

My Armor

Kaymen Smith

There's a Crack in Your Armor Perry Stone,2014 Offers advice for utilizing the protective equipment provided by God in the spiritual struggles of life.

Armor John Steakley,1984-12-04 The military sci-fi classic of courage on a dangerous alien planet The planet is called Banshee. The air is unbreathable, the water is poisonous. It is home to the most implacable enemies that humanity, in all its interstellar expansion, has ever encountered. Body armor has been devised for the commando forces that are to be dropped on Banshee—the culmination of ten thousand years of the armorers' craft. A trooper in this armor is a one-man, atomic powered battle fortress. But he will have to fight a nearly endless horde of berserk, hard-shelled monsters—the fighting arm of a species which uses biological technology to design perfect, mindless war minions. Felix is a scout in A-team Two. Highly competent, he is the sole survivor of mission after mission. Yet he is a man consumed by fear and hatred. And he is protected, not only by his custom-fitted body armor, but by an odd being which seems to live within him, a cold killing machine he calls "The Engine." This is Felix's story—a story of the horror, the courage, and the aftermath of combat, and the story, too, of how strength of spirit can be the greatest armor of all.

The Armor of God - Bible Study Book Priscilla Shirer,2015-08 The Armor of God, more than merely a biblical description of the believer's inventory, is an action plan for putting it on and developing a personalized strategy to secure victory.

My Armor's Kinda Rusty ... Encouragement for Weary Warriors Paula Meiners Yingst,2012-11-17 How have I come to this place in my life and ministry where hindsight is not simply a self-pitying review of all the things that have gone wrong over the years? A cleft in the rock, where I'm finally able at least some of the time to recognize that whenever I allow myself to honestly reconsider the awesome, the awful, and the decidedly ugly moments scattered along the pathway of my life experience, I can see that God's hand has been guiding my journey. This is an exploration of accounts that have inspired me over the years, a search for answers to questions that have challenged me, and information that I've gleaned from various sources. They are told from my personal point of view. But also included are amazing stories that I've collected from other imperfect people—the humorous and the heartbreaking—which have stuck with me over the years and insist that I still have much more to learn. They remind me that especially when it comes to spiritual armor, mine is rusty even on a good day. But then, so is yours, and therefore ours. So let's continue the journey together. Caution: Stay alert for falling rocks and tongue-in-cheek humor.

Putting on the Armor Chuck Lawless,2007-02-01 Putting on the Armor is an excellent 7-session study for new and growing believers seeking practical application of personal spiritual disciplines in order to defeat the enemy in times of temptation.

The Armor God Gave Me Kaymen Smith,2021-01-23 The Armor God Gave Me describes the armor Paul writes about in Ephesians 6. While we always have access to our armor, we are reminded to apply it every day. Each piece is significant and has a purpose. When we stand firm in our faith and are clothed in our armor we can do anything. The Armor of God Finally, be strong in the Lord and in his mighty power. Put on the full armor of God so that you can take your stand against the devil's schemes. For our struggle is not

against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God. And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the saints. Pray also for me, that whenever I open my mouth, words may be given me so that I will fearlessly make known the mystery of the gospel, for which I am an ambassador in chains. Pray that I may declare it fearlessly, as I should. (Eph. 6:10-20 NIV)

The Weight of My Armor Ivy Kleinbart,Peter McShane,2017-04-13 The essays and poems in *The Weight of My Armor* represent the work of twenty-three members of the Syracuse Veterans' Writing Group, which meets monthly on the Syracuse University campus. Since 2010, the group has served as an intergenerational community where veterans and military family members write about their lives in and beyond the military. *The Weight of My Armor* offers creative nonfiction and poetry that spans a range of military experiences, including overseas deployments and combat, military acculturation and training, adventure and camaraderie, shock and loss, and endurance and survival. This collection also addresses aspects of the military experience that receive less public attention such as gender oppression and military sexual trauma, the long-term physical and psychological costs of warfare, the complex challenges of familial and social reintegration, and the experience of growing up in a military family. In honest and courageous voices, these writers bear witness to events and circumstances that were largely beyond their control. They also reflect on their service, representing it with the accuracy and specificity unique to first person narratives. Taken together, these pieces encourage dialogue about the personal, social, and economic costs of our nation's wars, both past and present.

Maximizing the Armor of God Optimum Vizh-An,2011-06 Maximizing the Armor of God is a Revolutionary New Approach in handling death, divorce, depression, debt, addictions, fear, loneliness, physical limitations, self-centeredness and everything else that's destroying our lives! This is not another prayer book on confession, fasting and positive profession against evil. It's simple, brief and revelationally effective. It's simple. The Word of God sets us free to enjoy life with no guilt. Religion convinces us our guilt is removed when we submit to her. It's brief. The Word of God automatically transforms our lives when we let it. Religion keeps adding to our to do list to make sure we will always feel guilty. It's revelationally effective. The

Word of God brings unity. Religion brings judgment and isolation. Maximizing the Armor of God, along with four other books; The Art of Spiritual Warfare, The Five Offices, New Revelations on Revelations and The Kings in Christ's Kingdom make up a five book series. This series allows us to take the logistics of the Armor of God, combined with harnessing our thoughts, to give us impenetrable Spiritual Armor of God to the Nth Degree.

Holes in My Armor Walter Rice, 2013-04-18 A truck cuts off Clay Sutler on his Seattle commute, but his complaint only gets him mixed up with Tara and her brilliant, scheming mind. Clay has a lot in common with Tara, mainly Montana, where his parents died too early and where he never wants to go back. But his hometown is exactly where Tara wants him to go and solve her cousin's cold case murder. Now Tara even makes him a suspect in a police database while she chips away at his resistance. Clay does his best to sidestep Tara's maneuvers, seductive and otherwise, but he can't keep his girlfriend Francie out of Tara's grasp. While he fights for his own stability and leans on a wise inner voice named Doc, questions about Tara's sanity threaten to undercut his own fragile progress. Then, one fateful weekend, Tara prevails and the killer emerges in Clay's Montana town. In a swirl of a secret liaison, family tragedies and cracked football dreams, Clay puts it all together and orchestrates justice in the town he tried to leave behind.

Arm Yourself Michelle Moore, 2014-09-10 My eyes were opened to the spiritual realm at a very young age. As I go through the challenges and battles I have faced from early childhood through my young-adult life, I explore the weapons of warfare the Bible clearly lays out for us. As I journey through Ephesians 6, I explore what each piece of the armor of God protects and how to use it. My goal is to impart wisdom from today's difficulties the modern-day woman faces—marriage, children, financial hardships, weight issues—and divulge how spiritual warfare plays its part in all of these areas of life. I don't want us to give up or give in to life's ever-increasing demands, but to take back from Satan what God has given us! I challenge you not just to cope, but to Arm Yourself!

My Knight in Shining Armor Lynne Modranski,

No Body Armor Donald R. White, 2013-08 By the time America decided to engage in Vietnam, the Soviets had already overwhelmed fifteen nations by force and fear. The conflict that followed was one of American history's toughest infantry wars. American soldiers who fought in the Vietnam War call it the Nam. In this unique recollection of deadly, close-quarters infantry combat, author and twenty-year US Army veteran Donald R. White shares his wealth of personal experience, presenting an emotional trip through violence and bloodshed. In the time period between late fall of 1965 and late summer of 1969, hundreds of men were killed in action each week—something that survivors live with daily. Former US Army platoon sergeant Donald R. White reveals detailed facts about infantry war that are bloody, horrific, and shocking. In this personal account, he deals with memories that are seldom happy and often grim, giving readers an eye-witness account of what the Nam was really like for American fighting men.
