The Millionaire Real Estate Agent Gary Keller,Dave Jenks,Jay Papasan,2004-04-01 Take your real estate career to the highest level! Whether you are just getting started or a veteran in the business, The Millionaire Real Estate Agent is the step-by-step handbook for seeking excellence in your profession and in your life. --Mark Victor Hansen, cocreator, #1 New York Times bestselling series Chicken Soup for the Soul This book presents a new paradigm for real estate and should be required reading for real estate professionals everywhere. --Robert T. Kiyosaki, New York Times bestselling author of Rich Dad, Poor Dad The Millionaire Real Estate Agent explains: Three concepts that drive production Economic, organizational, and lead generation models that are the foundations of any high-achiever's business How to Earn a Million, Net a Million, and Receive a Million in annual income

The War at Home Rachel Starnes,2016-07-05 A portrait of the strains of a military marriage and meditation on what it means to be left behind—a brave account of the challenges facing the wife of a Naval fighter pilot. When she fell in love with her brother's best friend, Rachel Starnes had no idea she was about to repeat a painful family pattern—marrying a man who leaves regularly and for long stretches to work a dangerous job far from home. Through constant relocations, separations, and the crippling doubts of early parenthood, Starnes effortlessly weaves together strands from her past with the relentless pace of Navy life in a time of war. Searingly honest and emotionally unflinching—and at times laugh out loud funny—Starnes eloquently evokes the challenges she faces in trying to find and claim a sense of home while struggling to chart a new path and avoid passing on the same legacy to her two young sons. At once a portrait of the devastating strains that military life puts on families and a meditation on what it means to be left behind, *The War at Home* is a brave portrait of a modern military family and the realities of separation, endurance, and love that overcomes. “Rachel Starnes’s *The War at Home* navigates the joys, fears, compromises, and casualties that create the terrain of marriage. And if you are a military spouse, her memoir will reveal thoughts you never even knew you had. This is a wise and fearless book.” —Siobhan Fallon, author of *You Know When the Men Are Gone* “One of the most honest and genuine memoirs I’ve ever read, as well as one of the most finely written. There’s not a false note in these pages. Rachel Starnes’s story is at once both singular and emblematic. . . . *The War at Home* is that rare thing: a book about the here and now that promises to last well beyond next month or next year.” —Steve Yarbrough, award-winning author of *The Realm of Last Chances* and *Safe from the Neighbors*

Scientific governance in Britain, 1914-79 Don Leggett,Charlotte Sleight,2016-08-31 Scientific governance in Britain, 1914-79 examines the connected histories of how science was governed, and used in governance, in twentieth-century Britain. During the middle portion of that century, British science grew dramatically in scale, reach and value. These changes were due in no small part to the two world wars and their associated effects, notably post-war reconstruction and the on-going Cold War. As the century went on, there were more scientists - requiring more money to fund their research - occupying ever more niches in industry, academia, military and civil institutions. Combining the latest research on twentieth-century British

science with insightful discussion of what it meant to govern - and govern with - science, this volume provides both an invaluable introduction to science in twentieth-century Britain for students and a fresh thematic focus on science and government for researchers interested in the histories of science and governance. This volume features a foreword from Sir John Beddington, UK Government Chief Scientific Adviser 2008-13.

Wrath of the Old Gods Box Set 1 John Triptych, 2016-09-15 The first three books of the Wrath of the Old Gods series (The Gloomings, Canticum Tenebris, A World Darkly), all in one volume! The modern world is thrown into turmoil when the ancient gods of antiquity return. From the battlefields of the Middle East to the heartland of America, the nations of the world are sent reeling against the supernatural deluge of demigods and monsters. As chaos and destruction reigns, a select few men, women, and children must rise up to defend the surviving pockets of humanity in order to save civilization. A world spanning adventure of multiple characters, ancient gods and mythological creatures, the Wrath of the Old Gods series combines myriad genres of the occult, mythology, horror, suspense and adventure against a thrilling, post-apocalyptic backdrop. Don't miss it! Wrath of the Old Gods Series: Book 1 The Gloomings Book 1.5 Pagan Apocalypse (YA series) Book 2 Canticum Tenebris Book 2.5 The Fomorians (YA series) Book 3 A World Darkly Book 3.5 Eye of Balor (YA series)

Canticum Tenebris John Triptych, 2016-04-06 People called it the Gloomings- the dark days when the ancient gods returned and unleashed their divine power against mankind. Several months have now passed and the remaining nations of the world are teetering on the edge of collapse. As the United States prepares for the inevitable invasion by the Aztec lords at their southern borders, the country is threatened to be torn apart by civil war as a new, apocalyptic theocracy rises in its heartland. Meanwhile in Europe, a cabal of sinister mages begins their merciless grab for power. In the Middle East, only Israel stands alone against the might of the Babylonian gods, but pays a terrible price for its defense. As the darkness across the land intensifies, the chosen few to lead the fight against the old gods have problems of their own. Dr. Paul Dane grapples with self-doubt, and must break free from the prison of his own mind. Detective Valerie Mendoza is in conflict with her own feelings over the life she could have once led, and with the man she is now falling in love with. Ilya, the precocious Russian orphan, must use his wits and cunning to devise a plan to escape from his brutal captors and rescue his one true friend, Tara Weiss. The stakes have never been higher. As the savage desperation and the wanton destruction increases, people begin to manifest the darkest part of their true natures. In the places where the old gods dwell, the real enemy is man. Wrath of the Old Gods Series: Book 1 The Gloomings Book 1.5 Pagan Apocalypse (YA series) Book 2 Canticum Tenebris Book 2.5 The Fomorians (YA series) Book 3 A World Darkly Book 3.5 Eye of Balor (YA series)

Warflower: A True Story of Family, Service, and Life in Alaska Robert Stark,2022-06-01 Bob Stark had no plans after high school. With his brother locked away in the only maximum-security prison in Alaska, his mom working overtime at the local grocery store, and his bad habits getting worse, he saw no hope for the future. Until the Army recruiter came to school offering an escape. Bob envisioned romantic adventures in Italy, life-saving missions in Africa, and friendships built on tough times - he wanted to be an honorable, dependable, and brave man - all of the things he was not. He signed the papers, and five days after graduation was sent out. After basic training and airborne school, Bob is stationed in Italy where his eighteen-year-old dreams of travel and romance are cut short when his unit is ordered to parachute into Northern Iraq. He spends the next year in Iraq learning more than he could have ever imagined. Four and a half years later, after two deployments and a long list of life lessons, Bob leaves Fort Campbell, Kentucky on a road trip west with the hopes of falling in love with the country he fought for. Along the way, he reunites with family and friends - from his happy-go-lucky mother in Arizona who talks to her incarcerated husband on the phone whenever she is not at work, to his foul-mouthed grandmother in Idaho who wears one glove and drinks beer with ice all day long, until finally reuniting with his high school sweetheart in Las Vegas - Bob begins a new chapter of self-discovery and acceptance that just may allow him to be the man he always wanted to be. Warflower is a coming-of-age story about family traditions, brotherhood, and one boy's journey into manhood without a father to teach him.

The Breakers Series: Books 4-6 Edward W. Robertson,2015-10-29 In the Breakers series, humanity faces not one apocalypse, but two: first a lethal pandemic, then a war against those who made the virus. This collection includes books 4-6: Reapers, Cut Off, and Captives, for over 1000 pages of post-apocalyptic survival. Keywords: post-apocalyptic, aliens, dystopian, science fiction series
