Book One: Moon (The Dragon Prince #1) Aaron Ehasz, Melanie McGanney Ehasz, 2020-06-02 With their world on the brink of war, three young heroes from opposite sides of the conflict embark on a dangerous quest that could change everything. This beautiful book expands on the events of Season 1 of the hit Netflix show *The Dragon Prince*. WAR IS COMING . . . Four full moons past, humans crossed into the magical lands of Xadia and committed an unspeakable crime: They destroyed the only egg of the Dragon King and Queen. Now a young Moonshadow elf assassin has been sent on her first mission; she will make the humans pay for their heinous act. But before she can complete her task, she and two human princes make an astonishing discovery . . . a discovery that could change everything. And so the three reluctant allies set off in a desperate attempt to stop the coming war. Their journey won't be easy, but the trio soon learns that the most serious threat to their quest can't be fought with magic or physical strength. Can these young heroes overcome the longstanding hatred between humans and elves, and restore peace to their world? Written by Aaron Ehasz (co-creator of *The Dragon Prince* and head writer of *Avatar: The Last Airbender*) and Melanie McGanney Ehasz, this first canon novel based on the Netflix original series finally gives fans the full story.

protect her, she embarks on the terrible but crucial quest. Powerful enemies—menacing beasts with yellow tusks, red eyes, and powerful paws—seek to claim her pendant as their own at any cost. Through life-threatening circumstances, Selene must remember her mission before the lost ones perish in the sands. During a dream, Miss Jay learns of Selene's imprisonment by the red-eyed creatures. Miss Jay gathers the birds and Vargo the dragon for a daring rescue mission. Before they can hope to save the goddess, Miss Jay must travel to Shamballa to meet with Sanat Kumara and other ascended masters and then undergo her own transformation. What she learns at the temple of Selene's parents changes everything: many other goddesses—including Selene's mother, Vesta—are also missing. Equally troubling, she discovers that the sacred Rainbow Crystal Egg needed to help the Earth enter its next phase has been stolen. In the shadows, another force awakens. As soon as Selene placed the crystal heart around her neck, a signal was sent out across the cosmos. In response, the enigmatic Caretaker emerges from a long slumber. Who is this being? Can the heroes trust the Caretaker? Who will reach Selene first?

Pink Dragon Nathalye Carolina Moreno,2018-06-08 Pink Dragon This book celebrates and honors differences among individuals. Pink Dragon is itself a unique composition - it does not follow any specific or traditional formats, standards, or patterns for a novel. It is a distinct creation that will challenge your beliefs in the people and world around you. The grammar and formatting are unconventional to mirror the collision of two worlds - the real, filled with trauma and stress, and the idealistic Fantasyland. Pink Dragon herself wants to inform readers that traits that make you different should be cherished instead of blamed, and points out how many of us have been taught from a young age to hide our true selves so that we can better meet society's standards. Pink Dragon begins her journey of self-discovery after feeling trapped in a miserable relationship. She notes, Any time he turns his face to look at me, my whole pink body is back in the doghouse, trying desperately to show him how good I am. Pink Dragon wishes to improve her situation and decides to go down her own road, seeking adventure, confidence, and friendship. Along the way, she meets people who share their vastly different stories about life. She encounters Lunatic, who becomes her best friend, and together they go to Fantasyland to pursue their self-truths. Pink Dragon meets the Future and learns how to unleash the power of the present to free herself from the feelings that torment her. As a gift of advice, Future tells her, The collision between the past, the present, and who are you going to become is happening right now. Pink Dragon will encourage you to explore your own secrets and share your history.
