Virginia Woolf and the Natural World Kristin Czarnecki, Carrie Rohman, 2011 Virginia Woolf and the Natural World is a compilation of thirty-one essays presented at the twentieth annual international conference on Virginia Woolf. This volume explores Woolf's complex engagement with the natural world, an engagement that was as political as it was aesthetic. The diversity of topics within this collection—ecofeminism, the nature of time, the nature of the self, nature and sporting, botany, climate, and landscape, just to name a few—fosters a deeper understanding of the nature of nature in Woolf's works. Contributors include Bonnie Kime Scott, Carrie Rohman, Diana Swanson, Elisa Kay Sparks, Beth Rigel Daugherty, Jane Goldman, and Diane Gillespie, among many others from the international community of Woolf scholars.

Languages Are Good for Us Sophie Hardach, 2021-01-07 This is a book about languages and the people who love them. Sophie Hardach is here to guide us through the strange and wonderful ways that humans have used languages throughout history. She takes us from the earliest Mesopotamian clay tablets and the 'book cemeteries' of medieval synagogues to the first sounds a child hears in their mother's womb and their incredible capacity for language learning. Along the way, Hardach explores the role of trade in transmitting words across cultures and untangles riddles of hieroglyphics, cuneiform and the ancient scripts of Crete and Cyprus. This is a book about languages, the people who love them and the linguistic threads that connect us all. 'Impeccably researched and engagingly presented... Sophie Hardach tells wonderful stories about words that have travelled vast distances in space and time to make English what it is' David Bellos, author of *Is That a Fish in Your Ear?* Translation and the Meaning of Everything

Learn French Beading: Beginner Course Lauren Harpster, 2020-02-12 French Beading is a bead-and-wire art from the Renaissance used primarily to make flowers. Learn the art from designer Lauren Harpster in this new publication made specifically for beginners who've never touched beads or wire, but is also an excellent resource for experienced French Beading artists. This title is a hard copy of my Learn French Beading: Beginner Course video series on YouTube. Instructions for accessing the videos are included inside the book (Videos will be available after Feb 29th). *Part 1 is the Getting Started guide. Before making French Beaded Flowers it is very important to understand the materials needed to make them. This section explores tools, beads, wire, and other supplies in detail, though not all of them will be necessary for this course. *Part 2 is the Technique Guide, which contains six lessons that teach the techniques included in this course - Continuous Loops, Continuous Crossover Loops, Continuous Wraparound Loops, Fringe, Basic Frame, and Lacing. These lessons are important for learning French Beading terms and abbreviations, and how to read French Beading patterns. I like to teach techniques separately from flower patterns because there's so much more I can teach you about an individual technique than what I can cover in a single flower pattern. There are also some variations of the techniques that are not used in the practice patterns, but are included for education and reference. This section is also intended to be a one-stop technique reference so you can quickly look up specific techniques while working with other flower patterns. Each lesson has a video demonstration so you can see the techniques in action, but they also contain picture and written instructions for the techniques. *Part 3 contains four wildflower patterns that I've developed specifically for helping you practice the base techniques learned in Part 2 - Lavender, Dame's Rocket, Blue Virgin's Bower, and Black-Eyed Susan. The patterns have been written with beginners in mind and contain a high level of detail, so they're a great way to dip your toes into the art. This section is important for seeing practical application of the techniques, reinforcing the ability to read patterns, and learning how to assemble and shape a variety of flowers. I have also made video demonstrations of each of the flowers. While I demonstrate flower parts fully in the videos, I only show techniques as they are used in that particular flower. So you can start with Part 3 if you use the videos, but I do recommend that you go back through the lessons in Part 2. *Part 4 will demonstrate how to arrange the flowers from Part 3 to make a wildflower arrangement. I am not a professional florist, but I'd like to share what I've learned about arranging beaded flowers. This section is included only in the book version of the course.

Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Breaking Vegan Jordan Younger,2015-11-01 Finding balance in life is a goal many of us strive to achieve. Whether it's through a healthy diet, exercise regimen, state of mind, relationship, or other activity (or all of the above), we spend our days trying to be, and become, our best selves. But what happens when all that focus starts to dominate our lives? When our desire for perfect health trumps everything else, perhaps without us even realizing it? What happens when our solution starts becoming the problem? These are questions that author and popular blogger Jordan Younger faced when she decided that her extreme, plant-based lifestyle just wasn't working in favor of her health anymore--and questions that you may be facing too. In *Breaking Vegan*, Jordan reveals how obsessive healthy dieting eventually led her to a diagnosis of orthorexia, or a focus on healthy food that involves other emotional factors and ultimately becomes dysfunctional, even dangerous. In candid detail, Jordan shares what it was like to leave veganism, the downfall of her desire to achieve nutritional perfection, and how she ultimately found her way to recovery. In addition to this, Jordan outlines an anti-diet, whole-foods-based eating plan featuring more than 25 recipes to help inspire others to find similar balance in their own lives. *Breaking Vegan* is about tolerance and forgiveness. And ultimately, forging one's own path toward happiness.

No Roses from My Mouth: Poems from Prison Stella Nyanzi,2020-02-02 Winner, 2020 Oxfam / Novib PEN International Award for Freedom of ExpressionNyanzi is a hero. Her insistence on violating patriarchy's rules by talking explicitly about taboo subjects-be they the president's buttocks, sex, sexuality, queerness-should be studied everywhere as a masterclass in the power of refusing to obey the rules of politeness. - Mona Eltahawy, author of *The Seven Necessary Sins for Women and Girls*Through her actions, Nyanzi has shown that fighting for a free, democratic and equal Uganda does not come free. [...] Her story is one that reminds Ugandans that the struggle for freedom has never been achieved by playing to the standards of civility set by those in power. - Rosebell Kagumire, Editor, *African Feminism* Stella Nyanzi was arrested on November 2, 2018 for posting a poem on Facebook that was said to cyber-harras the long-serving President of Uganda, Mr. Yoweri Museveni. She was convicted and sentenced to eighteen months in jail. At the date of publishing this poetry collection, Nyanzi remains incarcerated. She wrote all the poems in this collection during her detention. This arguably makes her the first Ugandan prison writer to publish a poetry collection written in jail while still incarcerated. The first batch of the poems was released on her 45th birthday on June 16, 2019 celebrated while she was in jail under the hashtag #45Poems4Freedom. Other poems were written after the birthday. These poems must be read not only for their beauty and the power of the poet's vision, but also for the bravery and radical intent of their writing and publishing.
