**Ask My Mood Ring How I Feel** Diana Lopez,2013-06-11 It's summer before eighth grade, and Erica Chia Montenegro is feeling so many things that she needs a mood ring to keep track of her emotions. She's happy when she hangs out with her best friends, the Robins. She's jealous that her genius little sister skipped two grades. And she's passionate about the crushes on her Boyfriend Wish list. And when Erica's mom is diagnosed with breast cancer, she feels worried and doesn't know what she can do to help. When her family visits a cuarto de milagros, a miracle room in a famous church, Erica decides to make a promesa to God in exchange for her mom's health. As her mom gets sicker, Erica quickly learns that juggling family, friends, school, and fulfilling a promesa is stressful, but with a little bit of hope and a lot of love, she just might be able to figure it out. Confetti Girl author Diana Lopez returns with this sweet, funny, and utterly honest story about being a girl in a world full of good (and bad) surprises.

But there is one thing to look forward to—a field trip to a local mood ring factory. On the day of the trip, the kids are soon bored with their tour and Gwen, Chloe, Tom, and Anthony decide to ditch the group. But lurking down corridors and little-used passageways is always a recipe for disaster, especially when they accidentally overhear a sinister plot by an evil ex-scientist who plans to steal a top-secret microchip from a government laboratory. When the friends try to tell someone of the villain's plans, nobody believes their story, and the four teens must take matters into their own hands. The clock is ticking, and the teens have to rely on their own resources and instincts to prevent the microchip from falling into the clutches of an international terrorist organization. Can the four friends stop the scientist before it's too late? For Gwen, Chloe, Tom, and Anthony, there's only one way to find out

Mood Ring Vicki Forde,2019-07-02 Love is the basis for all we feel. Every emotion we

have is an offspring of love. We hurt because we love, we laugh because we love, we cry because we love and have a need to be loved in return. For most of us it is an emotion so confusing and complex yet when we understand it truly, we will find it to be the simplest form of our expression. I believe there is a freedom in tapping into this miraculous emotion. This book shows an understanding of self with a knack for putting into words the emotional feel of happiness, sadness, heartache, joy and fear. I believe you will recognize some of what is written here and realize you are not alone.

**A Mutiny in Time (Infinity Ring, Book 1)** James Dashner, 2012-08-28 Scholastic's next multi-platform mega-event begins here! Recruited by the Hystorians, a secret society that dates back to Aristotle, the kids learn that history has gone disastrously off course. Now it's up to Dak, Sera, and teenage Hystorian-in-training Riq to travel back in time to fix the Great Breaks . . . and to save Dak's missing parents while they're at it. First stop: Spain, 1492, where a sailor named Christopher Columbus is about to be thrown overboard in a deadly mutiny!

Beth finds herself in an increasingly tense household, until one fateful night when she is accused of harming her youngest child. Teenager Danny is convinced that his mum is innocent. *Confetti Girl* Diana Lopez, 2009-06-01 Apolonia Lina Flores is a sock enthusiast, a volleyball player, a science lover, and a girl who's just looking for answers. Even though her house is crammed full of books (her dad's a bibliophile), she's having trouble figuring out some very big questions, like why her dad seems to care about books more than her, why

her best friend's divorced mom is obsessed with making cascarones (hollowed eggshells filled with colorful confetti), and, most of all, why her mom died last year. Like colors in cascarones, Lina's life is a rainbow of people, interests, and unexpected changes. In her first novel for young readers, Diana López creates a clever and honest story about a young Latina girl navigating growing pains in her South Texan city.

*The Hundred Penny Box* Sharon Bell Mathis, 2006-10-05 Michael loves his great-great-aunt Dew, even if she can't always remember his name. He especially loves to spend time with her and her beloved hundred penny box, listening to stories about each of the hundred years of her life. Michael's mother wants to throw out the battered old box that holds the pennies, but Michael understands that the box itself is as important to Aunt Dew as the memories it contains. Winner of a Newbery Honor, this beautiful story will be available in a collector's edition featuring heavy interior stock embossing and silver ink on the cover, and a thread-sewn binding for added durability. A timeless story of the relationship between a boy and his elderly relative, this new edition is one that families young and old will treasure for years to come.
