

Mothers Flowers

Gail Saunders-Smith

Flowers for Mom Bonnie Louise Kuchler,2010-03-01 An estimated 82 million American mothers receive gifts each Mother's Day, Christmas, and birthday--and most of those moms appreciate flowers. Flowers for Mom delivers the perfect floral-related keepsake book that will go straight to a mother's heart. Mothers rarely need extravagance and complexity. Sometimes the simplest ideas are the best way to say I love you, Mom. Flowers for Mom is the first gift book to honor motherhood by comparing Mom's special qualities to those of flowers. Its striking photography illustrates the sentiments on each page, creating a warm and inviting message that mothers will find irresistible. More than 60 images capture the allure, beauty, and mother-like characteristics of soft roses, striking sunflowers, blooming cacti, magnificent orchids, and woodland wildflowers. Cleverly interwoven through this splendid bouquet is Kuchler's memorable ode to mothers, motherhood, and the universal attributes that endear moms to their children, whether they're toddlers buying gifts with Dad's help or grown sons and daughters evermore appreciative of what they've gained from a parent's special influence.

Strange Bright Blooms Randy Malamud,2021-10-19 Virginia Woolf famously began one of her greatest novels: “Mrs Dalloway said she would buy the flowers herself.” Of course she would: why would anyone surrender the best part of the day to someone else? Flowers grace our lives at moments of celebration and despair. “We eat, drink, sing, dance, and flirt with them,” writes Kakuzo Okakura. Flowers brighten our homes, our parties, and our rituals with incomparable notes of natural beauty, but the “nature” in these displays is tamed and conscribed. Randy Malamud seeks to understand the transplanted nature of cut flowers--of our relationship with them and the careful curation of their very existence. It is a picaresque, unpredictable ramble through the world of flowers, but also the world itself, exploring painting, murals, fashion, public art, glass flowers, pressed flowers, flowery church hats, weaponized flowers, deconstructed flowers, flower power, and much more.
