Pink Dragon Nathalye Carolina Moreno,2018-06-08
Pink Dragon This book celebrates and honors differences among individuals. Pink Dragon is itself a unique composition - it does not follow any specific or traditional formats, standards, or patterns for a novel. It is a distinct creation that will challenge your beliefs in the people and world around you. The grammar and formatting are unconventional to mirror the collision of two worlds - the real, filled with trauma and stress, and the idealistic Fantasyland. Pink Dragon herself wants to inform readers that traits that make you different should be cherished instead of blamed, and points out how many of us have been taught from a young age to hide our true selves so that we can better meet society's standards. Pink Dragon begins her journey of self-discovery after feeling trapped in a miserable relationship. She notes, Any time he turns his face to look at me, my whole pink body is back in the doghouse, trying desperately to show him how good I am. Pink Dragon wishes to improve her situation and decides to go down her own road, seeking adventure, confidence, and friendship. Along the way, she meets people who share their vastly different stories about life. She encounters Lunatic, who becomes her best friend, and together they go to Fantasyland to pursue their self-truths. Pink Dragon

meets the Future and learns how to unleash the power of the present to free herself from the feelings that torment her. As a gift of advice, Future tells her, The collision between the past, the present, and who are you going to become is happening right now. Pink Dragon will encourage you to explore your own secrets and share your history.

Seasons of the Moon Michael Carabetta, 2019-09-10 The perfect gift for moon and space enthusiasts, a collection of photographs and global folklore capturing Earth's only natural satellite. From Strawberry to Dragon, Harvest to Storm, the full moon is known by many names around the world and across the seasons, and each name

has a story behind it. This beautiful photographic celebration of our closest celestial neighbor captures the visual wonder and the connection we feel to the moon. Including three dozen folk names and short evocative explanations drawn from Native American, Inuit, Celtic, medieval English, Hindu, Chinese, Japanese, and pagan cultures, *Seasons of the Moon* presents an inspired visual pairing for each, taken in the month the folk name represents. This portrait of our eternal fascination with the moon is a welcome companion as we look to the sky throughout the seasons.

She must find a way to take Kai to the ancient haven of the dragons. Following cryptic clues left by the wise dragon, Danzi, Ping and Kai set off on a long and dangerous journey filled with old friends and new enemies. But the biggest surprise awaits them at the end of their travels, when Ping quickly learns that the hardest part of being a Dragon Keeper may be realizing when it's time to let go.
