**Evangelical Worship** Melanie C. Ross, 2021-09-17 Say the words evangelical worship to anyone in the United States -- even if they are not particularly religious -- and a picture will likely spring to mind unbidden: a mass of white, middle-class worshippers with eyes closed, faces tilted upward, and hands raised to the sky. Yet despite the centrality of this image, many scholars have underestimated evangelical worship as little more than a manipulative effort to arouse devotional exhilaration. It is frequently dismissed as a reiteration of nineteenth-century revivalism or a derivative imitation of secular entertainment -- three Christian rock songs and a spiritual TED talk. But by failing to engage this worship seriously, we miss vital insights into a form of Protestantism that exerts widespread influence in the United States and around the world. *Evangelical Worship* offers a new way forward in the study of American evangelical Christianity. Weaving together insights from American religious history and liturgical studies, and drawing on extensive fieldwork in seven congregations, Melanie C. Ross brings contemporary evangelical worship to life. She argues that corporate worship is not a peripheral extra tacked on to a fully-formed spiritual, political, and cultural movement, but rather the crucible through which congregations forge, argue over, and enact their unique contributions to the American mosaic known as evangelicalism.

*Worship Across the Racial Divide* Gerardo Marti, 2017-12-15 Marti draws on interviews with more than 170 congregational leaders and parishioners, as well as his experiences participating in worship services in a variety of Protestant multiracial Southern Californian churches, to present this study of the role of music in creating and sustaining congregational diversity.

**Mosaics: Organ Music for Worship and Concert**, 2019-09 This collection gathers together a number of unpublished organ solos from across Lawrence P. Schreiber's long career as a church musician and organist. The varied pieces include several short hymn settings, an extended fantasia on spirituals, an homage to Jean Langlais, and other offerings. Schreiber's colorful style results in music that will make a strong impression in any service or recital.

**Christmas Mosaic** Marty Parks, 2009-03-02 Christmas Mosaic is a touching musical portrait of the very essence of Christmas, the wonder of Christ's incarnation, the mystery of His being, expressed in song.

**Leading a Healthy Multi-Ethnic Church** Mark DeYmaz, Harry Li, 2013-05-16 Increasingly, church leaders are recognizing the power and beauty of the multi-ethnic church. Yet, more than a good idea, it's a biblical, first-century standard with far-reaching evangelistic potential. How can your church overcome the obstacles to become a healthy multi-ethnic community of faith? And why should you even try? In *Leading a Healthy Multi-Ethnic Church* (formerly titled *Ethnic Blends*), Dr. Mark DeYmaz provides an up-close-and-personal look at seven common challenges to creating diversity in your church. Through real-life stories and practical illustrations, DeYmaz shows how to overcome the obstacles in order to lead a healthy multi-ethnic church. He also includes the insights of other effective multi-ethnic church leaders from the United States and Australia, as well as study questions at the end of each chapter. *Leading a Healthy Multi-Ethnic Church* describes what effective local churches in the 21st century will look like and shows us how to create them, together as one, beyond race and class distinctions. --Miles McPherson, Senior Pastor, The Rock Church, San Diego, CA Mark DeYmaz, perhaps more than any pastor in America, has his pulse on what it will take for the Church to find real reconciliation in our generation. --Matt Carter, Lead Pastor, Austin Stone Community Church, Austin, TX

**God's Word the Final Word on Worship and Music** Dean Kurtz, 2008-07 Are you passionate to know what the Bible says about worship and music? Confused by the myriad voices trumpeting their opinions about worship and music? This book not only gives you a Genesis to Revelation concordance of passages dealing with worship and music but also explores many texts critical for

the church today. Practical and heartfelt applications from a pastor's heart punctuate the book, always with an eye to the final authority, the inspired Word of God. What saith the Scriptures? Many preferences and opinions have been expressed, but the important source has not always been considered. Dr. Kurtz makes clear principles and patterns of music in worship that we need to make basic and should keep primary as we endeavor to honor God. - Dr. Warren Vanhetloo, Retired Seminary Dean It is with great joy and excitement that I heartily recommend Brother Dean Kurtz's book to all pastors and musicians! We have been longing for, desperately needing an exegetical study of music and worship from the Word of God. You will find his insights right on target, his theological perspectives sound and his musical expertise encouraging. Your heart will be blessed. - Dr. Robert Loggans, Senior Pastor, Calvary Baptist Church, Watertown, WI Dean Kurtz, (BS Music Education; BS Bible; MA Sacred Music; Doctor of Ministry) has been passionate to communicate the Word about worship and music for over twenty-five years. His heart for ministry has taken him to classrooms and churches on five continents teaching and preaching to elementary students through seminarians. After twenty-five years at Calvary Baptist Church, Lansdale, PA, Pastor Dean currently serves Calvary Baptist Church, Watertown, WI. He also teaches as adjunct professor at Maranatha Baptist Bible College. He and his wife Brenda have two daughters. **Worship Together in Your Church as in Heaven** Josh Davis, Nikki Lerner, 2015-04-21

Worship Together in Your Church as in Heaven is a practical and foundational resource for pastors and worship leaders of all kinds. It addresses an urgent need in the church today: as our communities become increasingly diverse, how can we offer worship that is authentic and engaging for all of God's people, including longtime church members? The authors offer an empathetic, step-by-step approach, providing readers with knowledge, skills, and strategies to successfully introduce inclusive, multicultural worship in any setting. Davis and Lerner are expert practitioners and pioneers who invite us to break new ground with them, making worship that more closely reflects God's kingdom on earth as it is in heaven. "Multicultural is more than a buzzword. It is God's desire for the church. Davis and Lerner's practical approach shows us how to truly reflect God's multicultural kingdom in worship."—Rosario Picardo, Executive Pastor of New Church Development, Ginghamburg Church, Tipp City, OH "This is an essential and practical guide that every worship leader, pastor, and church leader needs to read, learn, digest, and practice." —James R. Hart, President, Robert E. Webber Institute for Worship Studies, Orange Park, FL "Lerner and Davis's superb book is a practical resource for connection and community-building in any environment." —Lance Winkler, Director of Contemporary Worship, The United Methodist Church of the Resurrection, Leawood, KS "Worship Together in Your Church as in Heaven offers a wealth of good theology, encouraging case studies, life-tested models, and strategies for developing multicultural worship in all kinds of communities. We've been waiting a long time for this book!" —Robin P. Harris, President, International Council of Ethnodoxologists; Director, Center for Excellence in World Arts "Worship Together in Your Church as in Heaven will help you identify the critical questions, take intentional steps, and promote a spirit of inclusion in your church. Your worship will reflect God's love for all people, not just one kind of people, in an increasingly diverse society." —Mark DeYmaz, Lead Pastor, Mosaic Church of Central Arkansas; author of *Leading a Healthy Multi-Ethnic Church*

**Evangelical Worship** Melanie C. Ross, 2021 Almost invariably, media stories with the word

evangelical in their headlines are accompanied by a familiar stock photo: a mass of middle-class worshippers with eyes closed, faces tilted upward, and hands raised to the sky. Yet, despite the fact that worship has become symbolic of evangelicalism's identity in the twenty-first century, it remains an understudied locus of academic inquiry. Historians of American evangelicalism tend to define the movement by its political entanglements (the rise of the religious Right), and academic trajectories (the formation of the evangelical mind), not its ecclesial practices. Theological scholars frequently dismiss evangelical worship as a reiteration of nineteenth-century revivalism or a derivative imitation of secular entertainment (three Christian rock songs and a spiritual TED talk). But by failing to engage this worship seriously, we miss vital insights into a form of Protestantism that exerts widespread influence in the United States and around the world. *Evangelical Worship: An American Mosaic* models a new way forward. Drawing together insights from American religious history and liturgical studies, and putting both in conversation with ethnographic fieldwork in seven congregations, this book argues that corporate worship is not a peripheral extra tacked on to a fully-formed spiritual/political/cultural movement, but rather the crucible through which congregations forge and negotiate the contours of evangelicalism's contested theological identity--

**Ethnic Blends** Mark DeYmaz, Harry Li, 2010 In this Leadership Network Innovation series book, *Ethnic Blends*, Mark DeYmaz will help you navigate seven common challenges in building a healthy multi-ethnic church. The rise of multi-ethnic churches could become the new Reformation in this century. Yet the movement is in a pioneer stage, and there have been few road maps ... until now.

*Shaped By God's Heart* Milfred Minatrea, 2012-06-22 Discover the tools to create a new kind of church and move from merely surviving to thriving. Drawing on an extensive two-year field study of 200 churches from a variety of denominations and geographic regions, Milfred Minatrea--a missiologist, urban strategist and practitioner in minister--presents the best practices for re-energizing Christian spirituality in a congregational setting. He provides readers with the tools for assessing their congregation's position on the continuum between maintenance and mission and for determining the actions that will move them toward becoming a missional community. He also outlines key strategies that successful churches have used to become relevant in a postmodern society without losing what is distinctly Christian in their spiritual practices. Milfred Minatrea (Irving, TX) is Director of the Missional Church Center for the Baptist General Convention of Texas.

**Fragments of a Mosaic** Lisa Basnight Reid, 2018-03-30 God uses fragments from the trials and troubles we face in life to make a beautiful mosaic that brings glory to Him. He takes the good, the bad, and the ugly, and creates a Masterpiece - YOU!

*Worship That Touches the Heart of God* Nina Gardner, 2015-06-18 Do you feel truly alive or are you just going through the motions in life? The fulfillment you seek can be found in worship—a worship that starts within you. The sweet psalmist David provided us his key to worship, which God vowed would never end. Once you know where you fit into this pattern of worship, and experience its freedom, you will never opt to live a life of merely going through the motions again. You will worship not because you are told to, but because you love to. In worship, God's heart of love is found. Through it—you can find joy—and feel more alive than ever before!

**Brazilians in a Promised Land** Jorge William de Castro Abdala, 2022-08-25 There are an estimated of 1.3 million Brazilian immigrants living in the United States (approximately 460,000 Brazilian Americans as of mid-2019). The Brazilian population in the United States is relatively small, and the lack of knowledge of Brazilian immigrants and the tendency to stereotype based on the perception and assumption has had a negative impact on many Brazilian ministries. There are only thirteen Brazilian ministries within the Presbyterian Church (USA), and the total number of Brazilians' membership within the PC(USA) is approximately seven hundred people. Some of these ministries have existed for over twenty years, but very little information has been given about their existence and experiences. Brazilian ministries that thrive most in the PC(USA)'s body cherish their own identity, understand what those essential factors and keys are, and embrace the challenges and opportunities in a cross-cultural experience. Every thriving Brazilian ministry is made of people who

reflect the image of God in the migration context and plays a unique model to love outcast Brazilians living in this promised land.

*The Way of the Warrior* Erwin Raphael McManus, 2019-02-26 Best-selling author, pastor, futurist, and cultural thought leader believes that to experience and establish peace, we must first confront the battles that rage within. McManus shows that encountering peace does not occur by accident, but rather by artful intention. Warrior is a call to decisiveness, self-examination, and the pursuit of spiritual wholeness. Through the ancient biblical practices of humility, focus, ownership, clarity, strength, and vulnerability, he guides readers to a deeper understanding of their inner workings and provides the guidance they need to establish peace and tranquility in their homes, neighborhoods, communities, and even the world!
