Café Rendezvous Gerry Fraser Bryant,2022-05-23 Café Rendezvous is a mixture of romance and literary poetry and prose. From heart pounding encounters to reflections on things past, the words of author Gerry Fraser Bryant are mesmerizingly splendid. He wrote "Ode to Americans" in the days immediately following 9/11. A couple years later, he wrote "The Last Day" in remembrance of soldiers killed by roadside bombs. He wrote "The Sweet Music of Yesteryear" after attending his high school reunion in Visalia, California. Three imaginary letters are penned from Kitty to Anne Frank, and "The Best Feeling Is Before" pays homage to William Shakespeare's "Sonnet 129." For this literary collection by Bryant and other writers, settle in for a reading experience filled with emotion that brings both romantic rendezvous and current events into the realm of art never to be forgotten.

Allegro Roslyn Paterson,2012-08-15 *Allegro* continues the tale of Fiona and her European travels with Ellen, her marriage and answers the question: How do you remember love? In *Allegro*, Fiona has come out of her coma but remains stuck in the past and the duality of marriage and love. Fiona is forced to reconcile the memories and love for the husband in her heart with the one in her memories. As she continues to recall her love(s), we are reminded that no matter the time period nor changes in society, love is a constant, especially in our memories. There is always a time, a place, and a chance to love. Do you, remember, love?

With a Little Help from Our Friends Beth Baker,2014-05-05 In this book, an award-winning journalist tells the story of people devising innovative ways to live as they approach retirement, options that ensure they are surrounded by a circle of friends, family, and neighbors. Based on visits and interviews at many communities around the country, Beth Baker weaves a rich tapestry of grassroots alternatives, some of them surprisingly affordable: • a mobile home cooperative in small-town Oregon • a senior artists colony in Los Angeles • neighbors helping neighbors in Villages or naturally occurring retirement communities • intentional cohousing communities • best friends moving in together • multigenerational families that balance togetherness and privacy • niche communities including such diverse groups as retired postal workers, gays and lesbians, and Zen Buddhists Drawing on new research showing the importance of social support to healthy aging and the risks associated with loneliness and isolation, the author encourages the reader to plan for a future with strong connections. Baker explores whether individuals in declining health can really stay rooted in their communities through the end of life and concludes by examining the challenge of expanding the home-care workforce and the potential of new technologies like webcams and assistive robots. This book is the recipient of the annual Norman L. and Roselea J. Goldberg Prize for the best project in the area of medicine.

Death at the Day Lily Cafe Wendy Sand Eckel,2016-07-26 Rosalie Hart has finally opened the café of her dreams. Decked out with ochre-tinted walls and stuffed with delicious organic fare, the Day Lily Café is everything Rosalie could have hoped for. But not five minutes into the grand opening, Doris Bird, a dear and trusted friend, cashes in on a favor--to help clear her little sister Lori of a first degree murder charge. With the help of her best friend and head waiter Glenn, Rosalie is on the case. But it's not going to be easy. Unlikable and provocative, murder victim Carl James Fiddler seems to have insulted nearly everyone in town, and the suspect list grows daily. And when Rosalie's daughter Annie gets caught in the crossfire, the search for the killer becomes personal in this charming cozy perfect for fans of Diane Mott Davidson and Joanne Fluke.

Beyond Love and Work Lenore Terr,2000 When adults think about recreation, they all too often focus on regimented workouts at the gym or a weekend at luxury spa. In this insightful new book Dr. Lenore Terr demonstrates that adults can clear their minds, recapture the optimism of youth and measurably improve the psychological quality of their adult lives by learning to play with the abandon they experienced as children. Terr points out the links between childhood games and adult activities and explains how play can become a natural part of everyday life. In an easy-going, fully accessible style, BEYOND LOVE AND WORK gives readers an exciting new perspective on the game of life and an unique play-book that will help them come out winners.

Café Passion Ellé Bell,2013-09-23 There he was, and I saw him- dark, rich, handsome-standing so close, leaning into me against the bathroom door. His dreamy gaze met mine,

and he flashed an irresistible smile. He took my breath away, and my goodness smelled so good. I breathed him in Coffee, I gasped, Where have you been? I have been waiting for you. He leaned even closer to me; I felt his steamy breath caress my neck. This book is actually a love manuscript. An incredible, against-the-odds love story of the two most unsuspecting of lovers my coffee and me. From that innocent first luring glance when our eyes met, our romantic adventures, sensual encounters and every thought and feeling in between is a part of this home spun love tapestry. Coffee lovers everywhere will relate, and eventually I dream we all may be part of a global coffee love movement. Go ahead, indulge. Enjoy each passage and savor each luscious coffee love moment right down to the very last drop!

A Street Café Named Desire R J Gould, 2014-03-21 David has two aims in life, to have a relationship with Bridget and to open an arts café. A short while after David's wife walks out on him, he joins a twenty-five-year school reunion. On meeting Bridget that night, he develops a teenagesque infatuation, and in her calmer way, she rather likes him. Between them there is a cartload of baggage to deal with - a demanding soon to be ex-wife; a deceased husband under suspicious circumstances; a tyrannical boss; unwelcome encounters with the police; and children resistant to the concept of 'step-parent'. And then there's the café. How can a well-paid accountant with two children to support chuck it all in to follow his dream? If you like fiction that is both humorous and bursting with home truths, then you're sure to enjoy *A Street Café Named Desire*. 'A story about trust, resilience, forgiveness and fresh starts, narrated with humour and insight.' 'The author writes with a wry wit and creates characters with depth who we care about.' 'The story is a familiar one, but it is told with humour, humility and humanity and at the end I was left feeling hopeful and satisfied.'

Lovely Rita's Cafe Mary Wild, 2010-09-21 After reading "Lovely Rita's Café" I felt young again, like time stood still. The people, the places, and the experiences were so familiar. It resurrected memories that I thought I had lost in the haze of the 70's. Anyone who grew up in this unique time will find this book fresh, funny, and so very real. Whether you are a frisbee enthusiast or just curious about the free spirit, groovy lifestyle that surfaced in so many small towns all over America, you will thoroughly enjoy this read, BUT NO WAY WOULD I LET MY CHILDREN READ IT! -Julie Webber, Author's College Roommate I think Ms. Wild has uniquely captured the feel and essence of a special time, bringing to life a singular culture in a way that everyone can connect with. As young men and women we all have that special group that comes to identify us in a time and a place, those experiences that define us and make us what we are. Her concise prose and touching insights into the life and exploits of Rita VanKamp immediately transport me to a self I too often forget, reminding me of all those things I did and overcame and that are part of what I am. We can all benefit from a story like this, smiling memories beyond thirty second solutions. You didn't have to be part of the frisbee culture to enjoy this hilarious and touching story. I think anyone who reads "Lovely Rita's Café" will be renewed again. Afterward a smile will come to their face when they see a young person going off to school or struggling to make their way in this complicated world we live in. -Peter Stravlo, Smoklahoman Freestyle Team
