The Little Farm Lois Lenski,2020-03-03 This simplified board book version of Lois Lenski's classic farm story is perfect for toddlers loving their farm animal books! Spend a day on the farm with Farmer Small in this classic story--now available as a board book! Children will love following along as Farmer Small takes care of his hungry cows, pigs, chickens, and more! Newly simplified text paired with Lois Lenski's original bright and charming art make an irresistible choice for kids...and even nostalgic parents and grandparents!

Saving Emma the Pig John Chester,2019-05-14 A companion picture book to the award-winning film, *The Biggest Little Farm*! Welcome to Apricot Lane Farm, a unique world full of true stories about heartwarming animals' relationships and the special people who care for them. When Emma the pig arrives at the Apricot Lane Farm, she is about to give birth to piglets. But she is also sick, and after her seventeen babies arrive, Emma is unable to care for them. Taking care of seventeen piglets and a sick mama pig is a challenge for Farmer John and his team. But the cure for Emma reminds them what is most important—for pigs and for humans: love and friendship. *Saving Emma the Pig* is a heartfelt picture

book from John Chester, with gorgeous illustrations from Jennifer L. Meyer

Little Farm by the Sea Kay Chora, 1998-05-15 Depicts the activities on a small family farm during the four seasons of the year.

The Little Farm in the Big Valley Eric Weidler, 2015-08-31 First there was Little House, then there was Little Farm. Laura Ingalls Wilder's saga continues into the twentieth century with *The Little Farm in the Big Valley*: a story for baby boomers and other generations as well! GO into the mind of the child in this childhood memoir. SEE the "play" and the "work" among three generations in the rural heartland of America. GO along with the boys on their country adventures. SEE how things unfold as their family grows. Here is a memoir of a childhood like many others and, still, unique in its setting. With the disappearance of small farms, the generations' way of life disappears as well. It is only to be recalled by the written word and forms of media. Such is the purpose of the author, Eric Weidler, who thoroughly relates his early years on that "little farm."

Little Farm in the Foothills Susan Colleen Browne, 2009-05-01

When two Boomers flee the city for a slower, simpler, and more serene lifestyle, they discover that simplicity can get awfully complicated... and life becomes anything but serene. In this award-winning, true-life tale for gardeners, nature-lovers, and dreamers of all ages, *Little Farm in the Foothills* follows a midlife couple's pursuit of the "new" Great American Dream—living closer to the land—as they start growing their own organic food, living more simply, and transforming an old clearcut into a little homestead. What Susan and her husband John thought was a modest plan becomes an adventure that is more life-changing than they envisioned, and they face more adversity and more joys than they ever could have imagined. *Little Farm in the Foothills* is not a memoir about farming...it's a warmhearted story of making a dream come true. As Susan writes of their Foothills home, "it's not a farm, it's not even a 'farmette,' but it's the dream of a farm." "The Browne's foray into slower living...is an enjoyable read. Their delightful, yet very real, experiences in making the big leap toward their dreams make for a humorous and charming book."

—Washington State Librarian Jan Walsh "A delightful account."

Baby Farm Animals Garth Williams,2011-08-31 No one has drawn animals with as much warmth, humor, and realism as Garth Williams, who illustrated the beloved classics *Charlotte's Web*, *Stuart Little*, and the *Little House on the Prairie* series. This classic Little Golden book—with piglets, kittens, calves, and bunnies, and a simple, humorous story—is one of his best. Loved for generations, this warm and fuzzy classic is sure to delight a new crop of young Little Golden Book fans.

Little Farm in the Ozarks Roger Lea MacBride, 1994-04-08

Meet Rose Wilder, Laura Ingalls Wilder's daughter, and the last of the Little House girls. Going fishing for the first time, starting in a new school, saving the farmhouse from a fire—these are the elements of young Rose Wilder's first year at Rocky Ridge Farm. She has moved there with her parents, Laura and Almanzo, to begin a new life in the Missouri Ozarks. Rose feels out of place as the new girl in her class but gradually gains confidence, and Rocky Ridge truly becomes her home. Little Farm in the Ozarks is the second book in The Rose Years, an ongoing series about another spirited girl from America's most beloved pioneer family.

Quest for Eternal Sunshine Mendek Rubin, Myra

Goodman, 2020-04-14 Quest for Eternal Sunshine chronicles the triumphant, true story of Mendek Rubin, a brilliant inventor who overcame both the trauma of the Holocaust and decades of unrelenting depression to live a life of deep peace and boundless joy. Born into a Hassidic Jewish family in Poland in 1924, Mendek grew up surrounded by extreme anti-Semitism. Armed with an ingenious mind, he survived three horrific years in Nazi slave-labor concentration camps while virtually his entire family was murdered in Auschwitz. After arriving in America in 1946—despite having no

money or professional skills—his inventions helped revolutionize both the jewelry and packaged-salad industries. Remarkably, Mendek also applied his ingenuity to his own psyche, developing innovative ways to heal his heart and end his emotional suffering. After Mendek died in 2012, his daughter, Myra Goodman, found an unfinished manuscript in which he'd revealed the intimate details of his healing journey. *Quest for Eternal Sunshine*—the extraordinary result of a posthumous father-daughter collaboration—tells Mendek's whole story and is filled with eye-opening revelations, effective self-healing techniques, and profound wisdom that have the power to transform the way we live our lives. An inspirational biography of a Holocaust survivor overcoming depression and PTSD. An essential new addition to Jewish Holocaust history.
