Crying in H Mart Michelle Zauner, 2021-04-20 #1 NEW YORK TIMES BESTSELLER • From the indie rock sensation known as Japanese Breakfast, an unforgettable memoir about family, food, grief, love, and growing up Korean American—"in losing her mother and cooking to bring her back to life, Zauner became herself" (NPR). • CELEBRATING OVER ONE YEAR ON THE NEW YORK TIMES BESTSELLER LIST In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

A Reference to Murder Kym Roberts,2017-05-16 Charli Rae Warren is back home in Hazel Rock, Texas, spending her time reading, collecting, and selling books—at least, the ones that don't get eaten first by her father's pet armadillo. Running the family bookstore is a demanding job, but solving murders on the side can be flat out dangerous . . . The Book Barn is more than just a shop, it's a part of the community—and Charli is keeping busy with a fundraising auction and the big rodeo event that's come to town. That includes dealing with the Texas-sized egos of some celebrity cowboys, including Dalton Hibbs, a blond, blue-eyed bull rider who gets overly rowdy one night with the local hairdresser . . . and soon afterward, disappears into thin air. Dalton's brother also vanished seven years ago—and Charli is thrown about whether Dalton is a villain or a victim. After a close call with an assailant wielding a branding iron (that plays havoc with her hair), and some strange vandalism on her property, she's going to have to team up with the sheriff to untangle this mystery, before she gets gored . . .

Her Secret Crush Jolie Moore,2019-11-07 A Canadian girl with a hole in her heart, the Hollywood scion who can fix it, and the mountain keeping them apart... Sabrina Every day I watch Henry hike up the hill while I walk down. And every single day I want to run my fingers through his hair, wrap my hands around his biceps, stroke...his...dog. I never say a thing, though, because guys like him don't date girls like me who aren't model thin, who have a ten-inch scar down the middle of their chest, who may die on him... Henry I'm in no position to start a new relationship. I have plans to open my own store. I travel all the time. My dog died... But there's something about the girl with the messy blond hair who eats lots of tacos and wears homemade knit hats...in a city where it's never cold. I know I shouldn't go after her...but after I fondled...her...dog, I couldn't help myself. About Jolie

Made in Reality Stephanie Pratt,2015-08-13 The Sunday Times bestseller. Stephanie Pratt is the consummate reality star. Since 2007, her life has been lived almost as much on the small screen as off it, and constantly analysed in gossip columns. In Made in Reality, Stephanie gives an exclusive

insight into the trials and tribulations of life on reality TV, taking us behind the scenes of The Hills, Made in Chelsea and even the Big Brother House. In her tell- all autobiography, nothing is off-limits, from the drama of her relationship with Spencer Matthews to her issues with her brother Spencer Pratt. For the first time, she shares her struggles with drug addiction, eating disorders, and the pressures of fame in the internet age. Inspiring, fascinating, and insightful throughout, this is an honest account of the truth behind reality.

Fragile Power Paul L. Hokemeyer, 2019-10-08 A revealing exploration of people whose wealth, fame, beauty, and social status grant them immense power. Celebrity culture drives us to aspire to be like the few who seem to have figured out how to have it all. But is it possible that they simultaneously have everything and nothing at all? Having treated some of the world's most successful people, psychotherapist "Dr. Paul" sets out to answer why so many people who have everything end up feeling like their achievements are never enough—as well as what that pattern can reveal about ourselves and the society in which we live. The exclusivity of living behind the velvet rope or the gilded gate doesn't guarantee happiness for the rich, famous, and powerful; there are downsides to attainment as well. We all—including people who seem protected by their privileged lives—can experience the self-destructive behaviors common to modern life, including chronic stress, addiction, anxiety, imposter syndrome, infidelity, negative body image, and narcissism. Division marks our era. There's a growing separation between the haves and have nots, men and women, as well as the empowered and the disenfranchised. At the same time, our culture is defined by celebrities, and the powerful, affluent people we put on a pedestal to idolize and emulate. Too often, we think our lives would be better if we could have what they have or be more like them. It's time to realize that even the most admired people can go through life feeling unloved and unable to escape

their problems. From the therapist's chair, we learn how feelings of shame, insecurity, abandonment, and emotional pain are all part of the human condition. With empathy, we can overcome our sense of isolation by realizing that we all crave—and deserve—understanding, intimacy, and real connection.
