Dynamic Curriculum Development and Design Strategies for Effective Online Learning in Higher Education Walters, Kelley,2023-09-28 Online learning has gained popularity as a preferred option for higher education institutions globally, particularly due to the COVID-19 pandemic. This has created a need for educators and practitioners to understand the strategies and techniques required for designing and delivering effective online courses that can engage students and provide them with the necessary skills and knowledge for success. The book Dynamic Curriculum Development and Design Strategies for Effective Online Learning in Higher Education offers a practical guide and insights into the latest trends and best practices for curriculum development and design in the context of online learning. Organized into three main sections, the book begins with an overview of the current landscape of online learning and the challenges and opportunities it presents for curriculum development. It then delves into the design and development of online courses, followed by the implementation and delivery of those courses. The book is relevant to both novice and experienced educators and practitioners who are involved in designing, developing, and delivering online courses in higher education. It provides a comprehensive understanding of the strategies and techniques required to design and deliver effective online courses, while examining the challenges and opportunities presented by online learning in higher education. As such, this book is an essential resource for anyone involved in online learning in higher education who seeks to develop and deliver dynamic and engaging courses that cater to the needs of online learners.

BlackBerry for Work Kunal Mittal,Shikha Gupta,Neeraj Gupta,2010-05-06 The BlackBerry is cool, and the BlackBerry is fun, but the BlackBerry also means serious business. For those of you who bought your BlackBerry to help get your life organized and free yourself from the ball-and-chain of desktop computing, BlackBerry for Work: Productivity for Professionals is the book to show you how. There are plenty of general-purpose BlackBerry guides, but this book shows you how to complete all the traditional smartphone tasks, like to-dos, calendars, and email, and become even more efficient and productive. You'll learn mechanisms for developing effective workflows specific to the features of the BlackBerry and also efficient strategies for dealing with the specialized aspects of business and professional lifestyles. After giving a professionally targeted introduction to the built-in applications and configuration options, this book details the BlackBerry's enterprise features. This book also delves into App World, the BlackBerry's source for third-party software. It discusses some of the best business and vertical applications, and shows you how to take advantage of this wealth of add-ons and professional functionality. The only business-specific guide to the BlackBerry. Improve your productivity with innovative mobile workflows that free you from the desktop. Make the BlackBerry work for you so you can work better. The authors of BlackBerry for Work have decided to direct their share of the proceeds from the book to a charity in India. The Mitr Foundation is a trust founded in the city of Hyderabad, with the objective of contributing its might towards the empowerment of the girl child through education. Somewhere between the elite and the underprivileged lies the core essence of our endeavor. Shikha Gupta has pledged to undertake the responsibility of educating three children.
