### **Asylum and Other Poems** Jerry Pinto,2021-03

Description Bound by the need for breath We lie on beds of foaming rubber. But the room is filled with The rhythm of blood and need and the story. We lie quietly, listening. The whales are singing each to each. It is my last article of belief: They understand their music. You and I only have words. Outside the window The sea, the sea. Searching for safe havens; wanting to cut loose. Trying to make peace with death, love and madness. Learning that we can wound and be wounded. Looking for solace and meaning through rage and confusion. Jerry Pinto's debut collection of poems, *Asylum*, established him as a true original, a writer unafraid to be vulnerable, to take risks, to open the door and blunder into the world or let it sweep in. He travels, wrote Imtiaz Dharker, 'the breathtaking spaces between madness, luminosity and quiet rebellion...This is a writer who draws precise lines of control, and then, with surprising tenderness, crosses them.'

**Hotel Life** Caroline Field Levander, Matthew Pratt Guterl, 2015-04-27 What is a hotel? As Caroline Field Levander and Matthew Pratt Guterl show us in this thought-provoking book, even though hotels are everywhere around us, we rarely consider their essential role in our modern existence and how they help frame our sense of who and what we are. They are, in fact, as centrally important as other powerful places like prisons, hospitals, or universities.

More than simply structures made of steel, concrete, and glass, hotels are social and political institutions that we invest with overlapping and contradictory meaning. These alluring places uniquely capture the realities of our world, where the lines between public and private, labor and leisure, fortune and failure, desire and despair are regularly blurred. Guiding readers through the story of hotels as places of troublesome possibility, as mazelike physical buildings, as inspirational touchstones for art and literature, and as unsettling, even disturbing, backdrops for the drama of everyday life, Levander and Guterl ensure that we will never think about this seemingly ordinary place in the same way again.

### **Cooking Real Meals in a Hotel Room** Laura

Sommers, 2017-05-21 Recipes to Cook in a Hotel Room  
Going on vacation can be an exciting and fun experience. But after living for a week or more in a hotel room, your waistline and your wallet will feel the pain. This was true for me after a dream vacation to Disney World. Eating out can be expensive! And after doing so for a length of time for every meal and you may be begging for something simple or home cooked. This can be true whether your trip is for business or for pleasure. The problem is, many hotels, motels or hostels don't have kitchens so they lack the basic cooking appliances that one needs to cook in their room. Disney World in Orlando is especially guilty of this. But there are other pre-packaged destinations and spas that are guilty of the same. Many places don't even give you a continental breakfast. So, I looked around the hotel room and figured out that there are three items standard in every hotel room around the world that can be used as make-shift cooking appliances. These are the coffee maker, the clothes iron and the hair dryer. Every hotel also has a mini-fridge so some of the items here will need refrigeration. Using these appliances and only these appliances, I have created a

cookbook full of mouth-watering recipes to satisfy your craving for a home-cooked meal. Every recipe is as simple as possible so the instant variety is used when available. These recipes are also great for the college student to make in their dorm room. The only thing is that college students usually have a microwave or a toaster to work with but hotel guests often do not. Take care when making these recipes so that the food, or the room, does not burn. Also, please clean the appliances thoroughly after using them to cook so the next hotel guest does not get butter on their clothes that they try to iron or cinnamon in their coffee that they try to brew. Enjoy! Recipes Include Coffee Pot Ramen Noodles Coffee Pot Peanut Satay Coffee Pot Cheesy Tuna and Noodles Coffee Pot Mac and Cheese Coffee Pot Hot Dogs Coffee Pot Oatmeal Coffee Pot Pesto Chicken Coffee Pot Chocolate Fondue Steamed Coffee Pot Broccoli and Cauliflower Coffee Pot Hot Chocolate Coffee Pot Hard Boiled Eggs Coffee Pot Egg Scramble Coffee pot Egg Salad Coffee Maker Sausage Coffee Pot Rice Coffee Pot Lemon Pepper Chicken Coffee Pot Candied Pecans Hotel Green Beans with Toasted Almonds Coffee Maker Hobo Soup Coffee Maker Grits Coffee Maker Lentils Coffee Maker Spicy Meatballs Coffee Maker Salmon and Veggies Coffee Pot Butter Potatoes Coffee Pot Pesto Potatoes Clothes Iron Quesadilla Clothes Iron Grilled Cheese Clothes Iron Cheese and Ham Panini Clothes Iron Peanut Butter and Jelly Clothes Iron French Toast with Cream Cheese Icing Leftover Chicken Coffee Pot Soup Hotel Pizza English Muffins Hotel Room Tuna Melt Hotel Room Rueben

**Heads in Beds** Jacob Tomsy, 2016-07-26 In the tradition of Kitchen Confidential and Waiter Rant, a rollicking, eye-opening, fantastically indiscreet memoir of a life spent (and misspent) in the hotel industry. Jacob Tomsy never intended to go into the hotel business. As a

new college graduate, armed only with a philosophy degree and a singular lack of career direction, he became a valet parker for a large luxury hotel in New Orleans. Yet, rising fast through the ranks, he ended up working in “hospitality” for more than a decade, doing everything from supervising the housekeeping department to manning the front desk at an upscale Manhattan hotel. He’s checked you in, checked you out, separated your white panties from the white bed sheets, parked your car, tasted your room-service meals, cleaned your toilet, denied you a late checkout, given you a wake-up call, eaten M&Ms out of your minibar, laughed at your jokes, and taken your money. In *Heads in Beds* he pulls back the curtain to expose the crazy and compelling reality of a multi-billion-dollar industry we think we know. *Heads in Beds* is a funny, authentic, and irreverent chronicle of the highs and lows of hotel life, told by a keenly observant insider who’s seen it all. Prepare to be amused, shocked, and amazed as he spills the unwritten code of the bellhops, the antics that go on in the valet parking garage, the housekeeping department’s dirty little secrets—not to mention the shameless activities of the guests, who are rarely on their best behavior. Prepare to be moved, too, by his candor about what it’s like to toil in a highly demanding service industry at the luxury level, where people expect to get what they pay for (and often a whole lot more). Employees are poorly paid and frequently abused by coworkers and guests alike, and maintaining a semblance of sanity is a daily challenge. Along his journey Tomskey also reveals the secrets of the industry, offering easy ways to get what you need from your hotel without any hassle. This book (and a timely proffered twenty-dollar bill) will help you score late checkouts and upgrades, get free stuff galore, and make that pay-per-view charge magically disappear. Thanks to him you’ll know how to get the very best service

from any business that makes its money from putting heads in beds. Or, at the very least, you will keep the bellmen from taking your luggage into the camera-free back office and bashing it against the wall repeatedly.

**The Hotel New Hampshire** John Irving, 2019-03-26

"The first of my father's illusions was that bears could survive the life lived by human beings, and the second was that human beings could survive a life led in hotels." So says John Berry, son of a hapless dreamer, brother to a cadre of eccentric siblings, and chronicler of the lives lived, the loves experienced, the deaths met, and the myriad strange and wonderful times encountered by the family Berry. Hoteliers, pet-bear owners, friends of Freud (the animal trainer and vaudevillian, that is), and playthings of mad fate, they "dream on" in a funny, sad, outrageous, and moving novel by the remarkable author of *A Son of the*

Circus and A Prayer for Owen Meany.

Hotel Room Trilogy Barry Gifford, 1995 From the author of *Arise & Walk & Wild at Heart*, a trio of one-act plays depicting the spooky, strange, & tragic passage of guests through the same hotel room.

*Sophie Calle: The Hotel*, 2021-11-16 A forensic conceptualist's inventory of the ordinary and extraordinary lives in a Venetian hotel In 1981 Sophie Calle took a job as a chambermaid for the Hotel C in Venice, Italy. Stashing her camera and tape recorder in her mop bucket, she not only cleans and tidies, but sorts through the evidence of the hotel guests' lives. Assigned 12 rooms on the fourth floor, she surveys the state of the guests' bedding, their books, newspapers and postcards, perfumes and cologne, traveling clothes and costumes for Carnival. She methodically photographs the contents of closets and suitcases, examining the detritus in the rubbish bin and the toiletries arranged on the washbasin. She discovers their birth dates and blood types, diary entries, letters from and photographs of lovers and family. She eavesdrops on arguments and love-making. She retrieves a pair of shoes from the wastebasket and takes two chocolates from a neglected box of sweets, while leaving behind stashes of money, pills and jewelry. Her thievery is the eye of the camera, observing the details that were not meant for her, or us, to see. The *Hotel* now manifests as a book for the first time in English (it was previously included in the book *Double Game*). Collaborating with the artist on a new design that features enhanced and larger photographs, and pays specific attention to the beauty of the book as an object, Siglio is releasing its third book authored by Calle, after *The Address Book* (2012) and *Suite Vénitienne* (2015). Sophie Calle (born 1953) is an internationally renowned artist whose controversial works often fuse conceptual art and

Oulipo-like constraints, investigatory methods and the plundering of autobiography. The Whitechapel Gallery in London organized a retrospective in 2009, and her work has been shown at the Museum of Modern Art and the Whitney Museum of American Art, New York; the Carnegie Museum of Art, Pittsburgh; the Museum of Fine Arts, Boston; the Hayward Gallery and Serpentine, London; and the Museum of Contemporary Art, Chicago, among others. She lives and works in Paris.
