Handbook on Insurance Coverage Disputes, 20th

Edition Ostrager, Newman, 2020-11-13 The Handbook on Insurance Coverage Disputes has been in a constant state of development and expansion since its original publication in 1988. The continuously evolving scope and content of the Handbook reflects the thousands of decisions rendered by courts on insurance coverage issues over the past quarter century. Since its initial publication, the Handbook has been cited in more than 350 court opinions. The Twentieth Edition of the Handbook reflects numerous recent developments, trends and emerging issues in insurance law across a variety of substantive topics. Noteworthy new cases and in-depth case law analyses have been included in this new updated edition of the Handbook.

Additionally, important changes in jurisdictional law on several topics of insurance and reinsurance law are reflected in this edition. Note: Online

subscriptions are for three-month periods.

Previous Edition: Handbook on Insurance Coverage Disputes, Nineteenth Edition, ISBN 9781454879824

Stempel on Insurance Contracts Jeffrey W. Stempel, 2005-12-30

Stempel and Knutsen on Insurance Coverage
Jeffrey W. Stempel, Erik S. Knutsen, 2015-12-15
Unlike most other books in the field, which slant toward either policyholder or insurer counsel, Stempel and Knutsen on Insurance Coverage takes an even-handed nonexcess and umbrella aking it useful to attorneys from all sides. Moreover, it's designed for practitioners from all professional backgrounds and insurance experience. Written in clear, jargon-free language, it covers everything from the basic insurance concepts, principles, and structure of insurance policies to today's most complex issues and disputes. The authors, Jeffrey W. Stempel and Erik S. Knutsen, are well-known authorities on the law of insurance coverage, and this new Fourth Edition of Stempel and Knutsen on Insurance Coverage is completely up-to-date on every aspect of its subject. This one-stop resource provides both a sound historical, theoretical and doctrinal grounding in insurance, as well being practice-oriented and packed with practical guidance. After providing information about insurance policies and issues in general, it focuses on specific types of policies and coverage such as property coverage, liability coverage, automobile coverage, excess and umbrella coverage, and reinsurance, plus such vital areas as employment, defective construction, and terrorism claims...Dandamp;0 liability...ERISA...bad faith

litigation...and much more. Plus, you'll find extensive examination of the commercial general liability (CGL) policy, the type of insurance involved in most major coverage cases. Among the most important CGL issues covered in Stempel and Knutsen on Insurance Coverage are: Pollution-related coverage Trigger of coverage Apportionment of insurer and policyholder responsibility Business risk exclusions Coverage under the "personal injury" section of the CGL Coverage under "advertising injury"; Nowhere else will you find so much valuable current information, in-depth analysis, sharp insight, authoritative commentary, significant case law, and practical guidance on this critically important area. With its clear explanations and thorough, even-handed coverage, Stempel and Knutsen on Insurance Coverage is unlike any other resource in its field.

Handbook on Insurance Coverage Disputes Barry R. Ostrager, Thomas R. Newman, 2012-12 In today's insurance coverage litigation environment, the practitioner who needs to determine what is--and is not--covered under various policy provisions is up against some formidable challenges. Literally thousands of cases on insurance issues find their way into courtrooms every year, and the decisions can be as difficult to decipher as they are to track. Find the authoritative guidance you need with Ostrager and Newman's *Handbook on Insurance Coverage Disputes*. This three-volume resource helps you quickly and easily pinpoint detailed analysis of lead cases in key jurisdictions, provides excerpts from standard insurance

policies, including critical commentary on key provisions, and offers insights into planning and implementation of successful litigation strategies. Ostrager and Newman's Handbook on Insurance Coverage Disputes, Sixteenth Edition addresses today's critical coverage issues, such as: The Insurer's Duty to Defend Trigger and Scope of Occurrence-Based Coverage Bad Faith and Wrongful Refusal to Settle Property Insurance Rights and Obligations of Co-Insurers Insurability of Punitive Damages Excess Insurance and Analysis of Pollution Exclusions Directors and Officers Coverage Employee Discrimination and Sexual Harassment Claims Make the Handbook on Insurance Coverage Disputes your one-stop source for the current state of the law on: The effect of a reservation of rights letter...disclaimer and denials of coverage The rules governing all aspects of giving notice of a claim including mechanics of language and timelines Effect of misrepresentations and omissions in insurance applications Reverse bad faith and contributory bad faith Reinsurance The legal issues presented in litigation involving hazardous waste and environmental cleanup Coverage provided by general liability insurance, including personal injury and advertising injury coverage Rules for apportioning the cost of defense among insurers
