Exploring Movie Construction and Production John Reich,2017-07-10 Exploring Movie Construction & Production contains eight chapters of the major areas of film construction and production. The discussion covers theme, genre, narrative structure, character portrayal, story, plot, directing style, cinematography, and editing. Important terminology is defined and types of analysis are discussed and demonstrated. An extended example of how a movie description reflects the setting, narrative structure, or directing style is used throughout the book to illustrate building blocks of each theme. This approach to film instruction and analysis has proved beneficial to increasing students' learning, while enhancing the creativity and critical thinking of the student.

The True Meaning of Smekday Adam Rex,2015-02-04 The hilarious, genre-bending novel from bestselling author Adam rex that inspired the blockbuster feature film Home -- fully illustrated with photos, drawings, newspaper clippings, and comics sequences. When twelve-year-old Gratuity (Tip) Tucci is assigned to write five pages on The True Meaning of Smekday for the National Time Capsule contest, she's not sure where to begin; when her mom started telling everyone about the messages aliens were sending through a mole on the back of her neck? Maybe on Christmas Eve, when huge bizarre spaceships descended on Earth and the aliens -- called Boov -- abducted her mother? Or when the Boov declared Earth a colony, renamed it Smekland (in honor of glorious Captain Smek), and forced all Americans to relocate to Florida via rocketpod? In any case, Gratuity's story is much, much bigger than the assignment. It involves her unlikely friendship with a renegade Boov mechanic named J.Lo; a futile journey south to find Gratuity's mother at the Happy Mouse Kingdom; a cross-country road trip in a hovercar called Slushious; and an outrageous plan to save the Earth from yet another alien invasion.

Home Is Not a Country Safia Elhillo,2022-02-22 LONGLISTED FOR THE NATIONAL BOOK AWARD “Nothing short of magic.” —Elizabeth Acevedo, New York Times bestselling author of The Poet X From the acclaimed poet featured on Forbes Africa’s “30 Under 30” list, this powerful novel-in-verse captures one girl, caught between cultures, on an unexpected journey to face the ephemeral girl she might have been. Woven through with moments of lyrical beauty, this is a tender meditation on family, belonging, and home. my mother meant to name me for her favorite flower its sweetness garlands made for pretty girls i imagine her yasmeen bright & alive & i ache to have been born her instead Nima wishes she were someone else. She doesn’t feel understood by her mother, who grew up in a different land. She doesn’t feel accepted in her suburban town; yet somehow, she isn’t different enough to belong elsewhere. Her best friend, Haitham, is the only person with whom she can truly be herself. Until she can’t, and suddenly her only refuge is gone. As the ground is pulled out from under her, Nima must grapple with the phantom of a life not chosen—the name her parents meant to give her at birth—Yasmeen. But that other name, that other girl, might be more real than Nima knows. And the life Nima wishes were someone else’s. . . is one she will need to fight for with a fierceness she never knew she possessed.

Fun Home Alison Bechdel,2007 A fresh and brilliantly told memoir from a cult favorite comic artist, marked by gothic twists, a family funeral home, sexual angst, and great books. This breakout book by Alison Bechdel is a darkly funny family tale, pitch-perfectly illustrated with Bechdel's sweetly gothic drawings. Like Marjane Satrapi's Persepolis, it's a story exhilaratingly suited to graphic memoir form. Meet Alison's father, a historic preservation expert and obsessive restorer of the family's Victorian home, a third-generation funeral home director, a high school English teacher, an icily distant parent, and a closeted homosexual who, as it turns out, is involved with his male students and a family babysitter. Through narrative that is alternately heartbreaking and fiercely funny, we are drawn into a daughter's complex yearning for her father. And yet, apart from assigned stints dusting caskets at the family-owned fun home, as Alison and her brothers call it, the relationship achieves its most intimate expression through the shared code of books. When Alison comes out as homosexual herself in late adolescence, the denouement is swift, graphic -- and redemptive.

Subversive Horror Cinema Jon Towlson,2014-03-13 Horror cinema flourishes in times of ideological crisis and national trauma—the Great Depression, the Cold War, the Vietnam era, post–9/11—and this critical text argues that a succession of filmmakers working in horror—from James Whale to Jen and Sylvia Soska—have used the genre, and the shock value it affords, to challenge the status quo during these times. Spanning the decades from the 1930s onward it examines the work of producers and directors as varied as George A. Romero, Pete Walker, Michael Reeves, Herman Cohen, Wes Craven and Brian Yuzna and the ways in which films like Frankenstein (1931), Cat People (1942), The Woman (2011) and American Mary (2012) can be considered “subversive.”

Music in Epic Film Stephen C. Meyer,2016-09-01 As both a distinct genre and a particular mode of filmmaking, the idea of the epic has been central to the history of cinema. Including contributions from both established and emerging film music scholars, the ten essays in *Music in Epic Film: Listening to Spectacle* provide a cross-section of contemporary scholarship on the subject. They explore diverse topics, including the function of music in epic narratives, the socio-political implications of cinematic music, and the use of pre-existing music in epic films. Intended for students and scholars in film music, film appreciation, and media studies, the wide range of topics and the diversity of the films that the authors discuss make *Music in Epic Film: Listening to Spectacle* an ideal introduction to the field of music in epic film.

Hollywood Picks the Classics Afton Fraser,2004 The world of classic films is rich and overwhelming. *HOLLYWOOD PICKS THE CLASSICS* focuses on the movies of the Golden Age from 1930 to 1960; breaks down the movies into categories such as Film Noir, Romance, Good Guys/Bad Guys, and Damsels and Dames; and gives the must-sees in each category. Also included is a yearbook of the stars and directors from the movies described.*HOLLYWOOD PICKS THE CLASSICS* includes plot synopses, casts and crews, famous quotes, trivia, facts about the stars and awards, and behind-the-scenes gossip. But what makes this book unique are the dozens of personal top-ten favorite lists from Hollywood stars, directors, and writers. Lavishly illustrated with hundreds of pictures, many of which have never been seen, jam-packed with information, and with an introduction by screen legend Esther Williams, *HOLLYWOOD PICKS THE CLASSICS* is an entertaining and visually exciting guide for the film novice as well as the film buff.

Murders and Acquisitions Alzena MacDonald,2013-08-29 The 'serial killer' has become increasingly prevalent in popular culture since the term was coined by Robert Ressler at the FBI in the mid-1970s. *Murders and Acquisitions* explores the social and political implications of this cultural figure. The collection argues that the often blood-chilling representations of the serial killer and serial killing offered in TV series, films, novels and fan productions function to address contemporary concerns and preoccupations. Focusing on well-known popular culture texts, such as *The Wire*, *Kiss the Girls*, *Monster*, the *Saw* series, *American Psycho*, *The Strangers*, *CSI* and *Dexter*, this eclectic anthology engages with a broad spectrum of cultural theory and performs critical textual analysis to examine the sophisticated ways the serial killer is deployed to mediate and/or work through cultural anxieties and fears.

Film, Television, and Stage Music on Phonograph Records Steve Harris,1988 The most comprehensive (through August '86), accurate, and thoroughly researched reference ever published on film, television, and stage music from U.S. and British productions. There are three categories--film music, television music, stage music recordings--and each has two indexes: main records (original and adapted music composed specifically; all records verified) and related records (themes inspired by films, cover versions of traditional music, etc.).

The House on Mango Street Sandra Cisneros,2013-04-30 NATIONAL BESTSELLER • A coming-of-age classic about a young girl growing up in Chicago • Acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. “Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one.” —The New York Times Book Review *The House on Mango Street* is one of the most cherished novels of the last fifty years. Readers from all walks of life have fallen for the voice of Esperanza Cordero, growing up in Chicago and inventing for herself who and what she will become. “In English my name means hope,” she says. “In Spanish it means too many letters. It means sadness, it means waiting. Told in a series of vignettes—sometimes heartbreaking, sometimes joyous—Cisneros’s masterpiece is a classic story of childhood and self-discovery and one of the greatest neighborhood novels of all time. Like Sinclair Lewis’s *Main Street* or Toni Morrison’s *Sula*, it makes a world through people and their voices, and it does so in language that is poetic and direct. This gorgeous coming-of-age novel is a celebration of the power of telling one’s story and of being proud of where you’re from.

Hymns for the Fallen Todd Decker,2017-02-28 This book describes in detail how music and sound function as a constituent part of the prestige combat film's larger work of memorialization in the cultural realm of commercial cinema. As Rikke Schubart and Anne Gjelsvik note, historians must deal with 'the complexity of history, war, heroism, patriotism, memory, and the process of their representation.' *Hymns for the Fallen* traces an expressive sonic continuity in this 'process of representation' for serious war films. The three elements of the soundtrack--dialogue, sound effects, music--are treated in detail in the chapters which follow, although music proves to be of particular interest.--Site de l'éditeur.
