The Van Gogh Cafe Cynthia Rylant,2006-08-15 For use in schools and libraries only. The Van Gogh Cafe, located in Flowers, Kansas, has magic in its walls, causing strange and mysterious events to occur there.

One Magical Night (Butterbean's Cafe) Christy Webster,2020-07-07 Cricket believes the Glowberry Fairy will visit Butterbean's Cafe. Will her dreams come true? This full-color storybook features Nickelodeon's fantastic fairies: Butterbean, Cricket, Poppy, and Dazzle. The book also includes a glowing cover.

The Moon & Riddles Diner and the Sunnyside Cafe Nancy Willard,2001 In the spirit of her Newbery Medal-winning *A Visit to William Blake's Inn*, Nancy Willard chronicles the fantastic adventures of a wonderfully unexpected cast of characters.

Friday Night at Hodges' Cafe Tim Egan,1996-08-26 When three mean and hungry tigers disrupt Hodges' Cafe and its customers one Friday night, it's Hodges' crazy duck who saves the day.

Moonbeans and the Dream Cafe Annie Dalton,2012 Space-mad Jax has just moved to a new city and is finding it difficult to get settled. Her Mum is so busy struggling to open her dream-business, a yummy new café, that she doesn't seem to have realized that Jax feels lonely, and is desperately missing her dad, who died four years ago.

Cafe At The Edge Of The Moon Francesca Simon,2013-04-04 Early Readers are stepping stones from picture books to reading books. A blue Early Reader is perfect for sharing and reading together. A red Early Reader is the next step on your reading journey. Janey is fed up of being told what to do by her mum and dad. So she jets off to the cafe at the edge of the moon where she can do anything she likes - eating pudding first, splashing in puddles and racing a dinosaur.

The Van Gogh Cafe Cynthia Rylant,2006 The Van Gogh Cafe, located in Flowers, Kansas, has magic in its walls, causing strange and mysterious events to occur there.

Mouse Café ,1972 Thrown out by her selfish family when she becomes exhausted from overwork, Lollimops' fortunes change when she gets a job at the Mouse Café.

Madame Pamplemousse and the Time-Travelling Café Rupert Kingfisher,2009 In Paris there is a cafe, elegantly furnished with polished wooden tables and an awning of striped gold and green, whose walls are filled with drinks such as Green Fairy Liqueur, Mermaid Madeira and Red Devil Lemonade. And sitting on the bar is a large, silver, steam-powered espresso coffee machine. The cafe is owned by Monsieur Moutarde, and Monsieur Moutarde has made the most extraordinary discovery. With the help of his friend, Madame Pamplemousse, he has created a time travel machine (for that is what the espresso coffee machine is). Very special, highly flavoured, intense ingredients are fed into the machine where they are subatomically blended with quantum froth and space-time foam. The resulting liquid looks like a small black coffee - but in fact transports the drinker through time and space. But this is a dangerous invention. For who knows what would happen if it fell into the wrong hands? Before long Monsieur Moutarde, Madame Pamplemousse, her cat, Camembert, and her friend, Madeleine, are on the run through time and space to capture a TRex's freshly caught drool and rare sphinx's tears, the vital ingredients for a tonic that will both save them and revive the ailing spirit of Paris. A magical romp that will charm and delight. 'A feat in extraordinary imagination. A truly wonderful tale, in the style of the fabulously historical and nonsensical stories of yore, it will absolutely delight any reader intent on taking an unexpected trip - to fanciful literary satisfaction. Wonderful stuff.' - Australian Women Online 'A classic charm with the added excitement of time travel - and it's fabulously Parisian.' - Bookseller + Publisher 'Madame Pamplemousse and the Time-Travelling Cafe is an amazing book to read and I can't wait until the other books in the series come out!' - Rachel, age 10 (YARA review) Praise for Madame Pamplemousse and her Incredible Edibles- 'Think Amelie scripted by Heston Blumenthal' - Financial Times 'Enchanting debut ... witty, warm-hearted and as delectable as one of the dishes it describes, this is as much a hymn to the culinary arts as to the magic of kindness, and is recommended for 9s' - Amanda Craig, The Times 'A sophisticated book for sophisticated readers. Warmly recommended for librarians who need children as an excuse to buy the book' - School Librarian

Liberty Cafe Is Open Marcia Trimble,2007 A surprise birthday party on Miss Henny Penny's houseboat is the highlight of Alice Ann's vacation with Uncle Spurge.

The Beluga Cafe Jim Nollman,2002 Animal communication expert Jim Nollman has sung with orcas, plucked a Jew's harp in waters teeming with humpback whales, and shaken rattles in the company of bottlenose dolphins. Now, in this heartfelt and quirky true adventure story, Nollman and two artist friends set out for Canada's vast Mackenzie Delta, electric guitar and underwater sound equipment in tow, to make music with belugas--the elusive white whales of the Arctic. Traveling the expanses of this beautiful northern land, the three friends unwittingly find themselves at the center of a heated controversy over the Beaufort Sea belugas: Why have the whales stopped coming into the Mackenzie Delta, possibly jeopardizing their own calves, who live the first part of their lives in these shallow, warm waters? As they attempt to unravel the mystery, they encounter various intriguing characters now laying claim to the resources of the Mackenzie Delta region--Native people (who are allowed to hunt the whales), wildlife officials, and oil company engineers--all vividly described by Nollman. Along the way, he also conveys both the wonders and the realities of being deep in the wilderness--experiencing the connectedness of all living things while scratching the bites of the world's most fearsome mosquitos. With its rich and passionate nature writing evoking lovely and remote landscapes, *The Beluga Café* suggests profound metaphors for our time about animal rights and animal intelligence, the role of science in conservation, the politics of extinction, and the place of art in the epic struggle to save the natural world.

The Comic Cafe Roger Stevens,2012-10-23 Wilf and his family have moved to the seaside to start a new life by opening a run-down cafe. But for his parents it's all too much, and quite separately they decide to take a break from the family, not realising that the other has also left. So Wilf and his four younger sisters fend for themselves and decide to renovate the cafe as a surprise for their parents' return. But ghostly sounds in the house, a parade of oddball and inquisitive visitors and the mysterious links between the cafe's previous owner and the local art gallery complicate their efforts. As Wilf's superhero comic characters take shape on the cafe's walls, covering the fat ladies who previously decorated it, the children's attempts to hide their parentless state slowly unravel, leading to a dramatic turn of events on the day they open the cafe to the public. Packed with humorous characters and witty dialogue, this is a delightfully funny story with an intriguing mystery at its heart. By a well-known children's poet with huge experience of reading and writing with children, *The Comic Cafe* is an exciting and highly entertaining fiction debut that ranks alongside stories by Hilary McKay, Lemony Snickett and Anne Fine.
