Earth Force Shemer Kuznits,2019-04-30 On the first day, a mist descended from the heavens blanketing Earth.On the second day, a cryptic message, 'Infusion commencing', appeared in the corner of everyone's eyes. On the third day, the sick were healed and the crippled walked again. On the fourth day, celebration and joy spread across the globe. And on the fifth day, the warping began...There was no warning. A mist descended from the sky, disabling all technology and causing a weird message to appear at the corner of everyone's eye. The situation grew even worse as animals and people started to warp, transforming into terrible monsters that prey on the livings. Within months, human civilization had crumbled. Unable to fight the seemingly-indestructible beasts, the survivors are reduced to cowering in reinforced shelters. Waiting for the end to come. Helpless. All seemed lost until a few brave souls discovered the secret of their new reality: the Tec and how to use it to level up. Together they represent humanity's last best hope for salvation. But they first must find the answers to the mystery of their new existence. Their journey will require them to quickly adapt to alien technology, operate strange spaceships, and even befriend an extra-terrestrial merchant with an Inferiority Complex.

Blood Crazy Simon Clark, 2014-10-28 It is a quiet, uneventful Saturday in Doncaster. Nick Aten, and his best friend Steve Price – troubled seventeen year olds – spend it as usual hanging around the sleepy town, eating fast food and planning their revenge on Tug Slatter, a local bully and their arch-enemy. But by Sunday, Tug Slatter becomes the last of their worries because somehow overnight civilization is in ruins. Adults have become murderously insane – literally. They're infected with an uncontrollable urge to kill the young. Including their own children. As Nick and Steve try to escape the deadly town covered with the mutilated bodies of kids, a group of blood-thirsty adults ambushes them. Just a day before they were caring parents and concerned teachers, today they are savages destroying the future generation. Will Nick and Steve manage to escape? Is their hope that outside the Doncaster borders the world is 'normal' just a childish dream? *Blood Crazy*, first published in 1995,

is a gripping, apocalyptic horror from Simon Clark.

Introduction to Android (operating system) Gilad James, PhD, Android is an open-source operating system that has been developed by Google. It is the most popular platform for smartphones and tablets, accounting for almost 85% of the market share. The operating system is based on Linux and includes a user-friendly interface that can be customized according to the user's preference. Android has become popular because of its accessibility, customizability, and flexibility. It comes equipped with a range of features, including Google Assistant, Google Play Store, Google Maps, and more. The Android operating system is designed to run on a variety of devices, including smartphones, tablets, and even smart TVs. It allows users to download and install thousands of applications from the Google Play Store. Google also provides regular updates to ensure the operating system is secure and includes new features. Android's key features include multi-tasking, notifications, widgets, and an AI-powered personal assistant in Google Assistant. With Android being an open-source platform, developers can build customized versions for different types of devices and create applications that work seamlessly with the operating system.
