Write My Name Justin Tonra,2020-09-02 *Write My Name: Authorship in the Poetry of Thomas Moore* is the first monograph devoted to Moore's poetry. The focus of the book is on Moore's poetry and differing formulations of authorship therein. Its

scope comprises poetic publications from Moore's early career, from his Romantic Orientalist writings, and from selected musical works, and political and satirical verse. It shares the strong historicist awareness of much previous scholarship on Moore, but combines this with a range of new and interdisciplinary contexts that are of increasing interest to scholarship in the twenty-first century, and which are rarely adopted as frameworks for viewing Moore's work: digital humanities, book history, legal history, and textual theory. Ultimately, the book argues for the value of attending to neglected aspects of Moore's work through analysis of his shifting modes of authorship and their various motivations

Monthly Catalog of United States Government Publications ,1966

Marianne Moore, Subversive Modernist Taffy Martin,2014-08-27 Myth and misconception have obstructed a clear understanding of the poetry and person of Marianne Moore. In this groundbreaking study, Taffy Martin delves beneath the layers of myth and recaptures the excitement that Moore's contemporaries, particularly William Carlos Williams, felt when they encountered her poetry. She reveals that, far from being a staunch upholder of Modernist order and stasis, Moore continually undermines the stability of her own medium, language. Unlike the writings of other Modernist poets, such as T. S. Eliot, who tried to create islands of order in the seas of twentieth-century fragmentation, Moore's work shows surprising awareness of that fragmentation. In this way, she anticipates the thematic preoccupation of

Postmodernist writers and critics. In Marianne Moore, *Subversive Modernist*, Taffy Martin combines traditional scholarship and contemporary critical theory to create a feminist reading of one of the twentieth century's most difficult poets. In so doing, she places Moore in the tradition of Modernism, defines Moore's quarrels with it, and thus produces a broader understanding of both the poet and the movement. Drawing on Moore's unpublished correspondence, her reading notebooks, and her workbooks, as well as feminist criticism's attention to writers who elude traditional critical approaches, this excellent study provides much-needed insights into the Modernism, life, and art of Marianne Moore.
