The Clash Martin Popoff, 2022-05-31 THE STORIES BEHIND EVERY STUDIO TRACK FROM THE ONLY BAND THAT MATTERS. Established in 1976 at the fore London's punk rock insurgency, The Clash would outlast their peers while creating some of the most influential albums in rock 'n' roll history. Author Martin Popoff dissects each of the Clash's ninety-one studio tracks, examining the circumstances that led to their creation, the recording processes, the historical contexts and more. In addition, introductory essays set the scene for the band's six studio releases (including the double LP London Calling and the triple Sandinista!) and feature sidebars detailing studios, release dates, personnel, and more. Illustrated with rare performance and offstage photography, along with images of 7-inch singles sleeves and gig posters, the resulting volume is a fitting tribute to the foursome whose staunch political stance and groundbreaking amalgam of punk, rockabilly, reggae, and hip-hop earned the title "The Only Band That Matters."

30 Seconds In His Presence Terry MacAlmon, 2018-11-01

This book will give you an insight of God's presence from Terry's own perspective. God has made Himself available to us in a very real way. Terry takes us to His throne with the same anointing you feel on his music. A must read for worshipers! 30 Seconds in His Presence is a book totally dedicated to the manifest presence of God as experienced by the author himself. Terry MacAlmon shares many stories of divine encounters with the Holy Spirit. He also offers instruction on how to reach Jesus through worship and a spirit-led life. "I can't live without His presence. I'm not talking about listening to or singing songs that include lyrics about His presence. I'm not talking about an emotional frenzy that is the result of a beat-driven, full of the flesh "worship service". I'm not talking about the latest supposed "cutting edge" church experience where talented musicians get together on any given Tuesday night to write a new contemporary Christian "hit" for the following Sunday that somehow goes on to sweep the nation. I'm not even talking about the most beautiful of melodies and lyrics ever written, whatever you may deem that to be in your own musical taste and experience. I'm talking about His presence...the tangible, unmistakable, un-counterfeit-able, healing, soul-changing, manifest presence of God. All of the above things mentioned may contain it but there are no guarantee of it in and of themselves. Think of it...the glory of heaven touching earth...the attendance of the Creator of the universe...THIS IS

ESSENCE OF LIFE TO ME."
