**The Mora** M.R. Graham, A murder. A betrayal. A war. Jadwiga Dąbrowska, dream-eater, wakes from her own murder in a bizarre mirror world, chained body and soul to a terrible being, the Shadow's Face. With no choice but to obey the Shadow, she must contend with forces outside her understanding, fighting in a war that will never end. Was her freedom a fair price for her life? Kim Reed spent years searching for a lost friend, but her search is interrupted by war. An ancient wizards' Circle is reaching for power, backed by black magic. With her own magic atrophied and her past making her an object of suspicion, she is not ready for politics, war, or spies manipulating her dreams. All she wants is her friend back, but the Rules of reality are breaking, and there are Shadows standing in her way.

Internationalizing Internet Studies Gerard Goggin,Mark McLelland,2010-04-15 This timely book offers a mapping of the Internet as it has developed and is used internationally, providing a lively and challenging examination of the Internet and Internet studies. There is much interest among scholars and researchers in understanding the place of the Internet in cultural, social, national, and regional settings. This is the first book-length account that not only provides a range of perspectives on the international Internet, but also explores the implications of such new knowledge and accounts for concepts, methods, and themes in Internet studies. Of special interest will be the book's fresh and up-to-date coverage of the Internet in perhaps the most dynamic region at present: Asia-Pacific.

**The International Recording Industries** Lee Marshall,2013 The recording industry has been a major focus of interest for cultural commentators throughout the twenty-first century. As the first major content industry to have its production and distribution patterns radically disturbed by the internet, the recording industry's content, attitudes and practices have regularly been under the microscope. Much of this discussion, however, is dominated by US and UK perspectives and assumes the 'the recording industry' to be a relatively static, homogeneous, entity. This book attempts to offer a broader, less Anglocentric and more dynamic understanding of the recording industry. Its starting premise is the idea that the recording industry is not one thing but is, rather, a series of recording industries, locally organised and locally focused, both structured by and structuring the international industry. Seven detailed case studies of different national recording industries illustrate this fact, each of them specifically chosen to provide a distinctive insight into the workings of the recording industry. The expert contributions to this book provide the reader with a sense of the history, structure and contemporary dynamics of the recording industry in these specific territories, and counteract the Anglo-American bias of coverage of the music industry. The International Recording Industries will be valuable to students and scholars of sociology, cultural studies, media studies, cultural economics and popular music studies.

**Don't Screw the Landlord-By L. J. Mora** L. Mora,2014-12-10 This is a true story. The adventures of being a Landlord are very trying. I have met all the crazy people out there. It must be Karma from the time my ex-boyfriend broke the toilet handle in my old apartment. He stood there staring at me with the silver handle in his hand,wondering what to do next.Well, that's easy; call my Landlord! While you're at it, tell him the kitchen faucet is broken. What a time for things to break down, on a Holiday.I never knew that a few years down the road that I would ever become a Landlord. One of my former tenants fell sick and decided to sleep on the floor. Another tenant walked around with band-aids on her nose and face. I could not look her straight in the eye without laughing out loud. Then, this sweet little old lady, accused me of stealing her dead husbands white umbrella. Nice little old lady, my eye! I was surprised she did not run after me with a knife. Then another tenant ran off with my house keys. Let me share my adventures with you as I take you down the road to madness of being a Landlord.
