*The Eleventh Trade* Alyssa Hollingsworth,2018-09-18 From debut author Alyssa Hollingsworth comes a story about living with fear, being a friend, and finding a new place to call home. They say you can't get something for nothing, but nothing is all Sami has. When his grandfather's most-prized possession—a traditional Afghan instrument called a rebab—is stolen, Sami resolves to get it back. He finds it at a music store, but it costs \$700, and Sami doesn't have even one penny. What he does have is a keychain that has caught the eye of his classmate. If he trades the keychain for something more valuable, could he keep trading until he has \$700? Sami is about to find out. The Eleventh Trade is both a classic middle school story and a story about being a refugee. Alyssa Hollingsworth tackles a big issue with a light touch. 2020 UKLA Award Winner

*My Own Business Card* Marc Praquin,2010-02-11 The most ambitious project for a designer is undoubtedly the design of its own business card. Being his own client, stepping back, finding the right balance between vision and strategy are real challenges. These constraints explain why the results are most of the time just surprising. My Own Business Card, shows 100 worldwide designer's selected business cards.

*The Best of Business Card Design 9* Rule29,2010-03-01 This innovative collection features the most current and best work by top designers worldwide. The “go-to” sourcebook for business card design inspiration, this volume contains pages packed with business cards, showing front, back, and special elements and materials. **The Little Book of Business Cards** David E. Carter,2005-04-26 The business card has taken on a new level of importance in recent years. In an age where the business letter has been replaced by email, the personal contact evoked by a business card is more crucial than ever. Your card is often the one item taken away from a meeting, defining how people view your business long after any face-to-face meeting has faded from memory. Whether you're a businessperson trying to develop your own letterhead set or a graphic designer trying to come up with that next great idea, your challenge is to communicate the look and feel of your company in the space your card and letterhead allows. The Little Book of Business Cards presents an unparalleled source of inspiration. In these pages, David E. Carter has gathered more than 260 representative examples of effective business cards and matching letterhead sets. Learn how to get the most from your choice of fonts, color, size, layouts, and logos -- and even what to do when you don't have a logo! As an extra bonus feature, David E. Carter provides informative and instructional annotations to the featured business cards -- valuable lessons for you to apply to your own designs. With The Little Book of Business Cards in your library, you'll be sure to have a business-building design in no time.

*Here's My Card* Bob Popyk,2000-04-22 A sales and marketing expert shows how to use the simple business card as a networking tool, from the first introduction to closing the deal. Illustrations throughout.

**Creative Business Cards** Carmen Fong,Shantell Chen,2014 Business cards are a statement of identity. Capable of conveying much more than contact information, they represent the creativity or style of a company in a very portable format. As an historical artifact in the digital age, they are constantly in danger of obsolescence and only those that truly stand out are memorable. One way to achieve the note

**From Business Cards to Business Relationships** Allison Graham,2012-05-08 Want to supercharge your life? Effective networking is the answer and this book will teach you how. Professionals of all stripes and ages are told to 'get out there' and network so they can build their careers, grow their businesses and elevate their influence in the community, but they are rarely taught the skills to do that. Most people are lost, intimidated by the idea of presenting their own personal brand, and frustrated when it comes to networking. Despite long hours at events and attempts to make the right connections, they aren't seeing their desired results. From Business Cards to Business Relationships is a start-to-finish guide that demystifies the networking process and teaches readers how to truly benefit from getting connected. Allison Graham provides an easy to follow road map that is adaptable to your personality, circumstances and growth goals. You will learn how to strategically decide where to go, what to do when you get there and what to do afterwards to turn those casual business card contacts into meaningful relationships. Allison's approach is based on the Four Pillars of Profitable Networking: Perspective, Personal Brand, Procedures, and a Strategic Plan. This is a prescriptive, practical system based on the author's real-life experience of going from unconnected to connected in a short period of time. No cheesy gimmicks or high-pressure nonsense, just the skills and knowledge that will create success for anyone willing to do the work and follow this advice. Regardless of your past experience or current level of connectivity, your industry or profession, whether you're an entrepreneur or climbing the corporate ladder: you can accomplish whatever you want by meeting and connecting with the right people. From Business Cards to Business Relationships gives you the tools you need to cement a positive personal brand and build your own profitable network. Praise for From Business Cards to Business Relationships Allison Graham can help you turn an introduction into a business, a dinner into a relationship, and an average practice into world class. I've long preached that we're in a relationship business, and this book provides the handshakes, codes, actions, and routes to master those relationships. —Alan Weiss, PhD, Author of Million Dollar Consulting and The Consulting Bible At last—a networking book that actually makes sense! Allison Graham's four pillars of networking are as simple as they are powerful. If you are willing to follow her lead with consistent and persistent effort, you will make your mark and expand your horizons both personally and professionally. —Lou Heckler, Humorous Business Keynote Speaker and Speech Coach This book is an excellent and much-needed resource to share with the business community. —PJ Hartson, Business Editor, Sun Media

**How to Use Your Business Cards for Success** G. Lee Mikules,2003 Your business card is usually the first tangible thing a customer/client will take with him or her after meeting you. Does it communicate the message you want it to? G. Lee Mikules offers guidelines on how to get the most from your card— from design to distribution.Everyone is concerned about what is important to them before they are concerned about anything else. And you, as the one who hands them out, must realize that your ego will clash with that of the person who receives your card...The person you hand your card to does not care about your name or the fact that you have been in business for 25 years, or that you have every credential possible, and so forth. The only thing he is interested in is what your business, product, or service can do for him. Will it save or make him money? Will it feed his ego? You have to distill the essence of what your business is, and, most importantly, what it can do for your customer into a concise, benefit-oriented, hard-hitting sales message. Then put that message front and centre on your card!

**Indies Unlimited: Authors' Snarkopaedia** K. S. Brooks,Stephen Hise,Laurie Boris,2013-01-17 In Volume One of the Authors' Snarkopaedia, sentences have been painstakingly crafted together using nouns, verbs and other words, bringing you paragraphs of text. These paragraphs flow into pages of expert tips, advice and insight for authors at all levels of the publication food chain. Any book can claim to offer this type of information, but they can't give you what sets the Indies Unlimited Authors' Snarkopaedia above the rest: the je ne sais squat of the high decorated staff of the Snarkology Department at the Indies Unlimited Online Academy. Their groundbreaking and empirical research over the years sheds new and snarkified light on subjects ranging from book publishing and marketing to the nuts and bolts of writing and technology. If you like information to grab you by the throat and smack you in the face, the Indies Unlimited Authors' Snarkopaedia is the reference book for you.

**Your Book Is Not a Business Card** Kary Oberbrunner,2021-09-21 What if you turned your book into 18 streams of income? Most authors have been taught that a book is just a business card. Sadly, this is why most authors stay poor. Notice the difference: Business Cards Cost Money Books Create Value Business Cards Are an Expense Books Are an Asset Business Cards Get Thrown Away Books Last Forever Business Cards Decrease Space in Your Pocket Books Increase Influence, Impact, and Income Business Cards Change Landfills Books Change Lives How you view your book and position it in the marketplace shapes your results and your riches—or lack thereof. For eight years, Kary Oberbrunner struggled to earn profit as an author. (Let's just say he kept his day job.) Finally in 2012, he discovered the model that enabled him to go pro as a writer. In *Your Book Is NOT a Business Card*, Kary reveals his proven process for helping authors create a suite of products—18 streams of income in all—to service their readers' needs while growing their profits. To date, more than 250,000 authors from all over the world have found success using this powerful model. His clients have effectively implemented it across multiple continents, languages, and genres—even with fiction and children's books! Wall Street Journal and USA Today bestselling author, Kary Oberbrunner will teach you how to make the most of your book: Leverage the exact income streams that fit your dreams and goals. Create a clear buyer's journey that delivers real, life-changing results. Invite your readers to go deeper without sounding spammy or salesy. Build an engaged community thrilled to purchase your next book-based product and service. Create your 6- or 7-figure book-based business, starting today! Kary Oberbrunner is the CEO of Igniting Souls Publishing Agency. His company helps authors, coaches, entrepreneurs, and speakers (ACES) write, publish, and market their books the right way and turn them into 18 streams of income. **The Scribe Method** Tucker Max,Zach Obront,2021-04-15 Ready to write your book? So why haven’t you done it yet? If you’re like most nonfiction authors, fears are holding you back. Sound familiar? Is my idea good enough? How do I structure a book? What exactly are the steps to write it? How do I stay motivated? What if I actually finish it, and it’s bad? Worst of all: what if I publish it, and no one cares? How do I know if I’m even doing the right things? The truth is, writing a book can be scary and overwhelming—but it doesn’t have to be. There’s a way to know you’re on the right path and taking the right steps. How? By using a method that’s been validated with thousands of other Authors just like you. In fact, it’s the same exact process used to produce dozens of big bestsellers—including David Goggins’s *Can’t Hurt Me*, Tiffany Haddish’s *The Last Black Unicorn*, and Joey Coleman’s *Never Lose a Customer Again*. The Scribe Method is the tested and proven process that will help you navigate the entire book-writing process from start to finish—the right way. Written by 4x New York Times Bestselling Author Tucker Max and publishing expert Zach Obront, you’ll learn the step-by-step method that has helped over 1,500 authors write and publish their books. Now a Wall Street Journal Bestseller itself, The Scribe Method is specifically designed for business leaders, personal development gurus, entrepreneurs, and any expert in their field who has accumulated years of hard-won knowledge and wants to put it out into the world. Forget the rest of the books written by pretenders. This is the ultimate resource for anyone who wants to professionally write a great nonfiction book.
