Moon Dancer Kathryn Kennedy,2017-08-11 In MOON DANCER, enter the landless planet of Sea Forest from BENEATH THE THIRTEEN MOONS, where love and betrayal can be deadly. In DISENCHANTED LOVER, enter the magical world of Victorian London from the RELICS OF MERLIN series, where passion always trumps enchantment. MOON DANCER: Tarov is a skilled dancer, wielding the deadly instruments crafted from the bones of a sea monster. Henel has stolen Tarov's man in the past, and now seems intent on not only taking Tarov's place as lead dancer, but her new lover too. Will Tarov lose everything to treachery? Or will the magic of Sea Forest help her find happiness? DISENCHANTED LOVER: When Lady Rose Cheevers impulsively casts a spell and brings her husband back from the grave, she's horrified to discover he's not the angel she thought. When she seeks out the roguish thief, Mister Drake Pann, to help rid her of the demon, she discovers a new passion for love that may have everything to do with enchantment...or nothing at all. "In Moon Dancer, Ms. Kennedy returns to the erotic, verdant world she created in her novel Beneath The Thirteen Moons. She is clearly comfortable returning to this setting as she easily slips the reader into the aquatic planet whose inhabitants worship the sea and live in massive trees. The result is a crisply told tale of love, jealousy and betrayal unfolding in a troupe of moon dancers, skilled performers of a beautiful and potentially deadly art form. Of course our heroine Tarov gets her man, but will she lose her identity in the process? Moon Dancer is one part sci-fi thriller, one part love story and one part Shakespearian drama, all wrapped tightly into a dense yet easy to read short story." —David Benz, Edgar-nominated author

Moon Dance Mariah Stewart,2010-11-16 Bestselling author Mariah Stewart shows her softer side in this endearing love story of two searching hearts... Georgia Enright has dedicated her life to dance. But at age twenty-six, her dreams of becoming a lead dancer are fleeting. Having missed college and the sweet moments of ordinary life, she ventures to Pumpkin Hill, an old farm owned by her newly found half-sister, Laura Bishop, to contemplate her future. There, discovering an affinity for the simple pleasures of country life and a barn just perfect for giving dance lessons, Georgia enjoys in oasis of peace...until Matthew Bishop shows up. An abandoned child taken in by the same loving parents who had adopted Laura, Matt Bishop has plans of his own for that empty old barn at Pumpkin Hill—plans that include a veterinary clinic, not a ballet studio! The only thing the rugged doctor resents more than Laura's interest in her birth family the Enrights, is having to share the premises with one. Yet despite himself, he can't deny there's something special about the graceful, blonde Enright who has brightened his world—and if he's not careful, she just may find a way to dance into his heart.
