Fourteen Days To Light, Hope, and Healing Alicia Banta,2018-11-08 You know what they say about change: Nothing is ever going to change until something changes. We are all looking for the change that makes us a little better. That change starts on the inside, in our hearts and in our minds. Fourteen Days to Light, Hope, and Healing is the tool that you need to begin making those changes possible. Most successful people who discover light, hope, and healing in their lives follow similar patterns, many without realizing it. With years of study and personal experiences, Alicia has discovered what many of these proven patterns are. The Fourteen-day course is comprised of fourteen principles and steps to get you thinking and feeling in a different way. It is designed to help you overcome the things that are holding you back from seeing real changes in your life. God wants us to be happy, healthy, and successful in all we do. People who have Godly success are able tap into the power of their minds and understand that they are valuable and worthy to receive God's choicest blessings. You are a child of God. Sweet Tea Tuesdays Ashley Farley,2017-03-13 In the case of Lula Horne, fifty-five is the new sixty-five, and she's proud of it. Lula despises modern technology and prefers walking her dog to attending hot yoga. She spends her days tending her perennial garden and cooking for sick friends. She's stubborn and opinionated and committed to her traditional values, a nonconformist if ever there was one. When her daughter brings her girlfriend home for a visit, Lula goes off like the firework display at her Fourth of July party. For twenty-six years, Midge, Lula, and Georgia have watched the seasons change and their children grow up while sipping tea on Georgia's front porch. One Tuesday in early June, Georgia shares news that brings their long-standing social hour to an abrupt halt. Over the course of that summer, everything changes for them. A secret drives them apart and an unexpected diagnosis brings them back together again. As these three women share their lives—their past sorrows and fears of an uncertain future—readers will shed more than one tear.

The Last Lecture Randy Pausch,2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

Letters to The Wall: Memorial Day Events 2015 & 2016 Veterans For Peace,2016-07-30 The letters included in this collection were written by people who were directly impacted by the American War in Vietnam -- combat veterans, nurses, loved ones of veterans, anti-war resistors, veterans' family members, and fellow soldiers. For the past two Memorial Days they were delivered to The Wall in Washington, DC by members of Veterans For Peace as part of our Full Disclosure Project. We want their voices to be heard as our country embarks on a decade-long series of fifty year commemorations of that war. We will deliver letters to The Wall for the next ten years on Memorial Day. If you want to write a letter, please contact Veterans For Peace.

Grayson Cooper is livid when he learns his father left him a keychain with a strawberry charm rather than ownership of the successful Guac Ole company. He's been groomed for this position since he escaped the factory floor as a teen and joined Jack in the corporate offices. But what good is the CEO title without the stock shares? College dropout Becca Nash is dumbfounded to learn that she now owns controlling voting stock in the company where she's just a line supervisor. The Writing on the Wall Denise Cory Blake,2020-10-27 There was to be no public display of emotion at the train station. The Wharton brothers, Joe, Harry, and Ernie, strode off to war, grins etched on their faces. Out -of-step strides carried them through the cheers that echoed by. Joe, the eldest of the brothers, his eyes never still, searched the crowd desperately for a glimpse of his girl Dulcie, where was she? whilst his mind replayed the sombre farewell scenes of home. The disconsolate look on his father's face, his mother's courage as she fought the tears, the urgent hugs from his sister Cissy. The thuds of their regimented strides resounded eerily through the streets, swallowed up by the crowds, as the three marched of to war, and into history.

Home Sweet Home Yves Zoe Trieste,2020-10-28 As a little girl, Yves Zoe Trieste's first experiences were magical, opulent, and dazzling - living in one of Japan's protected and exclusive enclaves reserved for Foreign Diplomats and their families. The change was sudden when the family boarded one of the last evacuation flights before the nuclear end of World War II. Returning to the United States, she becomes sucked into a quagmire of an unhappy marriage to an absent husband, divorce and custody of two boys and a girl, devastating dark family secrets, multigenerational sexual assault and incest, sex, drugs, rock and roll escapism, vapid partying, survival of eviscerating collisions, financial insecurity, unrelenting trauma, familiar plotting, shunning, greed, betrayal, and disinheritance. "Many dreams can be nightmares, too, so terrible are dark and forbidden secrets. Nightmares. Creepy. Frighting. Just like those crows that sit in those craggy trees, around our house, waiting, just waiting, claws gripped, ready to swoop down and scratch our eyes out. We all know, don't we, that life is not a smooth ride with its' twists and turns and strangles. We could get up and walk out when the curtain falls if it were a theater play. But not life. We have to stay until the end. There is no way out. And then what? And then what?" - Yves Zoe Trieste
