Sheirer explores intensely personal experiences and relationships with humor, surprise, awe, suspense, and deep insight. With the depth of a memoir and the flow of a novel, Sheirer chronicles how his simple youth of farm, sports, school, nature, and family led him to an unlikely adulthood as an author and college professor.

Colorado, 2002 This book, the first of its kind, sets a new standard as a work of reference covering British and Irish art in public collections from the beginning of the sixteenth century to the end of the nineteenth. Nearly 9,000 painters are listed, with almost 90,000 paintings, in more than 1,700 separate collections. Within this vast coverage is another important category - those pictures that are now lost, mostly as a consequence of the Second World War, or have been de-accessioned, mostly in the period from about 1950 to about 1975 when Victorian art was out of fashion. The listing many tens of thousands of previously unpublished works, including around 13,000 which do not yet have any form of attribution, makes this book a unique and indispensable work of reference, and one that will transform the study of British and Irish painting.--BOOK JACKET.

Mount Aconcagua and Mount Rainier Seven Mountain Story Walter Glover, MTS, 2020-12-23 The mountains are calling and I must go. -John Muir Another in his series of exciting mountaineering stories, senior citizen adventure author Walter Glover continues his quest to climb the world's famed Seven Summit mountains. After reaching Mount Everest base camp, the summits of Kilimanjaro, and the highest peaks in Russia and Australia, the popular series turns to South America. Mount Aconcagua is the highest mountain in the southern hemisphere, its peak reaching 22,000 feet. The expedition is marked by camaraderie and peril. Walter then turns his

climbing boots homeward to Mount Rainier to prepare for the Seven's final two peaks. A fall and the discovery of three aneurysms, one which required open-heart surgery, sidelined him-temporarily. A retired hospital chaplain, reviewers frequently remark that the centerpieces of Walter's books are spirituality and inspiration. Walter's altruistic aim was to raise money with his climbs for children's wellness initiatives-\$140,000 to date. Now more than going high, he goes long trekking the pilgrimage across Spain the Way of St. James, El Camino, and across England. In February 2019, he and friend Nancy Conner and his cousin Pilar French trekked, kayaked, and bicycled across South American Patagonia near Cape Horn. Book III contains vivid accounts of tumultuous weather, making friends, and unexpected challenges. Walter writes with the warmth of a real person and includes his spiritual journey as well as the physical challenges of high-altitude mountaineering at age 64. His stories are told with a healthy dose of self-deprecating humor as well as with prayers and psalms.

The Herland Trilogy: Moving the Mountain, Herland, With Her in Ourland (Utopian Classic) Charlotte Perkins Gilman,2015-04-01 This carefully crafted ebook: The Herland Trilogy: Moving the Mountain, Herland, With Her in Ourland (Utopian Classic) is formatted for your eReader with a functional and detailed table of contents. Moving the Mountain is a feminist utopian novel. The book was one element in the major wave of utopian and dystopian literature that marked the later nineteenth and early twentieth centuries. Perkins sends a man forward in time to a better world, but gives him deep difficulties in adjusting to it. Herland describes an isolated society composed entirely of women who reproduce via parthenogenesis. The result is an ideal social order, free of war, conflict and domination. The story is told from the perspective of Van Jennings, a student of sociology who, along with two friends, Terry O. Nicholson and Jeff Margrave, forms an expedition party to explore an area of uncharted land where it is rumored lives a society consisting entirely of women. The three friends do not really

believe the rumors as they are unable to conceive of how human reproduction could occur without males. The men speculate about what a society of women would be like, each guessing differently based on the stereotype of women which he holds most dear... With Her in Ourland draws a contrast between Gilman's idealized vision of a feminist society in Herland and the darker realities of real, outside, male-dominated world. Charlotte Perkins Gilman (1860-1935) was a prominent American feminist, sociologist, novelist, writer of short stories, poetry, and nonfiction, and a lecturer for social reform.
