Norman E. Rosenthal

Snow on the Tulips Liz Tolsma, 2013-08-13 A stranger's life hangs in the balance. But to save him is to risk everything. The war is drawing to a close, but the Nazis still occupy part of the Netherlands. After the losses she's endured, war widow Cornelia is only a shadow of the woman she once was. She fights now to protect her younger brother, Johan, who lives in hiding. When Johan brings Gerrit Laninga, a wounded Dutch Resistance member, to Cornelia's doorstep, their lives are forever altered. Although scared of the consequences of harboring a wanted man, Cornelia's faith won't let her turn him out. As she nurses Gerrit back to health, she is drawn to his fierce passion and ideals, and notices a shift within herself. Gerrit's intensity challenges her, making her want to live fully, despite the fear that constrains her. When the opportunity to join him in the Resistance presents itself, Cornelia must summon every ounce of courage imaginable. She is as terrified of loving Gerrit as she is of losing him. But as the winter landscape thaws, so too does her heart. Will she get a second chance at true love? She fears their story will end before it even begins.

Journey through Jerusalem with No Hands Janet

Penney,2013-11 Through a traumatizing event, both of my wrists were completely shattered-with just three weeks left before I was to board a jumbo jet and fly across the world to Israel. Would I still go? The invitation had been given, with all expenses divinely paid. Surely I could not go the distance alone in this broken condition. Destiny called my name, and I had to answer. Despite every obstacle that stood in my way, I embarked on a remarkable journey through Jerusalem with no hands. This story chronicles a concentrated snapshot of two consecutive years of my life. It encompasses the time just before I went to Israel, all that transpired while I was there, and more life-changing events that occurred after my return. The holistic healing of my spirit, soul, and body is nothing short of a miracle.

Portrait of a Prospector Edward Schieffelin, 2017-11-09

Edward “Ed” Schieffelin (1847–1897) was the epitome of the American frontiersman. A former Indian scout, he discovered what would become known as the legendary Tombstone, Arizona, silver lode in 1877. His search for wealth followed a path well-trod by thousands who journeyed west in the mid to late nineteenth century to try their luck in mining country. But unlike typical prospectors who spent decades futilely panning for gold, Schieffelin

led an epic life of wealth and adventure. In *Portrait of a Prospector*, historian R. Bruce Craig pieces together the colorful memoirs and oral histories of this singular individual to tell Schieffelin's story in his own words. Craig places the prospector's family background and times into context in an engaging introduction, then opens Schieffelin's story with the frontiersman's accounts of his first prospecting attempts at ten years old, his flight from home at twelve to search for gold, and his initial wanderings in California, Nevada, and Utah. In direct, unsentimental prose, Schieffelin describes his expedition into Arizona Territory, where army scouts assured him that he "would find no rock . . . but his own tombstone." Unlike many prospectors who simply panned for gold, Schieffelin took on wealthy partners who invested the enormous funds needed for hard rock mining. He and his co-investors in the Tombstone claim became millionaires. Restless in his newfound life of wealth and leisure, Schieffelin soon returned to exploration. Upon his early death in Oregon he left behind a new strike, the location of which remains a mystery. Collecting the words of an exceptional figure who embodied the western frontier, Craig offers readers insight into the mentality of prospector-adventurers during an age of discovery and of limitless potential. *Portrait of a*

Prospector is highly recommended for undergraduate western history survey courses.

Snow on the Desert Ben Kraieski, 2013-12 The Turner family, headed by Jessup Paul Turner, is a power force in the country. The family is obsessed with the preservation of its heritage and dynasty, but is cursed with marriages that produce a single male heir each generation. Jessup Paul Turner's wife produces an heir. Unfortunately, the heir is a girl. The girl, Debra, while in college, falls in love with a Black student. They marry against family wishes and she becomes pregnant, unacceptable for the Turner dynasty preservation. Turner determines that the child must be killed to preserve the Turner lineage. Turner sends men, led by his personal bodyguard, to kill the baby. The bodyguard, in love with Debra, kills the hit men instead. The young child is precocious and as he matures, believes himself to be the son of God. He attracts a large following, called the Jessupites. Turner, now with a male heir, as a result of a relationship with a prostitute, is determined, now more than ever, to have the Black boy killed. He puts into motion a plan to kill the Black Prophet.

Cover of Snow Jenny Milchman, 2013-01-15 WINNER OF THE MARY HIGGINS CLARK AWARD Jenny Milchman's *Cover of Snow* is a remarkable debut, a gripping tale of suspense in the tradition of Gillian Flynn, Chris Bohjalian, and Nancy Pickard. Waking up one wintry morning in her old farmhouse nestled in the Adirondack Mountains of New York, Nora Hamilton instantly knows that something is wrong. When her fog of sleep clears, she finds her world is suddenly, irretrievably shattered: Her husband, Brendan, has committed suicide. The first few hours following Nora's devastating discovery pass for her in a blur of numbness

and disbelief. Then, a disturbing awareness slowly settles in: Brendan left no note and gave no indication that he was contemplating taking his own life. Why would a rock-solid police officer with unwavering affection for his wife, job, and quaint hometown suddenly choose to end it all? Having spent a lifetime avoiding hard truths, Nora must now start facing them. Unraveling her late husband's final days, Nora searches for an explanation—but finds a bewildering resistance from Brendan's best friend and partner, his fellow police officers, and his brittle mother. It quickly becomes clear to Nora that she is asking questions no one wants to answer. For beneath the soft cover of snow lies a powerful conspiracy that will stop at nothing to keep its presence unknown . . . and its darkest secrets hidden. Praise for *Cover of Snow* “Well-defined characters take us on an emotional roller-coaster ride through the darkest night, with blinding twists and occasionally fatal turns. This is a richly woven story that not only looks at the devastating effects of suicide but also examines life in a small town and explores the complexity of marriage. Fans of Nancy Pickard, Margaret Maron, and C. J. Box will be delighted to find this new author.”—Booklist (starred review) “Milchman reveals an intimate knowledge of the psychology of grief, along with a

painterly gift for converting frozen feelings into scenes of a forbidding winter landscape.”—The New York Times “Milchman makes [readers] feel the chill right down to their bones and casts a particularly effective mood in this stylish thriller.”—Kirkus Reviews “Milchman tackles small-town angst where evil can simmer under the surface with a breathless energy and a feel for realistic characters.”—The Seattle Times “The plot unfolds at an excellent clip . . . ultimately rushing headlong to a series of startling revelations.”—San Francisco Journal of Books “Milchman expertly conveys Nora’s grief in a way that will warm hearts even in the dead of a Wedeskyull winter.”—Publishers Weekly (starred review)

How to Live Forever Barry Burnett, 2011 Meet David Black, a young family doc whose solo practice has spectacularly tanked. So has his marriage; the two are not unrelated. His best friend, Oz, wants him to reinvent himself, offering their fellow Boulderites everything they need to live forever (or at least long enough for Oz to profit and retire). David balks. At first. What follows is a romp of a read, a comedy with heart - from the characters who staff the new clinic to pursuit by pheromone-crazed wildlife, a real live cliff-hanger, and the love that, in the end, might just save him. Visit the exotic New-Age mecca of Boulder, Colorado, and get to know-- David, hapless idealist and reluctant hero, Junie Blanche, Ph.D. candidate and New Orleans immigrant, Oz Garcia, entrepreneur and Master of Bad Habits, Shriana, organic beauty and trophy wife aspirant, Don Gilmore, hypochondriac and hemp magnate, Cyrus P. Flint, slowly expiring longevity scientist, Miss Paula and Dr. Biggs, fearsomely muscular HGH hawkers, Beatriz Hanacanuolipalipalulu, Kava Kava smuggler.....and, of course, the happy but complicated staff of the Forever Clinic: Dr. Quinn Quinn, former health guru and cross-dressing fugitive, Nancy Ouveustrasser, lonely masseuse and closet intellectual, Adeline and Thomas Thinna, starving diet & fitness pros, and Howie Krishna,

Yogitation instructor and actual Real Thing.(Warning: while many local statutes prohibit the sale of How To Live Forever as a wellness and longevity guide, there remains a modest danger that the reader might inadvertently absorb one if not more aspects of its radically nonradical 'Reasonable Approach to Semi-Optimal Health'.)

Pages of Life Angelika Siska, 2017-06-29 The author has kept a diary of her daily activities for a year, often interspersed with memories and retrospection. This is the backdrop to a fascinating insight into her life, structured by her annual travels from the Allgaeu in Germany via Iceland and Kentucky to her winter residence in the Bahamas and then onwards to the North German Coast in the spring. The book is also a family portrait starting with the consequences of the First World War and leading to the present day. The diary offers descriptions of the painter's artistic process as well as impressions of nature and landscape from Kentucky, the Bahamas, Iceland and the other places the author inhabits throughout the year. It tells about important friendships and family relationships that are kept alive despite long distances. The author shares her thoughts on the politics of the day as well as historical background of the different countries visited. This

includes, for example, the eruption of Eyjafjallajökull in Iceland, which her daughter witnessed from her kitchen window. Presented in an enjoyable way, all these experiences, contemporary and past alike, result in a rich image of family history and, last but not least, provide a segment of German history.

The Wonders of the Invisible World David Gates,2010-09-29

The author of the highly acclaimed novels Jernigan (Pulitzer Prize Finalist) and Preston Falls (National Book Critics Circle Award Finalist) offers up a mordantly funny collection of short stories about the faulty bargains we make with ourselves to continue the high-wire act of living meaningful lives in late twentieth-century America. Populated by highly educated men and women in combat with one another, with substance abuse, and above all with their own relentless self-awareness, the stories in *The Wonders of the Invisible World* take place in and around New York City, and put urbanism into uneasy conflict with a fleeting dream of rural happiness. Written with style and ferocious black humor, they confirm David Gates as one of the best-and funniest-writers of our time.
