Above the Waterfall Ron Rash, 2015-09-08 In this poetic and haunting tale set in contemporary Appalachia, New York Times bestselling author Ron Rash illuminates lives shaped by violence and a powerful connection to the land. Les, a long-time sheriff just three-weeks from retirement, contends with the ravages of crystal meth and his own duplicity in his small Appalachian town. Becky, a park ranger with a harrowing past, finds solace amid the lyrical beauty of this patch of North Carolina. Enduring the mistakes and tragedies that have indelibly marked them, they are drawn together by a reverence for the natural world. When an irascible elderly local is accused of poisoning a trout stream, Les and Becky are plunged into deep and dangerous waters, forced to navigate currents of disillusionment and betrayal that will force them to question themselves and test their tentative bond—and threaten to carry them over the edge. Echoing the heartbreaking beauty of William Faulkner and the spiritual isolation of Carson McCullers, *Above the Waterfall* demonstrates once again the prodigious talent of “a gorgeous, brutal writer” (Richard Price) hailed as “one of the great American authors at work today” (Janet Maslin, New York Times).

Ashley Hope Suspense Thriller Bundle: Let Me Go (#1), Let Me Out (#2), and Let Me Live (#3) Kate Bold, 2022-07-20 A bundle of books #1 (LET ME GO), #2 (LET ME OUT), and #3 (LET ME LIVE) in Kate Bold’s Ashley Hope Suspense Thriller series! This bundle offers books one, two, and three in one convenient file, with over 100,000 words of reading. Ashley Hope is an average Southern woman, happily engaged, her whole life ahead of her—until dark secrets from her past come bubbling up. “Phenomenal debut with a huge creep factor... So many twists and turns, you’ll have no idea who the next victim will be. If you love a thriller that will keep you awake well into the night, this book is for you.” —Reader review for Let Me Go In LET ME GO (Book #1), Ashley has spent years trying to forget her past and the poverty-wracked childhood she escaped from. Her life is finally perfectly normal—and she’s worked hard to make it that way. Her new husband is wealthy and handsome. Their suburban house is a total dream. And with her master’s in criminal justice almost complete, Ashley is ready to move on with her life, confident that her secrets are buried for good. But on a trip to her rural hometown, old tensions suddenly threaten to boil over. Her Polo-wearing husband sticks out dangerously among the hardened folk of Grundy County. And when the visit goes horribly awry, Ashley, handed shocking news, realizes the past has a stubborn way of coming back. As Ashley’s carefully constructed life begins to splinter around her, she finds herself in a fight for her life, drawn deeper into a dangerous game of cat and mouse. This killer knows her better than anyone—and he’ll stop at nothing, murder included, to get her where he wants her. Will her past finally claim her for good? In LET ME OUT (Book #2), while Ashley embarks on hew new life, going through the police academy, hazed by fellow recruits, the state police summon her, as they realize they need to make a rare exception and enlist her help on a case immediately. The murdered victim has been found in the backwoods, in a small, rural town neighboring Ashley’s own Grundy County. The locals are hostile to outsiders and police, and only Ashley stands a chance of getting through to its hardened folk. At first glance, the victim seems like just another meth addict-turned prostitute, caught up in a routine drug murder. But as Ashley digs deeper, she sees things that others do not, and suspects something far more sinister may be at play. Ashley digs deeper, refusing to put the case to bed. But if she digs too deep, Ashley, herself, may become the target. In LET ME LIVE (Book #3), now a member of Tennessee’s state police’s violent crimes division, Ashley is summoned when victims are found murdered in a similar way within the same geographical area. In a mad race against time before the killer strikes again, Ashley must enter the killer’s mind and understand: what do these murders have in common? Where will he strike next? A dark crime thriller full of mystery and suspense, the ASHLEY HOPE

Subpar Parks Amber Share, 2021-07-13 ****A New York Times Bestseller!**** Based on the wildly popular Instagram account, Subpar Parks features both the greatest hits and brand-new content, all celebrating the incredible beauty and variety of America's national parks juxtaposed with the clueless and hilarious one-star reviews posted by visitors. Subpar Parks, both on the popular Instagram page and in this humorous, informative, and collectible book, combines two things that seem like they might not work together yet somehow harmonize perfectly: beautiful illustrations and informative, amusing text celebrating each national park paired with the one-star reviews disappointed tourists have left online. Millions of visitors each year enjoy Glacier National Park, but for one visitor, it was simply Too cold for me! Another saw the mind-boggling vistas of Bryce Canyon as Too spiky! Never mind the person who visited the thermal pools at Yellowstone National Park and left thinking, "Save yourself some money, boil some water at home." Featuring more than 50 percent new material, the book will include more depth and insight into the most popular parks, such as Yosemite, Yellowstone, the Grand Canyon, and Acadia National Parks; anecdotes and tips from rangers; and much more about author Amber Share's personal love and connection to the outdoors. Equal parts humor and love for the national parks and the great outdoors, it's the perfect gift for anyone who loves to spend time outside as well as have a good read (and laugh) once they come indoors.

The Bears of Brooks Falls: Wildlife and Survival on Alaska's Brooks River Michael Fitz, 2021-03-09 A natural history and celebration of the famous bears and salmon of Brooks River. On the Alaska Peninsula, where exceptional landscapes are commonplace, a small river attracts attention far beyond its scale. Each year, from summer to early fall, brown bears and salmon gather at Brooks River to create one of North America's greatest wildlife spectacles. As the salmon leap from the cascade, dozens of bears are there to

catch them (with as many as forty-three bears sighted in a single day), and thousands of people come to watch in person or on the National Park Service's popular Brooks Falls Bearcam. The Bears of Brooks Falls tells the story of this region and the bears that made it famous in three parts. The first forms an ecological history of the region, from its dormancy 30,000 years ago to the volcanic events that transformed it into the Valley of Ten Thousand Smokes. The central and longest section is a deep dive into the lives of the wildlife along the Brooks River, especially the bears and salmon. Readers will learn about the bears' winter hibernation, mating season, hunting rituals, migration patterns, and their relationship with Alaska's changing environment. Finally, the book explores the human impact, both positive and negative, on this special region and its wild population.
