**Mute** Christine Bernard,2020 Is it possible to live in the world without speech? How much would you change if you had to live only in your head? This is exactly what thirty-three-year old Rebecca Marley is about to find out, as she embarks on this self-induced nine-month challenge. Will it be the peaceful reprise that she so desperately seeks? Or will she be forced to face aspects of herself that a noisy world helps hide so well?

**Mute** ML. NYSTROM,2018-03-03 Mute is the first book in the Dragon Runners series, introducing the world to the sexy alpha males of the Dragon Runners motorcycle club and the strong, feisty women who bring them to their knees.

**The Ill-Made Mute** Cecilia Dart-Thornton,2015-08-25 In a dark and perilous realm, a nameless outcast seeks a voice, a past, and a future: “A dazzling debut” (Jennifer Roberson). In all of Erith, there is perhaps no one as wretched as the nameless mute foundling confined to the lowest depths of Isse Tower. Abused by many and despised by all, the pathetic creature lives without memories in the shadows. The amnesiac longs to escape—to roam the wild landscape in search of a past, a name, a destiny—but dangers surround the tower. Only flying ships and majestic winged horses carrying important visitors can reach the castle safely, landing high above the ground on its battlements. The local servants whisper about malevolent creatures that roam the forests and bear no love for humankind. Escape seems impossible in this treacherous world of wights and monsters. Praised as Australia’s J. R. R. Tolkien, Cecilia Dart-Thornton has set a towering new standard for fantasy fiction, earning the respect and acclaim of readers, reviewers, and some of the world’s most renowned fantasists. With roots firmly embedded in the ancient folklore of the British Isles, The Ill-Made Mute—the opening volume of Dart-Thornton’s magnificent Bitterbynde Trilogy—introduces fantasy lovers to an unforgettable character whose remarkable adventures rival the epic trials of the Baginises and the tales of The Silmarillion.

Muted Tami Charles,2021-02-02 A ripped-from-the-headlines novel of ambition, music, and innocence lost, perfect for fans of Elizabeth Acevedo and Jason Reynolds! Be bold. Get seen. Be Heard.For seventeen-year-old Denver, music is everything. Writing, performing, and her ultimate goal: escaping her very small, very white hometown.So Denver is more than ready on the day she and her best friends Dali and Shak sing their way into the orbit of the biggest R&B star in the world, Sean Mercury Ellis. Merc gives them everything: parties, perks, wild nights -- plus hours and hours in the recording studio. Even the painful sacrifices and the lies the girls have to tell are all worth it.Until they're not.Denver begins to realize that she's trapped in Merc's world, struggling to hold on to her own voice. As the dream turns into a nightmare, she must make a choice: lose her big break, or get broken.Inspired by true events, Muted is a fearless exploration of the dark side of the music industry, the business of exploitation, how a girl's dreams can be used against her -- and what it takes to fight back.

Mute Piers Anthony,2011-05-16 Mute is science fantasy of mutation and psi: special mental powers. The protagonist, Knot, is a double mutant: he has a physical deformity, and the psi power to make others forget him. Hes satisfied with his life--until the lovely Finesse walks into his life to recruit him for a dangerous galactic mission. She is aided by two small animal mutants: a telepathic weasel and a clairvoyant crab. Knot tries to resist, aided by his psi, but the womans beauty and the animals powers doom him to a phenomenal adventure. The prior edition was cut; this is the complete version.

Mute Icons Marcelo Spina,Georgina Huljich,2021-05-11 Mute Icons challenges fixed aesthetic notions of beauty in architecture as both, disciplinary discourse and a spatial practice within the public realm, by intersecting historic antecedents and present instances within contemporary projects wherein indeterminacy, monolithicity and defamiliarization play a speculative role in constructing withdrawn, irritant and yet engaging architectural images. No longer concerned with narrative excesses or with the shock and awe of sensation making; the mute icon becomes intriguing in its deceptive indifference towards context, perplexing in its unmitigated apathy towards the body. Object and building, absolute and unstable, anticipated and strange, manifest and withdrawn, such is the dichotomy of mute icons. Dwelling in the paradox between silence and sign and aiming to debunk a false dichotomy between critical discourse, a pursue of formal novelty and the attainment of social ethics, “Mute Icons” reaffirms the cultural need and socio-political relevance of the architectural image, suggesting a much-needed resolution to the present but incorrect antagonism between formal innovation, social responsibility and economic austerity. Intersecting relevant historical antecedents and polemic theoretical speculations with original design concepts and provocative representations of P-A-T-T-E-R-N-S recent work, the book aspires to stimulate authentic speculations on the real.

Stand Mute Victor Alcindor,2018-06 Poetry. African & African American Studies. STAND MUTE brings to the forefront things hidden and unsaid from abuse that often gets muffled and discarded. The poet is brave but the poems are braver. These confessions will break your heart, but in the breaking, there is rebuilding--for empathy, for human compassion, and for reshaping what we think we know of men. Victor Alcindor's poems shatter the false narrative of masculinity. These poems scream 'we have to do better.' Kids are cruel but humanity can be crueler. Sure, these are initiation and coming-of-age stories, but more importantly, these poems are baptismal and, if you listen carefully, you cannot emerge from this book unchanged. We often read blurbs with words like 'necessity' and 'must read' and they are actually not, but STAND MUTE is the real deal. --Randall Horton

**Mute** Brian Bandell,2013-09 Mute is a twisting ride that will leave readers speechless. A detective's love for an orphaned girl witness has her turning a blind eye to evidence that could stop a wave of unnatural murders. Mute follows detective Monique Moni Williams, who has never lived an easy life-with an abusive ex-con father, a two-timing, pistol-wielding ex-boyfriend and a racist boss-it's hard to see how things could possibly get more difficult for her. After she meets a child that she bonds with, Moni must protect the girl from a mysterious threat stalking everyone near the Indian River Lagoon. A serial killer is on the loose on Florida's Space Coast, and Moni has been put in charge of the key witness in the biggest case of her life: an eight-year-old girl called Mariella. The child has gone mute after losing both her parents one harrowing night. Now, Moni struggles to protect the child and break her silence, while more reports of inexplicable deaths and animals with eerie purple eyes pile up. Her bond with the child is tested by a police force demanding answers. What does the lagoon's rotten stench have to do with a mute little girl? Can Moni save Mariella from what lurks along the water? Who is really facing the most danger? Find out in this suspenseful, page-turner that will keep you guessing until the very end.

*God on Mute* Pete Greig,2020-09-22 An honest, soul-searching pursuit of biblical answers to one of Christianity's most challenging questions: What do you do when God meets your prayers with silence? Many of us have struggled with prayers that seem to go unanswered, and Pete Greig has been down that difficult road of doubt. This book is both intensely personal and deeply theological—a book born out of his wife Sammy's fight for her life after a horrifying diagnosis. The acclaimed author of *Red Moon Rising* wrestles with the hard side of prayer, how to respond when there seem to be no answers, and how to cope with those who seek to interpret our experience for us. For those struggling with prayer, *God on Mute* brings a message of hope and comfort, but also a better understanding of how we communicate with our Creator. Using the timeline of Holy Week (from Maundy Thursday through Easter Sunday) as a template, Greig explores four main questions about prayer from all angles: How am I going to get through this? Why aren't my prayers being answered? Where is God when he seems silent? When every prayer is answered...what does that mean? Silence in response to our most heart-felt prayers is the hardest thing for a person of faith to wrestle with. The world collapses. Then all goes quiet. Words can't explain what we're going through. People avoid you and don't know what to say. So you turn to Him and you pray. You need Him more than ever before. But somehow even God Himself seems on mute. And this sinks into us with a sense of futility... But even in this crushing silence, there is a way forward. Here is a story of faith, hope, and love beyond all understanding. Includes guide for group discussion.

*The Mute’S Masquerade* Anne Coltman,2018-05-17 Alistair Collins never wanted to follow in the footsteps of his father, something that greatly disappointed the elder Major Collins. A talented musician like his mother, Alistair looked forward to a successful career in music. But when tragedy struck at home, grief mixed with guilt and despair changed the course of the musicians life and propelled him into the army and to a war that gave rise to a man he no longer knew. His struggle to regain his career and sanity in the aftermath of an unfortunate accident in the Gulf War and his constant battle with post-traumatic stress disorder added to the agony of his life. Forced to live in silence, his life had no meaning until his accidental encounter with the young talented musician Yvee Benton. Poignant and powerful, *The Mutes Masquerade* is an amazing insight into the results of PTSD and the unique effect of music and what it means to find tranquility in the midst of despair, contentment through a game of charade, and an everlasting hunger for lifes unending song.
