Phantom Laundry Michael Tyrell, 2017-04-03 Michael Tyrell poems have appeared in many publications, including Agni, The Best American Poetry 2015, The Iowa Review, The New Republic, The New York Times, The Paris Review, Ploughshares, Verse Daily, and The Yale Review. His first collection, *The Wanted*, appeared in 2012 from the National Poetry Review Press. *Phantom Laundry* is his second poetry collection. "Wet and cold my country, where the softener seeps in but the powder burns still in washing tone." Through prose poems, found-verse collages, fractured short stories, and micro-fictions, Michael Tyrell's *Phantom Laundry* reveals an America caught in a ferocious cycle—fixed on apocalyptic omens and numbed by reruns and reality TV, but still inexorably drawn to the possibility of redemption and recovered purity: "Clean now, never been so clean. God died a useful thing." Running the gamut between fairy-tale characters and infamous killers, Hollywood icons and urban legends, *Phantom Laundry* also considers how the seemingly ordinary, apparently desolate life might be momentarily renewed thanks to the playful miracles of language: "What tenderness in smoothing over the delicacies, overalls and overnothing arguments." With this, his second collection, Tyrell continues to make a name for himself as a strikingly original poet whose work blends comic word-play with haunting gravitas.

Blame It On the Mistletoe Eli Easton, 2017 When physics grad student Fielding Monroe and skirt-chaser and football player Mick Colman become college housemates, they're both in for a whole new education. Mick looks out for the absent-minded genius, and he helps Fielding clean up his appearance and discover all the silly pleasures his strict upbringing as a child prodigy denied him. They become best friends. It's all well and good until they run into a cheerleader who calls Mick the 'best kisser on campus.' Fielding has never been kissed, and he decides Mick and only Mick can teach him how it's done. After all, the physics department's Christmas party is coming up with its dreaded mistletoe. Fielding wants to impress his peers and look cool for once in his life. The thing about Fielding is, once he locks onto an idea, it's almost impossible to get him to change his mind. And he just doesn't understand why his straight best friend would have a problem providing a little demonstration. Mick knows kissing is a dangerous game. If he gives in, it would take a miracle for the thing not to turn into a disaster. Then again, if the kissing lessons get out of hand they can always blame it on the mistletoe.

Finn no doubt saved Dave's life, but the race was on to try and save Finn's. Dave Wardell's heartfelt memoir charts an incredible journey of friendship and loyalty. It is a celebration of the bond between one man and his dog, from when Dave collected Finn from his kennels at just nine months old, all the way through to Finn's recent and hard-earned retirement.
