Do Little Mermaids Wet Their Beds? Jeanne Willis,2001 CECELIA is a clever little girl who can do many things, even write her name in pen. But she has a problem that won't go away: she wets her bed. She doesn't mean to do it! She tries very hard, but still, there are horrid plastic sheets to sleep on and soggy nighties to wash in the morning. Then one night Cecelia has the most wonderful dream, about a little mermaid who reveals that she, too, has had this difficulty. Small bed-wetters will be reassured by Jeanne Willis's gentle rhyming story, most charmingly illustrated by Penelope Jossen.

Warhol-isms Andy Warhol,2022-05-10 A unique collection of brilliant quotations from the legendary Pop artist One of the most influential artists of his time and ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him, including, fittingly, the most celebrated fake Warhol saying—"In the future, everyone will be world-famous for 15 minutes." Warhol-isms separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and popular culture. Select quotations from the book: I think an artist is anybody who does something well.I went to [a psychiatrist] once, and he never called me back.They always say that time changes things, but you actually have to change them yourself.I’ve never met a person I couldn’t call a beauty.New things are always better than old things.I’m still a commercial artist. I was always a commercial artist.

The True Stella Awards Randy Cassingham,2006-10-31 Gathered from the popular website www.StellaAwards.com, The True Stella Awards is an outrageous collection of America’s most frivolous lawsuits Named for Stella Liebeck, the woman who won a multimillion-dollar lawsuit after spilling hot McDonald’s coffee on herself, humorist Randy Cassingham’s popular website chronicles the hard-to-believe and amusing claims brought before the U.S.courts. The most ridiculous of these lawsuits are given the “honorable” Stella Award. In The True Stella Awards, Cassingham documents the most outlandish of these real-life cases, including: * The man who legally changed his name to Jack Ass, and then sued MTV because their TV show and movie Jackass infringed on his trademark and demeaned his “good name” * The songwriter who left a minute’s silence on his record only to be sued by the estate of another songwriter who copyrighted his own “silent” song * The man who sued an amusement park after being the victim of the ultimate “act of God”: He was hit by lightning while standing next to his own car in the parking lot Stunning and hilarious, The True Stella Awards reveals the extremes people will go to in the pursuit of “justice.”
