Sears, 2012-11 Elizabeth's sixteenth birthday was fast approaching and for the daughter of the King and Queen of Elnara, kingdom of the fairies and elves, that meant that she would have to attempt the magical transformation that would change her from Lady Elizabeth into Princess Elizabeth, the Fairy Princess of Elnara and the most powerful fairy alive. As if that isn't enough, Elizabeth discovers she is expected to select her future husband, the future king of Elnara, from amongst the eligible young lords attending her birthday celebration. During the celebration, she meets Lord Edric, from remote Castle North, who has more on his mind than just meeting the enchanting Fairy Princess. Put off at first by his casual, unorthodox personality, Elizabeth finds herself drawn to the charming, handsome Lord Edric. The pair is soon plunged into a mystery that will take

them over the great mountains to the north and beyond, braving deadly dragons and more. Nevertheless, they must find the answers they seek no matter what the risk, or the Fairy race will be doomed to extinction....

Join this magical journey of self-discovery as the Princess is visited by 3 suitors on her search for love. Who will be the one to break the spell? A timeless message for children and adults alike, to embrace an important lesson about love.---The Fairy Princess learns through experience the false expectation of relationship and the perils of looking outside of yourself for love. The moral of this story is only when we stop searching outside and authentically love yourself, we are then free to love another. Exposing children to self-love early on offers a healthy foundation for growth and can start to shift the way they view themselves. Self-love may be a learned phenomenon in loving, caring environments, but many of us do not have the support we need in this arena. This book is an inspiration to learn the self-love lesson as well as a reminder we can return to again and again.
