Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Libby soon discovered female automotive enthusiasts everywhere-including one woman who loved her car so much that her family buried her in it! With their collective passion in mind, Libby hit the road, traveling across the country to meet and speak with women about their love for cars and trucks. Over the course of her 20-year journey, Libby learned there are endless reasons why women love their cars-the horsepower, the thrill of the road, and the freedom that comes with it. The Negro Motorist Green Book Victor H. Green, The idea of The Green Book is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Stuntman! Hal Needham, 2011-02-09 The classic no-holds-barred memoir from Hollywood's most legendary stuntman -- an inspiration for Brad Pitt's character Cliff Booth in *Once Upon a Time in Hollywood* -- is full of incredible stories as told by a real man of action (Arnold Schwarzenegger). Yep that's me, Hal Needham, on the cover doing a fire stunt. When you're on fire you don't dare breathe because if you do, you'll suck those flames right down your throat. I was Hollywood's highest paid stuntman so I should know. I wrecked hundreds of cars, fell from tall buildings, got blown up, was dragged by horses, and along the way broke 56 bones, my back twice, punctured a lung and knocked out a few teeth...I hung upside down by my ankles under a bi-plane in *The Spirit of St. Louis*, jumped between galloping horses in *Little Big Man*, set a world record for a boat stunt on *Gator*, jumped a rocket powered pick-up truck across a canal for a GM commercial, was the first human to test the car airbag-and taught John Wayne how to really throw a movie punch. Life also got exciting outside of the movie business. I had my Ferrari stolen right from under my nose, flew in a twin-engine

Cessna with a passed out pilot, rescued the cast and crew from a Russian invasion in Czechoslovakia, and once took six flight attendants on a date. I owned the Skoal-Bandit NASCAR race team, the sound-barrier breaking Budweiser Rocket Car and drove a souped-up, fake ambulance in a little cross-country race called The Cannonball Run, which became the movie I directed by the same name. Oh yeah, I also directed Smokey and the Bandit, Hooper and several other action/comedy movies that I liked a bunch. I was a sharecropper's son from the hills of Arkansas who became a Hollywood stuntman. That journey was a tough row to hoe. I continually risked my life but that was the career I chose. I was never late to the set and did whatever I had to do to get the job done. Hollywood's not all sunglasses and autographs. Let me tell you a few stories...

Men Without Women Haruki Murakami, 2017-05-09 NATIONAL BESTSELLER • Including the story "Drive My Car"—now an Academy Award-nominated film—this collection from the internationally acclaimed author examines what happens to characters without important women in their lives; it'll move you and confuse you and sometimes leave you with more questions than answers (Barack Obama). Across seven tales, Haruki Murakami brings his powers of observation to bear on the lives of men who, in their own ways, find themselves alone. Here are lovesick doctors, students, ex-boyfriends, actors, bartenders, and even Kafka's Gregor Samsa, brought together to tell stories that speak to us all. In *Men Without Women* Murakami has crafted another contemporary classic, marked by the same wry humor and pathos that have defined his entire body of work.

Happiness for Beginners Katherine Center, 2015-03-24 As seen on Netflix - from the New York Times bestselling author of *The Bodyguard* and *Hello Stranger* Helen Carpenter can't quite seem to bounce back. Newly divorced at thirty-two, her life has fallen apart beyond her ability to put it together again. So when her annoying younger brother, Duncan, convinces her to sign up for a hardcore wilderness survival course in the backwoods of Wyoming—she hopes it'll be exactly what she needs. Instead, it's a disaster. It's nothing like she wants, or expects, or anticipates. She doesn't anticipate the surprise summer blizzard, for example—or the blisters, or the rutting elk, or the mean pack of sorority girls. And she especially doesn't anticipate that her annoying brother's even-more-annoying best friend, Jake, will show up for the exact same course—and distract her, derail her, and . . . kiss her. But it turns out sometimes disaster can teach you exactly the things you need to learn. Like how to keep going, even when you think you can't. How being scared can make you brave. And how sometimes getting really, really lost is your only hope of getting found. *Happiness for Beginners* is Katherine Center at her most heart-warming, captivating best—a nourishing, page-turning, up-all-night read about how to get back up. It's a story that

looks at how our struggles lead us to our strengths. How love is always worth it. And how the more good things we look for, the more we find.

This is a story of perseverance, and a dedication that most people would not think existed in a professional car salesman, whom most of the public consider lazy and dishonest. You will understand what it's like to be one of the most despised and misunderstood characters in American history, and you will meet many of the colorful characters along the way. It is the author's hope that the reader comes away with a better understanding of the courage and dedication needed to be successful in this highly competitive industry, that the reader be transported into the high-stakes, fast-paced world of auto sales, experiencing the joys of victory and the loneliness of defeat.
