**Go the F\*\*k to Sleep** Adam Mansbach, 2011-06-14 The #1 New York Times Bestseller: “A hilarious take on that age-old problem: getting the beloved child to go to sleep” (NPR). “Hell no, you can’t go to the bathroom. You know where you can go? The f\*\*k to sleep.” Go the Fuck to Sleep is a book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don’t always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won’t care.

*Thank You, Mr. Falker* Patricia Polacco, 2012-04-12 The real-life, classic story of a dyslexic girl and the teacher who would not let her fail. A perfect gift for teachers and for reading students of any age. Patricia Polacco is now one of America's most loved children's book creators, but once upon a time, she was a little girl named Trisha starting school. Trisha could paint and draw beautifully, but when she looked at words on a page, all she could see was jumble. It took a very special teacher to recognize little Trisha's dyslexia: Mr. Falker, who encouraged her to overcome her reading disability. Patricia Polacco will never forget him, and neither will we. This inspiring story is available in a deluxe slipcased edition, complete with a personal letter to readers from Patricia Polacco herself. Thank You, Mr. Falker will make a beautiful gift for the special child who needs encouragement or any special teacher who has made a difference in the child's life.

**The Circle** Dave Eggers, 2013-10-08 INTERNATIONAL BESTSELLER • A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a “compulsively readable parable for the 21st century” (Vanity Fair). When Mae Holland is hired to work for the Circle, the world’s most powerful internet company, she feels she’s been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users’ personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company’s modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can’t believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman’s ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

RAF Wings over Florida Will Largent,2020-08-01 From 1941 through 1945, British cadets in the Royal Air Force trained in the United States through the Lend-Lease Act, President Roosevelt's ingenious plan to help beleaguered Great Britain while maintaining the semblance of neutrality. This book tells the saga of two Florida training fields during this turbulent time. In their own words, British pilots tell of their Florida experiences. Many of them still in their late teens, away from home for the first time, pale and thin from years of rationing, these young men encountered immense challenges and overwhelming generosity during their training in Florida. Now retired, these former pilots still smell the scent of orange blossoms when they glance through the log books they kept while flying their Stearmans and Harvards over Florida citrus groves. They fondly remember the times when they buzzed over the homes of their Florida "families" to let them know to expect them for Sunday dinner. More than fifty years later, their stories still resonate with universal emotions: fear of failure, love of country, camaraderie, romantic love, and the pain of tragic deaths. Their stories also remind the American reader of a unique time in our history, when, poised on the brink of war, the United States reached out to help a country in distress.

**How Not to Hate Your Husband After Kids** Jancee Dunn,2017-03-21 Get this for your pregnant friends, or yourself (People): a hilariously candid account of one woman's quest to bring her post-baby marriage back from the brink, with life-changing, real-world advice. Recommended by Nicole Cliffe in Slate Featured in People Picks A Red Tricycle Best Baby and Toddler Parenting Book of the Year One of Mother magazine's favorite parenting books of the Year How Not To Hate Your Husband After Kids tackles the last taboo subject of parenthood: the startling, white-hot fury that new (and not-so-new) mothers often have for their mates. After Jancee Dunn had her baby, she found that she was doing virtually all the household chores, even though she and her husband worked equal hours. She asked herself: How did I become the 'expert' at changing a diaper? Many expectant parents spend weeks researching the best crib or safest car seat, but spend little if any time thinking about the titanic impact the baby will have on their marriage - and the way their marriage will affect their child. Enter Dunn, her well-meaning but blithely unhelpful husband, their daughter, and her boisterous extended family, who show us the ways in which outmoded family patterns and traditions thwart the overworked, overloaded parents of today. On the brink of marital Armageddon, Dunn plunges into the latest relationship research, solicits the counsel of the country's most renowned couples' and sex therapists, canvasses fellow parents, and even consults an FBI

hostage negotiator on how to effectively contain an explosive situation. Instead of having the same fights over and over, Dunn and her husband must figure out a way to resolve their larger issues and fix their family while there is still time. As they discover, adding a demanding new person to your relationship means you have to reevaluate -- and rebuild -- your marriage. In an exhilarating twist, they work together to save the day, happily returning to the kind of peaceful life they previously thought was the sole province of couples without children. Part memoir, part self-help book with actionable and achievable advice, *How Not To Hate Your Husband After Kids* is an eye-opening look at how the man who got you into this position in this first place is the ally you didn't know you had.

*The Emerald Tablets of Thoth-The-Atlantean*, 2002 The Spiritual, Occult and Historical significance of the Emerald Tablets is almost beyond belief of modern man. Written around 36,000 B.C. by Thoth, an Atlantean priest-king, this manuscript dates far back beyond reach of any Egyptian writings ever found. The author, Thoth, a Master-Teacher of the early Egyptians, put this treatise to writing in his native Atlantean language and Dr. Doreal, by use of his expertise as an Occultist and Master of time and space, was given the directive to retrieve these Tablets and translate them into English for the edification of modern man. The powerful and rhythmic verse of Thoth is wonderfully retained in Doreal's translation. Contained within the pages of Thoth's masterpiece of Spiritual and Occult Wisdom is the synthesis of the Ancient Wisdom Teachings, the guideline for initiates of all ages, revealing the Knowledge and Wisdom hitherto held secret, but now in this New Age, revealed to all Seekers on the Path of Light. Dr. M. Doreal, Ms.D., Psy.D., is the Spiritual; Teacher of a multitude of Seekers of Light, having founded a Metaphysical Church and College - The Brotherhood of the White Temple, Inc. He is the author of all of the Organization's writings and teachings, having been given permission for the Esoteric Wisdom to be remitted in a public forum by the Great White Lodge, the Elder Brothers of mankind who shape and form the Spiritual evolution of earth's inhabitants. The Brotherhood of the White Temple, Inc. is a correspondence school, accredited through the State of Colorado, and mails out to its world-wide membership weekly Lessons of Truth. Its four and one-half year College Course unveils the secrets of the Symbolism of all Mystery

Schools, giving precisely and beautifully, the step by step progression all Seekers have searched for in their quest for Oneness with God, and for attainment of Cosmic Consciousness. Read, Believe or not, but read, and the vibration found therein will awaken a response in your soul.' - Doreal

The Bluest Eye Toni Morrison, 2007-05-08 NATIONAL BESTSELLER • From the acclaimed Nobel Prize winner—a powerful examination of our obsession with beauty and conformity that asks questions about race, class, and gender with characteristic subtlety and grace. In Morrison's acclaimed first novel, Pecola Breedlove—an 11-year-old Black girl in an America whose love for its blond, blue-eyed children can devastate all others—prays for her eyes to turn blue: so that she will be beautiful, so that people will look at her, so that her world will be different. This is the story of the nightmare at the heart of her yearning, and the tragedy of its fulfillment. Here, Morrison's writing is "so precise, so faithful to speech and so charged with pain and wonder that the novel becomes poetry" (The New York Times).

**The Thing Around Your Neck** Chimamanda Ngozi Adichie, 2010-06-01 These twelve dazzling stories from Chimamanda Ngozi Adichie — the Orange Broadband Prize-winning author of *Half of a Yellow Sun* — are her most intimate works to date. In these stories Adichie turns her penetrating eye to the ties that bind men and women, parents and children, Nigeria and the United States. In "A Private Experience," a medical student hides from a violent riot with a poor Muslim woman, and the young mother at the centre of "Imitation" finds her comfortable life in Philadelphia threatened when she learns that her husband has moved his mistress into their Lagos home. Searing and profound, suffused with beauty, sorrow and longing, this collection is a resounding confirmation of Adichie's prodigious literary powers.

**Kabbalah, Magic, and the Great Work of Self-transformation** Lyam Thomas Christopher, 2006 Advancing to higher levels of ritual magic with purpose and power requires an exaltation of consciousness—a spiritual transformation that can serve as an antidote to the seeming banality of modern life. Based on Kabbalistic techniques, the teachings of the Hermetic Order of the Golden Dawn, and an Hermetic tradition spanning nearly two thousand years, this innovative new work introduces the history of the Golden Dawn and its mythology, the Tree of Life, Deities, demons, rules for practicing magic, and components of effective ritual. A comprehensive course of self-initiation using Israel Regardie's seminal *Golden Dawn* as a key reference point, *Kabbalah, Magic and the Great Work of Self-Transformation* guides you through the levels of the Golden Dawn system of ritual magic. Each grade in this system corresponds with a sphere in the Kabbalistic Tree of Life and includes daily rituals, required reading, written assignments, projects, and additional exercises. Knowledgeable and true to tradition, author Lyam Thomas Christopher presents a well-grounded and modern step-by-step program toward spiritual attainment, providing a lucid gateway toward a more awakened state. Finalist for the Coalition of Visionary Resources Award for Best Magick/Shamanism Book
