Justin A. Kerswell

*Turner Classic Movies: Christmas in the Movies* Jeremy Arnold,2018-10-09 Turner Classic Movies presents a bucket list of the best and most beloved holiday films of all time, complete with spirited commentary, behind-the-scenes stories, and photos spanning eight decades of Christmastime favorites. Nothing brings the spirit of the season into our hearts quite like a great holiday movie. Christmas films come in many shapes and sizes and exist across many genres. Some, like *It's a Wonderful Life* and *A Christmas Story*, are perennials, while others, such as *Die Hard*, have only gradually become yuletide favorites. But they all have one thing in common: they use themes evoked by the holiday period - nostalgia, joy, togetherness, dysfunction, commercialism, or cynicism - as a force in their storytelling. !--EndFragment--Turner Classic Movies: Christmas in the Movies showcases the very best among this uniquely spirited strain of cinema. Each film is profiled on what makes it a Christmas movie, along with behind-the-scenes stories of its production, reception, and legacy. Complemented by a trove of color and black-and-white photos, Turner Classic Movies: Christmas in the Movies is a glorious salute to a collection of the most treasured films of all time. Among the 30 films included: *The Shop Around the Corner*, *Holiday Inn*, *Meet Me in St. Louis*, *It's a Wonderful Life*, *Miracle on 34th Street*, *White Christmas*, *A Christmas Story*, *National Lampoon's Christmas Vacation*, *Home Alone*, *Little Women*, and *The Nightmare Before Christmas*.

**The Ultimate Book of Gangster Movies** George Anastasia,Glen Macnow,2011-09-27 The gangster movie is one of the most popular genres in film. From the Italian, Irish, and Russian families in America to similarly sinister groups in Europe, Japan, and beyond, the cinema has never shied away from portraying the evil exploits of these brutal outfits. In this highly entertaining and informative book, two accomplished and apropos authors put the genre in perspective like no other author or documentarian has done before. The Ultimate Book of Gangster Movies provides extensive reviews of the Top 100 gangster films of all time, including sidebars like Reality Check, Hit and Miss, I Know That Guy, Body Count, and other fun and informative features. Also included are over a dozen stand-alone chapters such as Sleeper Hits, Fugazi Flops, Guilty Pleasures, Lost Treasures, Q&A Interviews with top actors and directors (including Chazz Palinteri, Michael Madsen, Joe Mantegna, and more), plus over 50 compelling photographs. Foreword by Joe Pistone, the FBI agent and mob infiltrator who wrote the bestselling book and acclaimed movie, *Donnie Brasco*.

*If You Take a Mouse to the Movies* Laura Numeroff,2022-10-18 Mouse celebrates the holidays in this picture book in the beloved #1 New York Times bestselling If You Give... series! If you take a mouse to the movies, he'll ask you for some popcorn. If you give him the popcorn, he'll want to string it all together. Then he'll want to hang it on a Christmas tree. The famous little mouse from *If You Give a Mouse a Cookie* that has delighted millions of readers is back in an irresistible tale full of holiday antics. Collect all the books in this giggle-inspiring classic series!

**The New York Times Book of Movies** Wallace Schroeder,2019-10-01 A collection of reviews for the 1,000 most important, popular, and influential movies of all time. While critiques of beloved Hollywood milestones from Stanley Kubrick, Steven Spielberg, Alfred Hitchcock, and Orson Welles are all included, this book is notably a resource for the modern cinema buff and student. Nowhere else can one find this curated collection of reviews with such special features as lists of best films by category and year, as well as unique recommendations and sidebars for the modern viewer--including what to watch and how: from DVD and Blu-Ray to streaming platforms. In an era when most students and fans of film simply rely on the Internet for information, this category killer will prove its worth as a relevant and indispensable gift and reference.

**Nixon at the Movies** Mark Feeney,2012-10-22 “People will be arguing over Nixon at the Movies as much as, for more than half a century, the country at large has been arguing about Nixon.”—Greil Marcus Richard Nixon and the film industry arrived in Southern California in the same year, 1913, and they shared a long and complex history. The president screened Patton multiple times before and during the invasion of Cambodia, for example. In this unique blend of political biography, cultural history, and film criticism, Mark Feeney recounts in detail Nixon’s enthusiastic viewing habits during his presidency, and takes a new and often revelatory approach to Nixon’s career and Hollywood’s, seeing aspects of Nixon’s character, and the nation’s, refracted and reimagined in film. Nixon at the Movies is a “virtuosic” examination of a man, a culture, and a country in a time of tumult (Slate). “By Feeney’s count, Nixon, an unabashed film buff, watched more than 500 movies during the 67 months of his presidency, all carefully listed in an appendix titled ‘What the President Saw and When He Saw It.’ Nixon concentrated intently on whatever was on the screen; he refused to leave even if the picture was a dud and everyone around him was restless. He was omnivorous, would watch anything, though he did have his preferences...Only rarely did he watch R-rated or foreign films. He liked happy endings. Movies were obviously a means of escape for him, and as the Watergate noose tightened, he spent ever more time in the screening room.”—The New York Times

*Making Movies* Sidney Lumet,2010-09-01 Why does a director choose a particular script? What must they do in order to keep actors fresh and truthful through take after take of a single scene? How do you stage a shootout—involving more than one hundred extras and three colliding taxis—in the heart of New York’s diamond district? What does it take to keep the studio honchos happy? From the first rehearsal to the final screening, *Making Movies* is a master’s take, delivered with clarity, candor, and a wealth of anecdote. For in this book, Sidney Lumet, one of our most consistently acclaimed directors, gives us both a professional memoir and a definitive guide to the art, craft, and business of the motion picture. Drawing on forty years of experience on movies that range from *Long Day’s Journey into Night* to *Network* and *The Verdict*—and with such stars as Katharine Hepburn, Paul Newman, Marlon Brando, and Al Pacino—Lumet explains how painstaking labor and inspired split-second decisions can result in two hours of screen magic.

**Not Like the Movies** Kerry Winfrey,2020-07-07 What happens when your life is a rom-com . . . but you don’t even believe in true love? Chloe Sanderson is an optimist, and not because her life is easy. As the sole caregiver for her father, who has early-onset Alzheimer’s, she’s pretty much responsible for everything. She has no time—or interest—in getting swept up in some dazzling romance. Not like her best friend, Annie, who literally wrote a rom-com that’s about to premiere in theaters across America . . . and happens to be inspired by Chloe and her cute but no-nonsense boss, Nick Velez. As the buzz for the movie grows, Chloe reads one too many listicles about why Nick is the perfect man, and now she can’t see him as anything but Reason #4: The scruffy-bearded hunk who’s always there when you need him. But unlike the romance Annie has written for them, Chloe isn’t so sure her own story will end in a happily-ever-after.

*The Movie Book* DK,2016-01-05 Learn about the visual and performing arts in The Movie Book. Part of the fascinating Big Ideas series, this book tackles tricky topics and themes in a simple and easy to follow format. Learn about Movies in this overview guide to the subject, great for beginners looking to learn and experts wishing to refresh their knowledge alike! The Big Ideas Series With millions of copies sold worldwide, The Movie Book is part of the award-winning Big Ideas series from DK. The series uses striking graphics along with engaging writing, making big topics easy to understand.

*The Road Movie Book* Steven Cohan, Ina Rae Hark, 2002-01-04 The Road Movie Book is the first comprehensive study of an enduring but ever-changing Hollywood genre, its place in American culture, and its legacy to world cinema. The road and the cinema both flourished in the twentieth century, as technological advances brought motion pictures to a mass audience and the mass produced automobile opened up the road to the ordinary American. When Jean Baudrillard equated modern American culture with 'space, speed, cinema, technology' he could just as easily have added that the road movie is its supreme emblem. The contributors explore how the road movie has confronted and represented issues of nationhood, sexuality, gender, class and race. They map the generic terrain of the road movie, trace its evolution on American television as well as on the big screen from the 1930s through the 1980s, and, finally, consider road movies that go off the road, departing from the US landscape or travelling on the margins of contemporary American culture. Movies discussed include: \* Road classics such as It Happened One Night, The Grapes of Wrath, The Wizard of Oz and the Bob Hope-Bing Crosby Road to films \* 1960's reworkings of the road movie in Easy Rider and Bonnie and Clyde \* Russ Meyer's road movies: from Motorpsycho! to Faster Pussycat! Kill! Kill! \* Contemporary hits such as Paris Texas, Rain Man, Natural Born Killers and Thelma and Louise \* The road movie, Australian style, from Mad Max to the Adventures of Priscilla, Queen of the Desert.

**Silent Movies** Peter Kobel, 2009-02-28 Drawing on the extraordinary collection of The Library of Congress, one of the greatest repositories for silent film and memorabilia, Peter Kobel has created the definitive visual history of silent film. From its birth in the 1890s, with the earliest narrative shorts, through the brilliant full-length features of the 1920s, Silent Movies captures the greatest directors and actors and their immortal films. Silent Movies also looks at the technology of early film, the use of color photography, and the restoration work being spearheaded by some of Hollywood's most important directors, such as Martin Scorsese and Francis Ford Coppola. Richly illustrated from the Library of Congress's extensive collection of posters, paper prints, film stills, and memorabilia -- most of which have never been in print -- Silent Movies is an important work of history that will also be a sought-after gift book for all lovers of film.

**Comic Book Movies - Virgin Film** David Hughes, 2012-10-31 The superheroes are back! Since the 1970s, the film world has found inspiration in comic books and graphic novels. These days no summer is complete without a major blockbuster movie based on a comic: Superman, Batman, Spider-Man, X-Men, Men in Black, Daredevil, and The Hulk. Modern special effects have made large-scale superhero epics possible, but the diversity of the comics being published has made for a wide variety of subjects, as evidenced by Ghost World, From Hell, Akira and Road to Perdition. This book looks in detail at twenty key titles, covering every step of the development from comic book panel to feature film frame. Includes interviews with key creative artists about the evolution of the films from the original comics, and speculates about future films.

**Movies About the Movies** Christopher Ames, 2021-11-21 Hundreds of Hollywood-on-Hollywood movies can be found throughout the history of American cinema, from the days of silents to the present. They include films from genres as far ranging as musical, film noir, melodrama, comedy, and action-adventure. Such movies seduce us with the promise of revealing the reality behind the camera. But, as part of the very industry they supposedly critique, they cannot take us behind the scenes in any true sense. Through close analysis of fifteen critically acclaimed films, Christopher Ames reveals how the idea of Hollywood is constructed and constructs itself. Films discussed: What Price Hollywood? (1952), A Star Is Born (1937), Stand-In (1937), Boy Meets Girl (1938), Sullivan's Travels (1941), In a Lonely Place (1950), Sunset Boulevard (1950), The Star (1950), Singin' in the Rain (1952), The Bad and the Beautiful (1952), Pennies from Heaven (1981), The Purple Rose of Cairo (1985), The Player (1992), Last Action Hero (1993).

**The Essentials Vol. 2** Jeremy Arnold, Turner Classic Movies, 2020-10-20 A guide to fifty-two examples of must-see cinema, The Essentials Vol. 2 -- based on the Turner Classic Movies series -- is packed with behind-the-scenes stories, illuminating commentary, moments to watch for, and hundreds of photos spotlighting films that define what it means to be a classic. Since 2001, Turner Classic Movies' The Essentials has been the ultimate destination for cinephiles both established and new, showcasing films that have had a lasting impact on audiences and filmmakers everywhere. In this second volume based on the series, fifty-two films are profiled with insightful notes on why they're Essential, a guide to must-see moments, and running commentary from Essentials hosts past and present: TCM's Ben Mankiewicz and the late Robert Osborne, as well as Rob Reiner, Sydney Pollack, Molly Haskell, Carrie Fisher, Rose McGowan, Alec Baldwin, Drew Barrymore, Sally Field, William Friedkin, Ava DuVernay, and Brad Bird. Enjoy one film per week for a year of stellar viewing or indulge in your own classic movie festival. Spanning the silent era through the late 1980s with such diverse films as Top Hat, Brief Encounter, Rashomon, Vertigo, and Field of Dreams, it's an indispensable book for movie lovers to expand their knowledge of cinema and discover -- or revisit -- landmark films that impacted Hollywood forever.

**501 Must-see Movies** Emma Beare, 2004 The book is divided into ten genres, with fifty films appearing in each category. Each entry includes a synopsis of the plot, details of awards for which it was nominated and those it won, and fascinating background or insider knowledge about the making of the movie. Contains over a century of film history--Page 4 of cover.

**I Hated, Hated, Hated This Movie** Roger Ebert, 2000-04 I Hated, Hated, Hated This Movie is a collection of more than 200 of Ebert's most biting and entertaining reviews of films receiving a mere star or less from the only film critic to win the Pulitzer Prize. Ebert has no patience for these atrocious movies and minces no words in skewering the offenders. Witness: Armageddon \* (1998) - The movie is an assault on the eyes, the ears, the brain, common sense, and the human desire to be entertained. No matter what they're charging to get in, it's worth more to get out. The Beverly Hillbillies \* (1993) - Imagine the dumbest half-hour sitcom you've ever seen, spin it out to ninety-three minutes by making it even more thin and shallow, and you have this movie. It's appalling. North no stars (1994) - I hated this movie. Hated hated hated hated hated this movie. Hated it. Hated every simpering stupid vacant audience-insulting moment of it. Hated the sensibility that thought anyone would like it. Hated the implied insult to the audience by its belief that anyone would be entertained by it. Police Academy no stars (1984) - It's so bad, maybe you should pool your money and draw straws and send one of the guys off to rent it so that in the future, whenever you think you're sitting through a bad comedy, he could shake his head, chuckle tolerantly, and explain that you don't know what bad is. Dear God \* (1996) - Dear God is the kind of movie where you walk out repeating the title, but not with a smile. The movies reviewed within I Hated, Hated, Hated This Movie are motion pictures you'll want to distance yourself from, but Roger Ebert's creative and comical musings on those films make for a book no movie fan should miss.

**Hollywood by Hollywood** Steven Cohan, 2018 The backstudio picture, or the movie about movie-making, is a staple of Hollywood film production harking back to the silent era and extending to the present day. What gives backstudios their coherence as a distinctive genre, Steven Cohan argues in Hollywood by Hollywood, is their fascination with the mystique of Hollywood as a geographic place, a self-contained industry, and a fantasy of fame, leisure, sexual freedom, and modernity. Yet by the same token, if backstudio pictures have rarely achieved blockbuster box-office success, what accounts for the film industry's interest in continuing to produce them? The backstudio picture has been an enduring genre because, aside from offering a director or writer a chance to settle old scores, in branding filmmaking with the Hollywood mystique, the genre solicits consumers' strong investment in the movies. Whether inspiring the movie crazy fan girls of the early teens and twenties or the wannabe filmmakers of this century heading to the West Coast after their college graduations, backstudios have given emotional weight and cultural heft to filmmaking as the quintessential American success story. But more than that, a backstudio picture is concerned with shaping perceptions of how the film industry works, with masking how its product depends upon an industrial labor force, including stardom, and with determining how that work's value accrues from the Hollywood brand stamped onto the product. Cohan supports his well theorized and well researched claims with nuanced discussions of over fifty backstudios, some canonical and well-known, and others obscure and rarely seen. Covering the hundred-year timespan of feature length film production, Hollywood by Hollywood offers an illuminating perspective for considering anew the history of American movies.

**The Slasher Movie Book** Justin A. Kerswell, 2012 Packed with reviews of the best (and worst) slasher movies and illustrated with a collection of distinctive and often graphic poster artwork from around the world, this book looks at the political, cultural, and social influences on the slasher movie and its effect.

**Top 100 Fantasy Movies** Gary Gerani, 2012 The film critiques within represent the author's choices for the cinema's most significant fantasy endeavors.

**The Anatomy Student's Self-Test Colouring Book** Dr. Kurt H. Albertine,2016-09-01

**Movies in a Minute** Tom Pontac,2014-10-27 The book is a combination of love and art. It presents classic films in a new way, reminding the readers about what they felt and enjoyed when they first experienced these films. It allows them to run the film and the enjoyment of it once again in the theater of their minds. It helps brings back the good old times in a brand new way. It's time to enjoy the essence of the hundred greatest movies in a page of poetry.

## Movies Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has be much more apparent than ever.
