter International, Second Edition Larry Correia, 2015-05-13 Contains an all-new afterword by New York Times best-selling author Larry Correia! Welcome to Monster Hunter International. Five days after Owen Zastava Pitt pushed his insufferable boss out of a fourteenth story window, he woke up in the hospital with a scarred face, an unbelievable memory, and a job offer. It turns out that monsters are real. All the things from myth, legend, and B-movies are out there, waiting in the shadows. Officially secret, some of them are evil, and some are just hungry. On the other side are the people who kill monsters for a living. Monster Hunter International is the premier eradication company in the business. And now Owen is their newest recruit. It's actually a pretty sweet

gig, except for one little problem. An ancient entity known as the Cursed One has returned to settle a centuries old vendetta. Should the Cursed One succeed, it means the end of the world, and MHI is the only thing standing in his way. With the clock ticking towards Armageddon, Owen finds himself trapped between legions of undead minions, belligerent federal agents, a cryptic ghost who has taken up residence inside his head, and the cursed family of the woman he loves. Business is good . . . At the publisher's request, this title is sold without DRM (Digital Rights Management). Lexile Score: 710

Crisis On Infinite Earths Marv Wolfman, 2012-12-18 This is the story that changed the DC Universe forever. A mysterious being known as the Anti-Monitor has begun a crusade across time to bring about the end of all existence. As alternate Earths are systematically destroyed, the Monitor quickly assembles a team of super-heroes from across time and space to battle his counterpart and stop the destruction. DC's greatest heroes, including Superman, Batman, Wonder Woman, Green Lantern, and Aquaman, assemble to stop the menace, but as they watch both the Flash and Supergirl die in battle, they begin to wonder if even all of the heroes in the world can stop this destructive force. Collects CRISIS ON INFINITE EARTHS #1-12.

Dance With the Devil Sherrilyn Kenyon, 2010-04-01 Zarek's Point of View: Dark-Hunter: A soulless guardian who stands between mankind and those who would see mankind destroyed. Yeah, right. The only part of that Code of Honor I got was eternity and solitude. Insanity: A condition many say I suffer from after being alone for so long. But I don't suffer from my insanity-I enjoy every minute of it. Trust: I can't trust anyone...not even myself. The only thing I trust in is my ability to do the wrong thing in any situation and to hurt anyone who gets in my way. Truth: I endured a lifetime as a Roman slave, and 900 years as an exiled Dark-Hunter. Now I'm tired of enduring. I want the truth about what happened the night I was exiled-I have nothing to lose and everything to gain. Astrid (Greek, meaning star): An exceptional woman who can see straight to the truth. Brave and strong, she is a point of light in the darkness. She touches me and I tremble. She smiles and my cold heart shatters. Zarek: They say even the most damned man can be forgiven. I never believed that until the night Astrid opened her door to me and made this feral beast want to be human again. Made me want to love and be loved. But how can an ex-slave whose soul is owned by a Greek goddess ever dream of touching, let alone holding, a fiery star?

Oath of Vigilance James Wyatt, 2011-08-02 Following directly in the wake of The Temple of Yellow Skulls, our heroes face the totality of the destructive and pestilent forces presented by the Abyssal Plague. The disease of the liquid crystal Voidharrow spreads throughout the land, transforming unsuspecting creatures into plague demons. Shara, Uldane, and the unlikely drow hero Valmaggar join forces with Tempest and Rohgar from The Mark Of Nerath, and together they set out in search of the green dragon Vestapalk, or the creature Vestapalk has become--the patient zero of this abyssal plague. Meanwhile, Albanon and the mysterious cleric Kri Redshal--the last remaining member of the Order of Vigilance, an order dedicated to guarding the Voidharrow--go in search of answers to the

disease that sweeps the land. While their search takes them deep into the heart of the darkness that is enveloping the land, the answers they find are truly in need of new questions. As they become aware of the true scale of the tragedy at hand, they see the forces behind them are more powerful than they had ever dreamed, and perhaps more seductive.
