Kathy Hurt

The Kentucky Mountains Collection: Sweetwater Run / Still House Pond Jan Watson,2020-02-04 This collection brings together two of Jan Watson's historical novels in one e-book for a great value! Sweetwater Run In 1891 in the mountains of eastern Kentucky, two young women stand at a crossroads. Both are protégées of the same mentor, Copper Brown, yet they couldn't be more different. Darcy Whitt falls in love with the town's handsome yet unscrupulous attorney who plots to take not only Darcy's land but that of her sister as well. Meanwhile, her beautiful sister-in-law, Cara Whitt, suddenly finds herself alone and afraid, living in a rickety cabin on the backside of nowhere. As they struggle with the realities of life, both women learn to rely on their faith above all else. Still House Pond Lilly Gray Corbett loves living on Troublesome Creek, but she would much rather play with her best friend than watch her little brother and the twins. Her mama, Copper, is often gone helping to birth babies, and Lilly has to stay home. When Aunt Alice sends a note inviting her to visit in the city, Lilly is excited to go, and Copper reluctantly agrees to let her. Later, when they hear the news that the train crashed, Copper and her husband, John, rush to find out if their daughter is injured . . . or even alive.

**Appalachian Bounty** Michael Joslin,2000-03 The Southern Appalachian region -- from its rare flowers and wild edibles to its thundering waterfalls and hiking trails -- is captured in words and photographs.

*The Mountains* ,1876

**Mountain Mysteries** James W. Dean,2016-01-22 This book is a collection of short stories. These stories are inspired by my love for the Appalachian Mountains, and by the mysterious legends that can take on a life of their own. So will you come travel the mountain tops, valleys and hollows of the mysterious Appalachian Mountains. Find a witch on the mountain, walk with a phantom mountain lion, look for a raven in the attic, and fly with the eagle on the rock. Follow the ghost to the gold mine, spend two days in the haunted house, or find love by the river. It is all waiting for you to discover here in the pages of this book. The reader will be taken into a world that can only be seen if you are willing to see it. Even if only for a short time you can let your mind get lost in the pages of this book, Mountain Mysteries, your time will be well spent.

*The Spirit of the Mountains* International Mountain Summit,2017 Best of IMS Photo Contest, 2011-2016, the best mountain photography in the world.

*The Mountains* Edith W. Cook,2015-07-14 Excerpt from The Mountains: A Collection of Poems The mists above the morning rills Rise white as wings of prayer; The altar - curtains of the hills Are sunset's purple air. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

**Uncivilisation** Paul Kingsnorth,Dougald Hine,2019

**Plants of the Seven Devils Mountains of Idaho** Richard T. Bingham,1987

**Rocky Mountain Adventure Collection** T. J. Burr,1992-01-01

**The Great Smoky Mountains National Park** Adam H. Alfrey,2012 For centuries, the majesty and mystery of the Great Smoky Mountains have lured mankind. The Cherokee were among the first to build thriving communities here, and backcountry frontiersmen were next to put down roots. In time, visitors arrived, eager to take in the cool mountain air, and returned home with stories of hillbillies. Then came those who used the mountains for their own advantages, such as lumber barons, armed with steam shovels and skidders. Eventually, civic boosters from western North Carolina and east Tennessee took note and began advocating for the protection of the Great Smoky Mountains. Before a national park could be established, though, there were competing interests to be sorted and a consideration of the lives affected.

**Jade Mountains and Cinnabar Pools** James M. Hargett,2018-12-21 First-hand accounts of travel provide windows into places unknown to the reader, or new ways of seeing familiar places. In Jade Mountains and Cinnabar Pools, the first book-length treatment in English of Chinese travel literature (youji), James M. Hargett identifies and examines core works in the genre, from the Six Dynasties period (220-581), when its essential characteristics emerged, to its florescence in the late Ming dynasty (1368-1644). He traces the dynamic process through which the genre, most of which was written by scholars and officials, developed, and shows that key features include a journey toward an identifiable place; essay or diary format; description of places, phenomena, and conditions, accompanied by authorial observations, comments, and even personal feelings; inclusion of sensory details; and narration of movement through space and time. Travel literature's inclusion of a variety of writing styles and purposes has made it hard to delineate. Hargett finds, however, that classic pieces of Chinese travel literature reveal much about the author, his values, and his view of the world, which in turn tells us about the author's society, making travel literature a rich source of historical information.

**The Transactions of the Entomological Society of London** Royal Entomological Society of London,1928

**Come Into the Mountains, Dear Friend** Susan Polis Schutz,1972 With this, her first book, Susan Polis Schutz established herself as Americas favorite poet. Written in a simple, joyful manner, Schutzs poetry emphasizes the beauty of everyday life, including things like love, friendship, and an appreciation of nature. Beautifully illustrated by her husband, Stephen Schutz, this book speaks directly to the heart.

**Mountains Figured and Disfigured in the English-Speaking World** Françoise Besson,2020-06-01 The essays in this book, written by poets, novelists, mountain-climbers and academics from all over the world, evoke the representation of mountains in the English-speaking world as artists, writers, philosophers or mountain-climbers have represented them from the sixteenth to the twenty-first centuries. From the Alps to the Pyrenees, from Mount Fuji to Mount Shasta, from the Himalayas to the Scottish Highlands, from Ikere in Nigeria to Devil's Tower in the United States, from Uluru in Australia to the most northern mountain of the Arctic, the shapes of the world speak the same language and tell the world its own story. This interdisciplinary book, weaving together mountaineering, literature, philosophy, painting, cinema, ecology, history, palaeontology, geography, geopolitics, toponymy, law, religion and myth, invites people to an innovative reading of mountains: it reveals the close relationship existing between the shapes of the world and all forms of writing and, at the same time, it shows how the representations of the imagination may be instrumental in protecting the natural world. The story told by the landscape inscribes a broken line in the shapes of the world, tearing the landscape like a fragile page whenever historical and political events (wars, mining or deforestation) leave scars in the landscape; but writers' and artists' representations of mountains constitute a path to awareness as they are not only a painting of beauty, but an image of our link to nature and a warning as well. For centuries the image of the mountain has conveyed a symbolism telling the story of human thought, and this book shows to what extent literature and art play an essential part in our awareness of nature.

*Way Points Along The Book Mountains* Kathy Hurt,2011-01-04 Waypoints Along the Book Mountains is an historical glimpse of the Little Book Cliff range in western Colorado extending to Utah as the Book Cliffs. People living along this range enjoy watching the sun cast the alpenglow on the cliffs as the sun sets. Ute people, ranchers, settlers even hermits have occupied the cedar, pinion and oak brush-covered slopes. Old and new coal mines dot the mountain from Palisade to Price . The Ute people leaving Colorado at the time of the Meeker Massacre used most of the state for hunting. They also

used the numerous hot springs in the mountains for medicinal purposes. Forced to go to the reservation in Utah they are now trying to bridge the gaps with pow-wows at Meeker and Montrose. Traveling to other reservations for the Bear Dance.

**Mountains Collection** Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has be much more apparent than ever.
