Our jaws are getting smaller and our teeth crooked and crowded, creating not only aesthetic challenges but also difficulties with breathing. Modern orthodontics has persuaded us that braces and oral devices can correct these problems. While teeth can certainly be straightened, what about the underlying causes of this rapid shift in oral evolution and the health risks posed by obstructed airways? Sandra Kahn and Paul R. Ehrlich, a pioneering orthodontist and a world-renowned evolutionist, respectively, present the biological, dietary, and cultural changes that have driven us toward this major health challenge. They propose simple adjustments that can alleviate this developing crisis, as well as a major alternative to orthodontics that promises more significant long-term relief. Jaws will change your life. Every parent should read this book.

*Tamed by Air* Quinn Loftis,2022-08-30 The warriors of the Nature Hunters Academies should be celebrating. By joining forces, they were able to defeat the sinister demon, Dolion, and his battalion of witches. But no battle is won without cost. During the fray, two of their own were lost. Not killed, but taken. Aston, the air elemental, was literally snatched from the battle by a woman riding a ferocious dragon. He'll soon find himself imprisoned in the dragon realm, and he and his captor share a bond he can't begin to understand. Shelly Smith, mate to the descendant of pharaohs and powerful fire elemental, Ra, has once again been kidnapped by Osiris himself. It seems the lord of the underworld doesn't take too kindly to being bested. Needless to say, Ra is not handling it well, and it takes all of the combined strength of his friends, Elias, Tara, Liam, and Gabby to keep him from tearing after her on a suicide mission. The dark elementals have momentarily been defeated. But the forces of light aren't foolish enough to believe their enemies are gone for good. The dark ones will bide their time, hiding, waiting for the opportunity to strike again. Will the weakened light elementals have the strength to resist them again when the time comes?
