

My Lifetime

Yahya-Othman, Saida

The History of America in My Lifetime Brooks Sterritt,2020-06 What follows is an account of events experienced by the above man. As a film subject, he was one of the best I've ever seen, despite a complete lack of dramatic ability. The sources I've used for the creation of this report are, in the main, video footage-both consensual interviews with the subject and footage generated without his knowledge. At the time of this writing, he is employed at a facility called Shred Authority Neighborhood Storage. In terms of familial relationships, he has two sisters (no contact), a mother (no contact), and a father (yearly contact). His sexual interests are best described as disappointingly vanilla with longtime urges for mild deviancy. Hobbies include cycling, occasional woodworking, and researching arcane topics on the Internet and internalizing them. He lacks a formal education, yet is adept at finding information, albeit in an unsystematic way. I chose this subject not because of the events he experienced-though they are thrilling and profound-but because he stumbled across something that no one could turn away from. Though a select few of you may be familiar with my film work, I've recently retired to pursue other forms, hence the at times novelistic appearance of the following narrative--

Yes, In My Lifetime Yahya-Othman, Saida,2013-11-11 Yes, In My Lifetime is a collection of selected articles and essays by Haroub Othman, written over the span of his career of nearly four decades. Originally appearing in a wide range of fora, the writings reflect Othman's growth as an intellectual and an activist. They also encapsulate his life's passions ñ the plight of the people and their struggles for their rights, the state of the Union of Tanganyika and Zanzibar, and international solidarity with the oppressed the world over. A child of Zanzibar, Othman fought long and hard for the unity of those islands, and for their continued presence in the Union, and the set of articles in that section pay homage to that work. Haroub Othman was a professor of development studies at the University of Dar es Salaam, having specialised in international law and political science. He was still working with the University when he passed away in 2009. His many Kiswahili writings are unfortunately not included in this book.

My Life with Bob Pamela Paul,2017-05-02 For twenty-eight years, Pamela Paul has been keeping a diary that records the books she reads, rather than the life she leads. Or does it? Over time, it's become clear that this Book of Books, or Bob, as she calls him, tells a much bigger story. For Paul, as for many readers, books reflect her inner life--her fantasies and hopes, her dreams and ideas. And her life, in turn, influences which books she chooses, whether for solace or escape, diversion or self-reflection, information or entertainment. My Life with Bob isn't about what's in those books; it's about the relationship between books and readers--

My Life with the Lincolns Gayle Brandeis,2010-03-16 My dad used to be Abraham Lincoln. When I was six and learning to read, I saw his initials were A. B. E., Albert Baruch Edelman. ABE. That's when I knew. Mina Edelman believes that she and her family are the Lincolns reincarnated. Her main task for the next three months: to protect her father from assassination, her mother from insanity, and herself—Willie Lincoln incarnate—from death at age twelve. Apart from that, the summer of 1966 should be like any other. But Mina's dad begins taking Mina along to hear speeches by Martin Luther King, Jr in Chicago. And soon he brings the freedom movement to their own small town, with consequences for everyone, in Gayle Brandeis's My Life with the Lincolns.

The Books in My Life Henry Miller,1969 In this unique work, Henry Miller gives an utterly candid and self-revealing account of the reading he did during his formative years.

My Life in Middlemarch Rebecca Mead,2014-01-28 A New Yorker writer revisits the seminal book of her youth--Middlemarch--and fashions a singular, involving story of how a passionate attachment to a great work of literature can shape our lives and help us to read our own histories. Rebecca Mead was a young woman in an English coastal town when she first read George Eliot's Middlemarch, regarded by many as the greatest English novel. After gaining admission to Oxford, and moving to the United States to become a journalist, through several love affairs, then marriage and family, Mead read and reread Middlemarch. The novel, which Virginia Woolf famously described as one of the few English novels written for grown-up people, offered Mead something that modern life and literature did not. In this wise and revealing work of biography, reporting, and memoir, Rebecca Mead leads us into the life that the book made for her, as well as the many lives the novel has led since it was written. Employing a structure that deftly mirrors that of the novel, My Life in Middlemarch takes the themes of Eliot's masterpiece--the complexity of love, the meaning of marriage, the foundations of morality, and the drama of aspiration and failure--and brings them into our world. Offering both a fascinating reading of Eliot's biography and an exploration of the way aspects of Mead's life uncannily echo that of Eliot herself, My Life in Middlemarch is for every ardent lover of literature who cares about why we read books, and how they read us.

My Life in E-flat Chan Parker,2021-11-25 A memoir of the Jazz Age and a life profoundly influenced by it My Life in E-flat is the remarkable memoir of a woman who witnessed some of the most important movements in the history of jazz. Through her autobiography, Chan Parker provides intimate insights into the music and into life with Charlie Parker, the key figure in the development of bebop and one of the most important of all jazz

musicians. Born Beverly Dolores Berg in New York City at the height of the Jazz Age, Parker's father was a producer of vaudeville shows and her mother was a dancer in Florenz Ziegfeld's Midnight Frolic. Parker became part of the jazz culture as a nightclub dancer and later as the wife of jazz saxophonists Charlie Parker and then Phil Woods. In a moving and candid portrait of Charlie Parker, the author describes in harrowing detail a man of incredible talent besieged with addictions and self-destructiveness. She painfully recounts his death at the age of 35 while married to her and its effect on her life as well as on the musical world. Parker's honest portrait of one of the most gifted musicians in jazz provides unique insight into the history of the music and the difficulties faced by African American performers during the 1940s. Parker also reflects on her struggle to find her own voice and on her work with Clint Eastwood on the film biography of Charlie Parker, Bird (1988).

The Book of My Life Girolamo Cardano,2002-10-31 A bright star of the Italian Renaissance, Girolamo Cardano was an internationally-sought-after astrologer, physician, and natural philosopher, a creator of modern algebra, and the inventor of the universal joint. Condemned by the Inquisition to house arrest in his old age, Cardano wrote The Book of My Life, an unvarnished and often outrageous account of his character and conduct. Whether discussing his sex life or his diet, the plots of academic rivals or meetings with supernatural beings, or his deep sorrow when his beloved son was executed for murder, Cardano displays the same unbounded curiosity that made him a scientific pioneer. At once picaresque adventure and campus comedy, curriculum vitae, and last will, The Book of My Life is an extraordinary Renaissance self-portrait—a book to set beside Montaigne's Essays and Benvenuto Cellini's Autobiography.

The Walk of a Lifetime Russ Eanes,2019-09-02 Trekking 500 miles on the ancient Camino de Santiago was not just an item for Russ Eanes to check off his bucket list. It was a journey he had dreamed of taking for decades. At age 61, with his children grown, he was too young to retire but wise enough to know that he needed to reorient the hurried pace of his life. He left his work and took a sabbatical to reset himself and the first step was to head to the Camino. With everything he needed in a 16-pound pack and, equipped with a set of seven simple principles, he took off from St. Jean Pied de Port, France, to walk, as pilgrims have for twelve centuries, across Spain, to realize his dream. It was the Walk of a Lifetime. In a style that is part personal memoir and part travel memoir, he combines history, spirituality, coffee, culture and humor into an engaging journey of personal rediscovery.

When people called him a bully and a hypocrite for outing gay celebrities, Perez was forced to reevaluate not only his alter ego, but also himself. TMI reveals the man behind the blog in a new, revealing, and still juicy memoir.

My Life Cristina Caymares,2018-07-29 Growing up is a vague term and different for everyone. My story is about having multiple father figures and an appetite for food. Traveling while schooling in Miami was hard for a little girl. I got to see the world through my aunt's eyes. My grandmother loved food and was great to be around. My mother was always waiting for us with open arms.

My Life in Dog Years Gary Paulsen,2009-06-03 Gary Paulsen has owned dozens of unforgettable and amazing dogs, and here are his favorites--one to a chapter.
