The Impossible Will Take a Little While Paul Loeb, 2014-04-29 In The Impossible Will Take a Little While, a phrase borrowed from Billie Holliday, the editor of Soul of a Citizen brings together fifty stories and essays that range across nations, eras, wars, and political movements. Danusha Goska, an Indiana activist with a paralyzing physical disability, writes about overcoming political immobilization, drawing on her history with the Peace Corps and Mother Teresa. Vaclav Havel, the former president of the Czech Republic, finds value in seemingly doomed or futile actions taken by oppressed peoples. Rosemarie Freeney Harding recalls the music that sustained the civil rights movement, and Paxus Calta-Star recounts the powerful vignette of an 18-year-old who launched the overthrow of Bulgaria's dictatorship. Many of the essays are new, others classic works that continue to inspire. Together, these writers explore a path of heartfelt community involvement that leads beyond despair to compassion and hope. The voices collected in The Impossible Will Take a Little While will help keep us all working for a better world despite the obstacles.

**A Greater Democracy Day by Day** Sally Mahe, Kathy Covert, 2004 The word democracy has been over-used and misused to the point it has begun to lose its meaning for many of us. When people start brandishing that word, we often suspect that they have a political agenda. A Greater Democracy Day by Day rehabilitates the word by bringing together 365 thought-provoking quotes from around the world and through time, all centered on this concept that is the keystone of modern society. The book presents a theme for each month and a quote about that theme to ponder on each day of the year. Like fingers pointing to the moon, these diverse daily readings point to the singular essence of democracy -- a greater democracy than any nation on earth has been able to achieve thus far -- the fuller democracy toward which we are growing. The format is user-friendly as well as inspirational. Throughout the year, the book focuses on twelve characteristic democratic themes such as interdependence or creativity and provides related quotations from individuals both famous and lesser-known. What emerges is a powerful sense of both the fragility and the durability of democracy in its many forms, as well as the ways its promise continues to prompt ordinary people to bring the angels of their better nature to the challenges they face. Quoted are such diverse figures as Albert Einstein, Martin Luther King, Jr., Plato, Franklin Delano Roosevelt, Socrates, Archbishop Desmond Tutu, St. Francis of Assisi, Bruce Springsteen, Leonard Cohen, Whoopi Goldberg, and all sort of less well-known individuals who have given thought and voice to the meaning of democracy (and in many cases acted on their ideals). This inspirational book cuts through the rhetoric to integrate practical spiritual themes. It re-infuses democracy with meaning and inspires readers to new vision and positive action.

Changing Forest Dennis Potter, 2015-03-19 Dennis Potter was born and brought up in the Forest of Dean— a 'strange and beautiful place', as he described it in the last interview before his death, 'rather ugly villages in beautiful landscape, a heart-shaped place between two rivers, somehow slightly cut off from the rest of England... with a people as warm as anywhere else, but they seemed warmer to me.' It was a childhood which informed all his television work, from his first documentary to such classic dramas as *The Singing Detective*. *The Changing Forest*, first published in 1962, is Potter's deeply personal study of that small area— its people, traditions, ceremonies and institutions— at a time of profound cultural and social change in the late 1950s and early '60s. With extraordinary precision and feeling he describes the fabric of a world whose old ways are yielding to the new: habits altering; expectations growing; work, leisure, language itself changing under the impact of the new television, of commercial jingles and the early Elvis. And, with powerful sympathy and wit, he asks whether the gains of modernity have, for the individuals and society he so marvellously evokes, been worth the loss. Part autobiography of one of this century's greatest writers, part elegy for a vanishing way of life, part testament to the abiding humanity that underlies all Potter's work, this exquisite, passionate and brilliant book is a classic of its kind.

*Swann's Way (International Student Edition) (Norton Critical Editions)*  
Marcel Proust, 2016-04-04 In its centennial year, Marcel Proust's masterpiece of literary imagination is available in a Norton Critical Edition. Marcel Proust's seven-volume masterpiece, *In Search of Lost Time* (*A la recherche du temps perdu*), has inspired many superlatives, among them "the greatest novel ever written" and "the greatest novel of the first half of the twentieth century." *Swann's Way*, the first volume of the *Recherche* and the most widely read and taught of all the volumes, is the ideal introduction to Proust's inventive genius. This Norton Critical Edition is based on C. K. Scott Moncrieff's translation, which introduced the English-speaking world to Proust and was published during the author's lifetime. It is accompanied by Susanna Lee's introduction, note on the text, and explanatory annotations. Marcel Proust was forty-two years old when *Swann's Way* was published, but its foundational ideas and general shape had been evolving for decades. "Contexts" includes a 1912 reader's report of the manuscript that exemplifies publishers' complicated reactions to Proust's new form of writing. Also included are three important post-publication reviews of the novel, by Elie-Joseph Bois, Lucien Daudet, and Paul Souday, as well as André Arnyvelde's 1913 interview with Proust. The fourteen critical essays and interpretations of *Swann's Way* in this volume speak to the novel's many facets—from the musical to the artistic to its representations of Judaism and homosexuality. Contributors include Gérard Genette, whose "Metonymy in Proust" appears here in English translation for the first time, along with Gilles Deleuze, Roger Shattuck, Claudia Brodsky, Julia Kristeva, Margaret E. Gray, and Alain de Botton, among others. The edition also includes a Chronology of Proust's Life and Work, a Selected Chronology of French Literature from 1870 to 1929, and a Selected Bibliography.
