Saved by a Song Mary Gauthier,2021-07-06 A handbook for compassion... a Must-Read Music Book.” —Rolling Stone Country Generous and big-hearted, Gauthier has stories to tell and worthwhile advice to share. —Wally Lamb, author of I Know This Much Is True Gauthier has an uncanny ability to combine songwriting craft with a seeker’s vulnerability and a sage’s wisdom.” —Amy Ray, Indigo Girls From the Grammy nominated folk singer and songwriter, an inspiring exploration of creativity and the redemptive power of song Mary Gauthier was twelve years old when she was given her Aunt Jenny’s old guitar and taught herself to play with a Mel Bay basic guitar workbook. Music offered her a window to a world where others felt the way she did. Songs became lifelines to her, and she longed to write her own, one day. Then, for a decade, while struggling with addiction, Gauthier put her dream away and her call to songwriting faded. It wasn’t until she got sober and went to an open mic with a friend did she realize that she not only still wanted to write songs, she needed to. Today, Gauthier is a decorated musical artist, with numerous awards and recognition for her songwriting, including a Grammy nomination. In *Saved by a Song*, Mary Gauthier pulls the curtain back on the artistry of songwriting. Part memoir, part philosophy of art, part nuts and bolts of songwriting, her book celebrates the redemptive power of song to inspire and bring seemingly different kinds of people together.

Life ...There's an App for That JW Festini, 2015-11-09 Written in the form of a technical manual, the book shares the authors thoughts and personal experience in a relaxed and conversational manner, easily understood by young people today. When we are children, we are filled with imagination, but as we get older, we lose the ability to dream. How many times have we heard well-meaning adults tell us Stop daydreaming and get to work. For most people, this leads to an unfulfilled life, and questions like Why am I here? or Where am I going? are either asked too late or not at all. The book likens our life journey to the apps that are installed on computers. The well-worn phrase There's an app for that inspired the author to imagine what it would be like if we could create apps for our life. This is a modern self-help book also based in reality. The author shares how he and others weathered the Great Recession and other obstacles with the help of the Starting Over app. In order to help guide the reader toward a more fulfilling life, the question Why am I here? is answered. We are here to leave a legacy for those who follow. This frees the reader up to pursue a meaningful life on the way to powering down.
