**Why Moats Matter** Heather Brilliant,Elizabeth Collins,2014-06-24 Incorporate economic moat analysis for profitable investing Why Moats Matter is a comprehensive guide to finding great companies with economic moats, or competitive advantages. This book explains the investment approach used by Morningstar, Inc., and includes a free trial to Morningstar's Research. Economic moats--or sustainable competitive advantages--protect companies from competitors. Legendary investor Warren Buffett devised the economic moat concept. Morningstar has made it the foundation of a successful stock-investing philosophy. Morningstar views investing in the most fundamental sense: For Morningstar, investing is about holding shares in great businesses for long periods of time. How can investors tell a great business from a poor one? A great business can fend off competition and earn high returns on capital for many years to come. The key to finding these great companies is identifying economic moats that stem from at least one of five sources of competitive advantage--cost advantage, intangible assets, switching costs, efficient scale, and network effect. Each source is explored in depth throughout this book. Even better than finding a great business is finding one at a great price. The stock market affords virtually unlimited opportunities to track prices and buy or sell securities at any hour of the day or night. But looking past that noise and understanding the value of a business's underlying cash flows is the key to successful long-term investing. When investors focus on a company's fundamental value relative to its stock price, and not where the stock price sits today versus a month ago, a day ago, or five minutes ago, investors start to think like owners, not traders. And thinking like an owner will make readers better investors. The book provides a fundamental framework for successful long-term investing. The book helps investors answer two key questions: How can investors identify a great business, and when should investors buy that business to maximize return? Using fundamental moat and valuation analysis has led to superior risk-adjusted returns and made Morningstar analysts some of the industry's top stock-pickers. In this book, Morningstar shares the ins and outs of its moat-driven investment philosophy, which readers can use to identify great stock picks for their own portfolios.

**Morning Star** Pierce Brown, 2016-02-09 #1 NEW YORK TIMES BESTSELLER • Red Rising thrilled readers and announced the presence of a talented new author. Golden Son changed the game and took the story of Darrow to the next level. Now comes the exhilarating next chapter in the Red Rising Saga: Morning Star. ITW THRILLER AWARD FINALIST • “[Brown’s] achievement is in creating an uncomfortably familiar world of flaw, fear, and promise.”—Entertainment Weekly Darrow would have lived in peace, but his enemies brought him war. The Gold overlords demanded his obedience, hanged his wife, and enslaved his people. But Darrow is determined to fight back. Risking everything to transform himself and breach Gold society, Darrow has battled to survive the cutthroat rivalries that breed Society’s mightiest warriors, climbed the ranks, and waited patiently to unleash the revolution that will tear the hierarchy apart from within. Finally, the time has come. But devotion to honor and hunger for vengeance run deep on both sides. Darrow and his comrades-in-arms face powerful enemies without scruple or mercy. Among them are some Darrow once considered friends. To win, Darrow will need to inspire those shackled in darkness to break their chains, unmake the world their cruel masters have built, and claim a destiny too long denied—and too glorious to surrender. Praise for Morning Star “There is no one writing today who does shameless, Michael Bay–style action set pieces the way Brown does. The battle scenes are kinetic, bloody, breathless, crazy. Everything is on fire all the time.”—NPR “Morning Star is this trilogy’s Return of the Jedi. . . . The impactful battles that make up most of Morning Star are damn near operatic. . . . It absolutely satisfies.”—Tordotcom “Excellent . . . Brown’s vivid, first-person prose puts the reader right at the forefront of impassioned speeches, broken families, and engaging battle scenes . . . as this interstellar civil war comes to a most satisfying conclusion.”—Publishers Weekly (starred review) “A page-turning epic filled with twists and turns . . . The conclusion to Brown’s saga is simply stellar.”—Booklist (starred review) Don’t miss any of Pierce Brown’s Red Rising Saga: RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE • LIGHT BRINGER
