A Year of Mr Maybes Judy Leigh,2022-03-29 Never say never to falling in love... Val didn’t expect to be starting again in her seventies, but when life gives her lemons, Val is determined to make lemonade. Settled into her new home – a picture-perfect fisherman’s cottage in the small Cornish seaside town of Lowenstowe – Val is ready to start a new chapter. And with her son due to get married next Christmas, there’s also the little job of finding herself a plus-one to help her face her ex-husband and his new girlfriend. With the support of her neighbour Connie, and after decades of married life, Val takes the plunge back into the world of dating with trepidation and excitement. But can she remember how the single life works, let alone what her type is? There seem to be plenty of Mr Maybes, but no sign of Mr Right. As the year passes, and as friendships and community life flourish, Val begins to blossom. And as Christmas approach, she might just decide she doesn’t need that plus-one after all - although never say never... Judy Leigh is back with her trademark promise of laughter, love and friendship. The perfect feel-good novel for all fans of Dawn French, Dee Macdonald and Cathy Hopkins. Readers love Judy Leigh: ‘Loved this from cover to cover, pity I can only give this 5 stars as it deserves far more.’ ‘The story’s simply wonderful, the theme of second chances will resonate whatever your age, there’s something for everyone among the characters, and I do defy anyone not to have a tear in their eye at the perfect ending.’ ‘With brilliant characters and hilarious antics, this is definitely a cosy read you'll not want to miss.’ ‘This is just one of those books that makes you feel good about being alive!’ ‘A lovely read of how life doesn't just end because your getting old.’ ‘A great feel-good and fun story that made me laugh and root for the characters.’ Praise for Judy Leigh: ‘Brilliantly funny, emotional and uplifting’ Miranda Dickinson 'Lovely . . . a book that assures that life is far from over at seventy' Cathy Hopkins bestselling author of The Kicking the Bucket List 'Brimming with warmth, humour and a love of life... a wonderful escapade’ Fiona Gibson,

Cubed Erno Rubik,2020-09-15 The first book by the reclusive inventor of the world’s most iconic puzzle THE RUBIK’S CUBE. Erno Rubik inspires us with what he’s learned in a lifetime of creating, curiosity, and discovery. Erno Rubik was a child when he first became obsessed with puzzles of all kinds. “Puzzles,” he writes, “bring out important qualities in each of us: concentration, curiosity, a sense of play, the eagerness to discover a solution.” To Rubik puzzles aren’t just games—they’re creativity machines. He encourages us to embrace our inner curiosity and find the puzzles that surround us in our everyday lives. “If you are determined, you will solve them,” he writes. Rubik’s own puzzle, the Cube, went on to be solved by millions worldwide for over forty years, become one of the bestselling toys of all time, and to be featured as a global symbol of intelligence and ingenuity. In Cubed, Rubik covers more than just his journey to inventing his eponymous cube. He makes a case for always being an amateur—something he has always considered himself to be. He discusses the inevitability of problems during any act of invention. He reveals what it was like to experience the astonishing worldwide success of an object he made purely for his own play. And he offers what he thinks it means to be a

true creator (hint: anyone can do it). Steeped in the wisdom and also the humility of a born inventor, Cubed offers a unique look at the imperfect science of creation.
