The Blind Photographer Julian Rothenstein, 2016-09-06 The blind photographer cannot see a butterfly perched perfectly still on a flower, a bowl of sweet-smelling fruit, or a child's rattle on a darkened floor, but the mind's eye is sharply focused. How then, do blind or partially sighted people capture such extraordinary images? The photographs in this revelatory book suggest a deeper truth: that blindness is itself a kind of seeing, and that those who can see are often blind to the strangeness and beauty of the world around them. As the blind photographer Evgen Bavcar writes, Photography must belong to the blind, who in their daily existence have learned to become the masters of camera obscura. Through the photographs of more than fifty blind or partially sighted people from around the world, this exhilarating book—the first to explore this phenomenon in all its vibrancy and diversity—will make you see differently.

Everything Happens for a Reason Kate Bowler, 2018-02-06 NEW YORK TIMES BESTSELLER • “A meditation on sense-making when there’s no sense to be made, on letting go when we can’t hold on, and on being unafraid even when we’re terrified.”—Lucy Kalanithi “Belongs on the shelf alongside other terrific books about this difficult subject, like Paul Kalanithi’s *When Breath Becomes Air* and Atul Gawande’s *Being Mortal*.”—Bill Gates NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE Kate Bowler is a professor at Duke Divinity School with a modest Christian upbringing, but she specializes in the study of the prosperity gospel, a creed that sees fortune as a blessing from God and misfortune as a mark of God’s disapproval. At thirty-five, everything in her life seems to point toward “blessing.” She is thriving in her job, married to her high school sweetheart, and loves life with her newborn son. Then she is diagnosed with stage IV colon cancer. The prospect of her own mortality forces Kate to realize that she has been tacitly subscribing to the prosperity gospel, living with the conviction that she can control the shape of her life with “a surge of determination.” Even as this type of Christianity celebrates the American can-do spirit, it implies that if you “can’t do” and succumb to illness or misfortune, you are a failure. Kate is very sick, and no amount of positive thinking will shrink her tumors. What does it mean to die, she wonders, in a society that insists everything happens for a reason? Kate is stripped of this certainty only to discover that without it, life is hard but beautiful in a way it never has been before. Frank and funny, dark and wise, Kate Bowler pulls the reader deeply into her life in an account she populates affectionately with a colorful, often hilarious retinue of friends, mega-church preachers, relatives, and doctors. *Everything Happens for a Reason* tells her story, offering up her irreverent, hard-won observations on dying and the ways it has taught her to live. Praise for *Everything Happens for a Reason* “I fell hard and fast for Kate Bowler. Her writing is naked, elegant, and gripping—she’s like a Christian Joan Didion. I left Kate’s story feeling more present, more grateful, and a hell of a lot less alone. And what else is art for?”—Glennon Doyle, #1 New York Times bestselling author of *Love Warrior* and president of Together Rising

Soon, he made one friend, then two, as the other kids learned to appreciate Nico for who he was. Before long, Nico learned he could be completely, delightfully, himself. Self Portrait in Green Marie NDiaye, 2021-02-25 'NDiaye is a hypnotic storyteller with an unflinching understanding of the rock-bottom reality of most people's life.' New York Times ' One of France's most exciting prose stylists.' The Guardian. Obsessed by her encounters with the mysterious green women, and haunted by the Garonne River, a nameless narrator seeks them out in La Roele, Paris, Marseille, and Ouagadougou. Each encounter reveals different aspects of the women; real or imagined, dead or alive, seductive or suicidal, driving the narrator deeper into her

obsession, in this unsettling exploration of identity, memory and paranoia. Self Portrait in Green is the multi-prize winning, Marie NDiaye's brilliant subversion of the memoir. Written in diary entries, with lyrical prose and dreamlike imagery, we start with and return to the river, which mirrors the narrative by posing more questions than it answers.

Dark Ecology Timothy Morton,2016-04-12 Timothy Morton argues that ecological awareness in the present Anthropocene era takes the form of a strange loop or Möbius strip, twisted to have only one side. Deckard travels this oedipal path in Blade Runner (1982) when he learns that he might be the enemy he has been ordered to pursue. Ecological awareness takes this shape because ecological phenomena have a loop form that is also fundamental to the structure of how things are. The logistics of agricultural society resulted in global warming and hardwired dangerous ideas about life-forms into the human mind. Dark ecology puts us in an uncanny position of radical self-knowledge, illuminating our place in the biosphere and our belonging to a species in a sense that is far less obvious than we like to think. Morton explores the logical foundations of the ecological crisis, which is suffused with the melancholy and negativity of coexistence yet evolving, as we explore its loop form, into something playful, anarchic, and comedic. His work is a skilled fusion of humanities and scientific scholarship, incorporating the theories and findings of philosophy, anthropology, literature, ecology, biology, and physics. Morton hopes to reestablish our ties to nonhuman beings and to help us rediscover the playfulness and joy that can brighten the dark, strange loop we traverse.

Free Lauren Kessler,2022-04-19 95 percent of the millions of American men and women who go to prison eventually get out. What happens to them? There's Arnoldo, who came of age inside a maximum security penitentiary, now free after nineteen years. Trevor and Catherine, who spent half of their young lives behind bars for terrible crimes committed when they were kids. Dave, inside the walls for 34 years, now about to reenter an unrecognizable world. Vicki, a five-time loser who had cycled in and out of prison for more than a third of her life. They are simultaneously joyful and overwhelmed at the prospect of freedom. Anxious, confused, sometimes terrified, and often ill-prepared to face the challenges of the free world, all are intent on reclaiming and remaking their lives. What is the road they must travel from caged to free? How do they navigate their way home? A gripping and empathetic work of immersion reportage, FREE reveals what awaits them and the hundreds of thousands of others who are released from prison every year: the first rush of freedom followed quickly by institutionalized obstacles and logistical roadblocks, grinding bureaucracies, lack of resources, societal stigmas and damning self-perceptions, the sometimes overwhelming psychological challenges. Veteran reporter Lauren Kessler, both clear-eyed and compassionate, follows six people whose diverse stories paint an intimate portrait of struggle, persistence, and resilience. The truth—the many truths—about life after lockup is more interesting, more nuanced, and both more troubling and more deeply triumphant than we know.

To Love, Honor, and Vacuum Sheila Wray Gregoire,2014 Sheila speaks to both the heart and habits of the woman who is wife and mother. The lessons in this book are biblical, doable, and affordable!--Margaret B. Buchanan From advertisements to mommy blogs to Pinterest, scenes of domestic bliss abound, painting a picture of perfection and expectation nearly impossible to live up to. Why can't you work a full-time job, stylishly clothe yourself and your children, plan a party for twelve with handmade decorations, keep your house sparkling clean without chemicals, and bake a gourmet meal in the same day? Everyone else is doing it! For many women, housework has become more than chores that need to be done; it is a symbol of identity. Sheila Wray Gregoire wants to stop that thinking in its tracks and help women back to a life of balance--for their sakes and for their families. She encourages women to shift their focus from housekeeping to relationships and shows them how to foster responsibility and respect in all family members. The second edition retains the helpful, concrete advice on everyday situations such as strategies for tackling chores and budgets and tips on effective communication, while incorporating the wisdom Sheila has gained through her interaction with thousands of readers of her blog and through her speaking ministry over the past ten years. Through the principles in To Love, Honor, and Vacuum, Gregoire promises readers they can grow and thrive in the midst of their hectic lives--even if their circumstances stay the same.

Simply Tuesday Emily P. Freeman,2015-08-11 Our obsession with bigger and faster is spinning us out of control. We move through the week breathless and bustling, just trying to keep up while longing to slow down. But real life happens in the small moments, the kind we find on Tuesday, the most ordinary day of the week. Tuesday carries moments we want to hold onto--as well as ones we'd rather leave behind. It holds secrets we can't see in a hurry--secrets not just for our schedules but for our souls. It offers us a simple bench on which to sit, observe, and share our stories. For those being pulled under by the strong current of expectation, comparison, and hurry, relief is found more in our small moments than in our fast movements. In Simply Tuesday, Emily P. Freeman helps readers · stop dreading small beginnings and embrace today's work · find contentment in the now--even when the now is frustrating or discouraging · replace competition with compassion · learn to breathe in a breathless world Jesus lived small moments well, slow moments fully, and all moments free. He lives with us still, on all our ordinary days, creating and redeeming the world both in us and through us, one small moment at a time. It's time to take back Tuesday, to release our obsession with building a life, and believe in the life Christ is building in us--every day.
