The Unwritten Book Samantha Hunt,2022-04-05 “One of our most interesting and bold writers . . . [offers] a characteristically wild effort that defies genre distinctions, flits from the profound to the mundane with fierce intelligence and searching restlessness, and at its best, delves deep into the recesses of the human heart with courageous abandon . . . An intoxicating blend of humor and pathos.” —Priscilla Gilman, *The Boston Globe* “Eerie, profound, and daring, this is a book only the inimitable Hunt could write.” —Adrienne Westenfeld, *Esquire* From Samantha Hunt, the award-winning author of *The Dark Dark*, comes *The Unwritten Book*, her first work of nonfiction, a genre-bending creation that explores the importance of books, the idea of haunting, and messages from beyond I carry each book I’ve ever read with me, just as I carry my dead—those things that aren’t really there, those things that shape everything I am. A genre-bending work of nonfiction, Samantha Hunt’s *The Unwritten Book* explores ghosts, ghost stories, and haunting, in the broadest sense of each. What is it to be haunted, to be a ghost, to die, to live, to read? Books are ghosts; reading is communion with the dead. Alcohol is a way of communing, too, as well as a way of dying. Each chapter gathers subjects that haunt: dead people, the forest, the towering library of all those books we’ll never have time to read or write. Hunt, like a mad crossword puzzler, looks for patterns and clues. Through literary criticism, history, family history, and memoir, inspired by W. G. Sebald, James Joyce, Ali Smith, Toni Morrison, William Faulkner, and many others, Hunt explores motherhood, hoarding, legacies of addiction, grief, how we insulate ourselves from the past, how we misinterpret the world. Nestled within her inquiry is a very special ghost book, an incomplete manuscript about people who can fly without wings, written by her father and found in his desk just days after he died. What secret messages might his work reveal? What wisdom might she distill from its unfinished pages? Hunt conveys a vivid and grateful life, one that comes from living closer to the dead and shedding fear for wonder. *The Unwritten Book* revels in the randomness, connectivity, and magic of everyday existence. And at its heart is the immense weight of love.

**Awake & Alive to Truth** John L. Cooper,2020-11-27 Have you sensed it? Chaos. Violence. Confusion. Anxiety. How do we know what's true when there are so many differing voices telling us what to do? After traveling the world for 23 years in a rock band, John L. Cooper has noticed one consistent issue: people are desperately confused. *Awake & Alive to Truth* tackles the reigning philosophies of our day of post-modernism, relativism, and the popular view of the goodness of man and combats these viewpoints by standing on the absolute truth of the Word of God. *Awake & Alive to Truth* answers some of the most asked questions in modern culture. Go on a journey through some John Cooper's personal stories, the doctrine of original sin, the authority of Scripture, the danger of trusting your emotions, and end with the greatest news possible: God wants to rescue you from the chaos and the darkness and bring you into His glorious light.

We live much of our personal and professional lives online, but fraudsters and hackers have made the internet dangerous. Cyberattacks are the US’s fastest growing crime: consumers lost more than \$6.9 billion to fraud in 2021, up more than 50% from 2020; financial losses from online theft surpassed losses from home theft; 1 in 10 people become identity theft victims annually, including more than 1 million children. So how do we keep our kids, parents, colleagues, and selves safe against organized cybercriminals with their increasingly advanced tools? *Intelligent Safety: How to Protect Your Connected Family from Big Cybercrime* teaches how we can put our families’ online safety on autopilot and regain our peace of mind. It provides families with the tools and knowledge they need to create a personalized, proactive defense against cybercriminals. From identifying the risks of your teen’s secret online life to safeguarding your family finances to defending the vulnerabilities of your aging parents, *Intelligent Safety* is the last guide you’ll need to beat cyber predators at their own game.

Nature's Witness Daniel M. Harrell,2008 People of faith insist that God is the God of the world around us. Yet scientific evidence supporting evolution seems to offer an explanation of reality different from the biblical one. In light of this apparent conflict, some choose either to deny the scientific data or separate science and faith from each other, giving the appearance that faith is disconnected from reality. Others accommodate faith to science, but run the risk of watering down faith such that faith “fills in the blanks” left by science. Against these options, Daniel Harrell asserts that the evidence for evolution accurately describes the world we see, but insists that this description does not adequately serve as an explanation for the world. Rather than seeing science and faith as diametrically opposed, Harrell suggests that evolutionary data actually opens the door for deeper theological reflection on God's creation. Writing out of a pastoral concern for those struggling to negotiate faith and evolution, Harrell argues that being reliable witnesses to creation helps people of faith be reliable witnesses to its creator. Whether they are pastors wondering how to talk about these issues with their congregations, or students asking whether their biology classes make their faith irrelevant, Harrell's readers are winsomely led on a journey of exploration in which a robust biblical faith can be held along with affirmation of the scientific data for evolution.

**Big Top** Rob Harrell,2012-12-11 Harrell's work combines pop culture, innocence, friendship, and some of the seamier side of the circus background that only adults can appreciate. Come one! Come all . . . to the exciting world of Big Top! Rob Harrell's three-ring comic strip has already packed the house with fans eager for his hilarious take on the circus and those who bring it to life. The circus and its colorful cast—led by 10-year-old Pete and his happily reformed performing bear, Wink—are a perfect metaphor for life. It's not always what happens on the surface, Big Top reminds us, but what takes place backstage that delivers the lessons and the humor. Pete and Wink keep plenty of odd company, including Kingston, coolest king of the jungle; Stucco, a mute clown who still manages to make his point; Manfred, the bookish monkey; Dusty, the wisecracking tell-it-like-it-is trained poodle; Andrea, the new acrobat girl who's caught Pete's eye; and Hairy Mary the Bearded Lady, a mother figure to them all. Take this crew on the road and you get an endless array of situations and relationships, care and impatience, honesty and intolerance. It's like one big Big Top family . . . one that welcomes all readers for the mere price of a ticket.

**Monster on the Hill** Rob Harrell,2013 Top Shelf is proud to announce that Rob Harrell, creator of the comic strip Big Top, has brought his first graphic novel series, *Monster on the Hill*, to Top Shelf. Set in an alternate late 1800s England, it's a tale of quiet little townships who just so happen to be quite proud of the monsters that terrorize them... Well, except for this one little town where the monster isn't quite up to snuff. Readers of all ages are sure to enjoy this tale about life's challenges, the power of friendship, and creative redemption. And, of course, it has lots of monsters on hills.
